It is too soon to tell what the merger means to specific people in specific jobs in specific locations. What we can say is that we will communicate decisions that have an impact on specific locations as soon as we can. Employees who do not have a continuing role with the new organization due to the merger will be notified at least 30 days in advance and will be eligible for severance payments, as described below.

In order to be eligible for a severance you must be actively employed until your position is no longer required this may be after the closing and sign a separation and release agreement upon termination. Employees who are offered a position following the merger that is substantially similar in responsibility and is located within a reasonable distance from their pre-merger location (as determined by American Tower) will not be eligible to participate in the severance program, regardless of whether or not they accept the position.

Base salary will be determined as of the date of termination. For commission eligible employees, such as Account Managers, base salary will be defined by annualizing the most recent 12 months of cash compensation, dividing it by 52 and multiplying it by the number of weeks an individual is eligible for severance. Non-exempt weekly salary amounts will be based upon the number of hours an employee is regularly scheduled to work. All severance payments will be subject to applicable payroll taxes and voluntary deduction amounts. While it is not anticipated, American Tower reserves the right to amend or suspend this Severance Program at any time.

Accrued but unused vacation will be paid out at the time of separation in accordance with American Tower's vacation policy.

3. Will the operational support functions currently being performed in Woburn stay in Woburn or will they be moved to Cary?

It is too soon to tell what the merger means to specific people in specific jobs in specific locations. What we can say is that we will communicate decisions that have an impact on specific locations as soon as possible, which may be after the close of the merger. American Tower employees who do not have a continuing role with American Tower due to the merger will be eligible to participate in the severance program described above.

4. How will the announcement of the merger affect my sick days and vacation time?

There are no changes to American Tower's sick and vacation day policies due to the announcement. Sick days taken prior to the announcement will be counted towards the annual sick days allowable for the calendar year. Likewise, any vacation days taken count toward your annual vacation accrual. As usual, vacation days not taken by the end of the calendar year will be forfeited.

5. How does the merger announcement affect my current compensation?

The announcement itself does not change American Tower's current compensation programs. Pre-announcement compensation programs will remain in effect through the remainder of the calendar year.

6. I've heard about a special incentive for some employees of American Tower. How do I know if I am eligible?

A Special Incentive Program has been announced for employees of American Tower's Customer Care Centers. In support of our statements that it is business as usual, we all need to be focused on achieving (or exceeding) our 2005 goals and objectives. To that end, all employees of our Customer Care Centers who were employed on the day of the announcement (May 4, 2005) and who are still employed as of the close of the merger, are eligible for a special incentive payment if the U.S. Tower Division achieves its 2005 EBIDTA goals. The Special Incentive Program is described below.

Special Incentive

Ø **Customer Care Center Directors and Managers** 10% of base salary. Base salary will be determined based upon annualized salary in place on December 31, 2005

Ø **Customer Care Center T.E.A.M. Award Members and Commissioned Employees** \$2,500.00

The Special Incentive award will be payable as soon as administratively feasible following the year-end financial close and will be subject to all applicable payroll taxes and voluntary deductions. Eligible employees who receive a severance related to the merger **prior** to the payout of the Special Incentive award will still be eligible for the award. Eligible employees who voluntarily terminate their employment prior to the payment date will not be eligible for the award.

Customer Care Centers are defined as LAPM, U.S. Tower Finance (including Services and Procurement), Customer Accounting, IT, Process Excellence, named Integration Team members, and Corporate.

7. Will the T.E.A.M. Award continue now that we have announced a merger with SpectraSite?

Yes, the quarterly T.E.A.M. Award will continue throughout 2005 because it is business as usual. As you may know, the T.E.A.M. Award is designed to recognize and reward members of our teams who are dedicated to achieving our quarterly performance goals and do not participate in another incentive program. This year, the target for our T.E.A.M. Award is achieving or exceeding the U.S. Tower Division's quarterly EBITDA goals. Each quarter the U.S. Tower Division achieves its quarterly EBITDA goal, eligible team members receive \$500. To be eligible

Edgar Filing: SPECTRASITE INC - Form 425

for the T.E.A.M. Award, employees must have been employed by American Tower for the entire quarter. For purposes of T.E.A.M. Award eligibility, the Special Incentive Program described in question number 6 is does not count as another incentive program.

8. Does the announcement of the merger impact when I can sell my shares of American Tower stock that I purchased through the Employee Stock Purchase Plan?

The announcement of the merger does not impact your participation in American Tower's Employee Stock Purchase Plan (ESPP). Participants may sell the shares as soon as they are issued as part of the program, subject at all times to our Anti-Insider Trading Policy. Employees do not have to wait until the merger closes to sell shares.

9. Are we, as managers, allowed to fill open positions?

Yes, our focus should be on business as usual. As always it is important that all managers continue to work with their functional Vice President to ensure that the open position is still aligned with department needs.

It is uncertain at this time how specific office locations or staffing levels will be affected by the merger.

11. What will be the responsibility of the Integration Team?

The Integration Team will be responsible for high level business model evaluation, company needs analysis, evaluation of current technology systems, processes and procedures, determination of timing, costs, people/resources, training and identifying major integration issues and solutions.

12. When do we expect to close the deal?

We hope to close the merger in the second half of 2005, but the actual timing is dependent upon external factors (e.g., potential SEC and DOJ review) not within American Tower's control.

13. Does the announcement of the merger with SpectraSite impact American Tower stock options?

No, the announcement does not impact American Tower stock options. Employees will continue to vest in their option grants as usual and pursuant to the terms of the stock option plan.

14. If my position is eliminated, will I be considered for other positions or may I apply for open positions?

As part of the merger, we are looking to retain the best people from both companies. If during this process your position is eliminated, you may be asked to assume different responsibilities or be eligible to apply for open positions for which you are qualified.

interacting with SpectraSite employees (for example, in an industry group). Please refer any questions to the Legal Department.
