**ITEM ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

**1.01.**

On May 6, 2007, Constellation Brands, Inc., a Delaware corporation (the “Company” or “Constellation”), entered into a Confirmation (the “Repurchase Agreement”) with Citibank, N.A. (“Citibank”) to effect an accelerated share repurchase of the Company’s Class A common stock (“Common Stock”). Under the terms of the Repurchase Agreement, on May 8, 2007 the Company is obligated to pay Citibank a fixed purchase price of \$421.1 million and Citibank is obligated to deliver to the Company 16.9 million shares of Common Stock. The purchase price for the shares will be paid with proceeds from borrowings under the Company’s existing revolving credit facility.

At the end of a pricing period starting May 8, 2007 and scheduled to end on October 4, 2007 (which may be shortened in Citibank’s discretion so that it ends during the Company’s second fiscal quarter), Citibank will be obligated to deliver additional shares of Common Stock to the Company based generally on the volume weighted average price of the Common Stock during the pricing period minus a discount (the “Settlement Price”) unless the Settlement Price exceeds a negotiated amount. The calculation to determine the number of additional shares to which the Company is entitled also takes into account the difference between the Settlement Price and the average per share price paid by the Company for 1.0 million of the 3.5 million shares of Common Stock purchased by the Company in the open market prior to entering into the Repurchase Agreement. There is no maximum number of additional shares of Common Stock that the Company will be entitled to receive based on the application of the formula.

The Repurchase Agreement contains terms that provide for adjustments and early termination upon the occurrence of certain extraordinary and disruption events and contains other customary terms and conditions for agreements of this kind, including covenants and representations related to Rule 10b5-1 and Rule 10b-18. The Repurchase Agreement provides that the Company will not be obligated to make any payment to Citibank other than the initial purchase price or to return any shares of Common Stock received from Citibank pursuant to the Repurchase Agreement; however, the adjustment provisions in the Repurchase Agreement or an early termination may affect the number of additional shares of Common Stock that the Company is entitled to receive under the Repurchase Agreement.

Citibank is a lender under the Credit Agreement dated June 5, 2006, as amended, among the Company and the lenders party thereto, and Citibank and its affiliates have performed, and may in the future perform, various commercial banking, investment banking and other financial advisory services for Constellation and its subsidiaries for which they have received, and will receive, customary fees and expenses.
