-

Item 8.01. Other Events.

Biolase Technology, Inc. (the **Company**) received notice on July 5, 2005 that The Nasdaq Stock Market, Inc. (**Nasdaq**) has granted the Company an extension of time until August 1, 2005 in which to file its Form 10-K for the fiscal year ended December 31, 2004 (**2004 Form 10-K**), certain restatements with respect to the Company's historical financial statements, the Form 10-Q for the fiscal quarter ended March 31, 2005 (**first quarter 2005 Form 10-Q**) and to otherwise meet all necessary listing standards of The Nasdaq National Market.

As previously disclosed in its Form 8-K filed May 20, 2005, the Company intends to restate its historical financial statements and will file (i) its 2004 Form 10-K that will include, in addition to its consolidated financial statements for the year ended December 31, 2004, restated consolidated financial statements as of December 31, 2003 and the two years then ended and (ii) amended Form 10-Qs for the fiscal quarters ended March 31, 2004, June 30, 2004 and September 30, 2004 (the **2004 Form 10-Q/As**) that will include restated financial statements for the prior comparative periods as well.

At this time, the Company expects to file its 2004 Form 10-K and 2004 Form 10-Q/As prior to August 1, 2005; however, the Company does not expect to be able to complete the first quarter 2005 Form 10-Q by August 1, 2005 and intends to seek an additional extension from Nasdaq to file such first quarter 2005 10-Q. There is no assurance that the Company will be able to file its 2004 Form 10-K or 2004 Form 10-Q/As by August 1, 2005 or that Nasdaq will grant any extension to the Company to file its first quarter 2005 Form 10-Q.

Item 9.01. Financial Statements and Exhibits.

(c) Exhibits.
