PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The delay in filing the registrant's Form 10-Q for the period ended May 31, 2005, is primarily attributable to the registrant's previously disclosed material weakness in its internal control over financial reporting, which relates to the lack of personnel resources and technical expertise in the registrant's financial closing and reporting department. As a result of this material weakness, the registrant was not able to file its Annual Report on Form 10-K for the fiscal year ended February 28, 2005 until July 8, 2005. Due to the delay associated with the registrant's Form 10-K, the registrant will not be able to file its Form 10-Q within the prescribed period without unreasonable effort or expense.
