PROXY STATEMENT

APPROXIMATE DATE OF MAILING: MARCH 9, 2006

The enclosed proxy is solicited by the Board of Directors of CKX Lands for use at its annual meeting of stockholders to be held on Thursday, April 20, 2006 at 11:00 a.m. at Chase Bank, Third Floor, One Lakeside Plaza, Lake Charles, LA, or any adjournments or postponements thereof. You may revoke your proxy at any time prior to it being voted by giving written notice to the Secretary of CKX Lands, by submission of a later dated proxy or by voting in person at the meeting. All expenses of preparing, printing and mailing the proxy and all materials used in solicitation will be borne by CKX Lands. Proxies may also be solicited in person or by telephone or fax by directors, officers and other employees of CKX Lands, none of whom will receive additional compensation for such services. CKX Lands will also request brokerage houses, custodians and nominees to forward these materials to the beneficial owners of the stock held of record by them and will pay the reasonable expenses of such persons for forwarding the material. The mailing address of CKX Lands principal office is P.O. Box 1864, Lake Charles, LA 70602.

On February 21, 2006, CKX Lands had outstanding 1,942,495 shares of Common Stock, its only class of stock, held of record by approximately 675 holders. Only stockholders of record at the close of business on February 21, 2006, will be entitled to receive notice of and to vote at the meeting. With respect to all matters that will come before the meeting, each stockholder may cast one vote for each share registered in his or her name on the record date. The presence, in person or by proxy, of holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the meeting. Stockholders voting, or abstaining from voting, by proxy on any issue will be counted as present for purposes constituting a quorum. If a quorum is present, the election of directors will be determined by a plurality vote and the approval of the independent auditor will be determined by a majority vote. Abstentions will have no effect on the election of directors or the approval of the independent auditor.

Broker non-votes (described below) will have no effect on the election of directors or the approval of the independent auditor.

A broker or nominee holding shares registered in its name, or in the name of its nominee, that are beneficially owned by another person and for which the broker or nominee has not received instructions as to voting from the beneficial owner has the discretion to vote the beneficial owner's shares with respect to the election of directors and the approval of the independent auditor. However, the broker or nominee may not have discretionary authority to vote on other matters that may properly come before the meeting. Shares as to which a broker or nominee does not vote on a matter are referred to as broker non-votes on that matter. Broker non-votes will be counted as present at the stockholders' meeting for the purposes of calculating a quorum, but will not be counted as present for purposes of determining whether a particular matter has been approved.

The shares represented by properly executed proxies, unless previously revoked, will be voted at the meeting in accordance with the directions set forth on the proxies. If no choice has been specified on the proxy, the shares will be voted FOR the election of the nominees as directors and FOR approval of McElroy, Quirk & Burch APC as auditors. The proxy also gives authority to the proxy holders to vote the shares in their discretion on any other matter presented at the meeting.

Recommendations for consideration by the Nominating Committee should be sent to the Secretary of the Company in writing together with appropriate biographical information. The Nominating Committee does not have a charter. Each of the members of the Nominating Committee is independent as defined by the American Stock Exchange.

The Committee identifies and evaluates nominees on the basis of their education, business experience, integrity and knowledge of Southwest Louisiana particularly as it relates to land management. Nominees recommended by security holders will be evaluated by the same criteria.

The Nominating Committee has in the past considered potential director candidates suggested by its members, other directors and management. Members on the committee and management have in the past interviewed potential candidates who were not incumbent directors, and the committee has then voted to recommend a slate of nominees to the Board. Mr. Stream was recommended by a member of the Nominating Committee, a non-management director.
