Item 2.02 Results of Operations and Financial Condition

By press release dated October 31, 2007, the Company announced its financial results for the three and nine months ended September 30, 2007. The full text of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The information in this form 8-K and the Exhibit 99.1 attached hereto shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference into any registration statement or other document filed under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by special reference in such filing.

In the press release and accompanying supplemental information, the Company uses the following non-GAAP financial measures: free cash flow, EBIT, EBITDA, and earnings per share excluding special charges. Management of the Company believes that free cash flow (defined as net cash flow from operating activities, less capital expenditures and dividends paid) is an important measure of its liquidity as well as its ability to service long-term debt, fund future growth and to provide a return to shareholders. EBIT (defined as net income plus interest expense, net plus provision for income taxes), EBITDA (defined as net income plus interest expense, net plus provision for income taxes, plus depreciation and amortization) and earnings per share excluding special charges (defined as earnings per common share, excluding the impact of special charges, net of tax) is provided because management believes these measurements are commonly used by investors and financial institutions to analyze and compare companies on the basis of operating performance. Free cash flow, EBIT, EBITDA, and earnings per share excluding special charges are not measurements for financial performance under GAAP and should not be construed as a substitute for cash flows, operating income, net income or earnings per share. Free cash flow, EBIT, EBITDA, and earnings per share excluding special charges, as we have calculated here, may not necessarily be comparable to similarly titled measures used by other companies. A reconciliation of free cash flow, EBIT, EBITDA, and earnings per share excluding special charges, to the most directly comparable GAAP financial measure is provided in the supplemental information table titled Reconciliation of Key Performance Measures to Commonly Used Generally Accepted Accounting Principle Terms which is included as an attachment to the press release.

Item 5.02. Election of Director

On October 31, 2007, the Company's Board of Directors accepted the recommendation of the Nominating and Corporate Governance Committee and appointed C. William Zadel to the Company's Board of Directors, thereby increasing the size of its Board from 6 to 7 members. Mr. Zadel, who is serving as a Class III director, also has been appointed to the Board's Compensation and Audit Committees.

In connection with Mr. Zadel's appointment he was awarded 1,250 Restricted Stock Units and entered into an Indemnification Agreement. The Indemnification Agreement is identical to the form of Indemnification Agreement previously entered into between the Company and each of its directors and executive officers.
