**FORWARD-LOOKING STATEMENTS**

This prospectus and the documents incorporated by reference contain statements that are considered forward looking statements within the meaning of United States securities laws. In addition, Nara Bancorp and its management may make other written or oral communications from time to time that contain forward-looking statements. Forward-looking statements, including statements about industry trends, management's future expectations and other matters that do not relate strictly to historical facts, are based on assumptions by management, and are often identified by such forward-looking terminology as expect, look, believe, anticipate, estimate, seek, may, will, trend, target, and statements or variations of such terms. Forward-looking statements may include, among other things, statements about Nara Bancorp's confidence in its strategies and its expectations about financial performance, market growth, market and regulatory trends and developments, acquisitions and divestitures, new technologies, services and opportunities and earnings.

Forward-looking statements are subject to various risks and uncertainties, which change over time, are based on management's expectations and assumptions at the time the statements are made, and are not guarantees of future results. Management's expectations and assumptions, and the continued validity of the forward-looking statements, are subject to change due to a broad range of factors affecting the national and global economies, the equity, debt, currency and other financial markets, as well as factors specific to Nara Bancorp and its subsidiaries, including Nara Bank.

Actual outcomes and results may differ materially from what is expressed in our forward-looking statements and from our historical financial results due to the factors discussed elsewhere in this prospectus or disclosed in our other SEC filings. Forward-looking statements should not be relied upon as representing our expectations or beliefs as of any date subsequent to the time this prospectus is filed with the SEC. Nara Bancorp undertakes no obligation to revise the forward-looking statements contained in this prospectus to reflect events after the time it is filed with the SEC. The factors discussed herein are not intended to be a complete summary of all risks and uncertainties that may affect our businesses. Though we strive to monitor and mitigate risk, we cannot anticipate all potential economic, operational and financial developments that may adversely impact our operations and our financial results.

Forward-looking statements should not be viewed as predictions, and should not be the primary basis upon which investors evaluate Nara Bancorp. Any investor in Nara Bancorp should consider all risks and uncertainties disclosed in our SEC filings described below under the heading *Where You Can Find More Information*, all of which are accessible on the SEC's website at <http://www.sec.gov>.

**Table of Contents****RISK FACTORS**

An investment in our Securities involves significant risks. You should carefully consider the risks and uncertainties and the risk factors described in the documents and reports that we have filed with the SEC and that are incorporated by reference into this prospectus, as well as any risks described in any prospectus supplement we may provide, before you make an investment decision regarding the Securities. Additional risks and uncertainties not presently known to us or that we currently deem not to be material may also affect our business operations.

**USE OF PROCEEDS**

We will not receive any proceeds from sales of the Securities by the selling securityholders.

**RATIOS OF EARNINGS TO FIXED CHARGES AND PREFERRED DIVIDENDS**

We had no outstanding shares of Preferred Stock during any of the years ended December 31, 2007, 2006, 2005, 2004 and 2003, or during the nine months ended September 30, 2008. The following table sets forth our consolidated ratios of earnings to fixed charges for each of the periods indicated.

	Nine Months Ended September 30, 2008	Years Ended December 31,				
		2007	2006	2005	2004	2003
Ratios of earnings to fixed charges, excluding interest on deposits	2.51x	5.41x	8.50x	7.87x	8.14x	5.89x
Ratios of earnings to fixed charges, including interest on deposits	1.38x	1.69x	1.89x	2.16x	2.65x	2.28x

We computed the ratio of earnings to fixed charges by dividing earnings by fixed charges. For purposes of computing this ratio, earnings consist of income before provision for income taxes, minority interest and cumulative effect of changes in accounting principles plus fixed charges.

Fixed charges consist of the sum of interest expense on indebtedness, including amortization of debt issuance costs, and the portion of lease expense which we believe is representative of the interest component of lease expense.

**DESCRIPTION OF SERIES A PREFERRED STOCK**

The following is a summary of the terms of the Series A Preferred Stock that may be sold by the selling securityholders. This summary does not purport to be complete in all respects. It is subject to and qualified in its entirety by reference to our certificate of incorporation and amendments, including the certificate of designation with respect to the Series A Preferred Stock, copies of which have been filed with the SEC and are also available from us upon request.

***General***

Under our certificate of incorporation, we have authority to issue up to 10,000,000 shares of preferred stock, \$0.001 par value per share. Our board of directors has designated 67,000 shares of our preferred stock as Fixed Rate Cumulative Perpetual Preferred Stock, Series A, all of which shares were issued to the initial selling securityholder in a transaction exempt from the registration requirements of the Securities Act. The issued and outstanding shares of Series A Preferred Stock are validly issued, fully paid and nonassessable.

***Dividends Payable***

Holders of shares of Series A Preferred Stock are entitled to receive if, as and when declared by our board of directors or a duly authorized committee of the board, out of assets legally available for payment, cumulative cash dividends at a per annum rate of 5% on the liquidation preference of \$1,000 per share of Series A Preferred Stock with respect to each dividend period from November 21, 2008 to, but excluding, February 15, 2014. From and after February 15, 2014, holders of shares of Series A Preferred Stock are entitled to receive cumulative cash dividends at a per annum rate of 9% per share on the liquidation preference of \$1,000 per share of Series A Preferred Stock with respect to each dividend period thereafter.

Dividends are payable quarterly in arrears on each February 15, May 15, August 15 and November 15, starting with February 15, 2009. Each such date is referred to as a dividend payment date. If any dividend payment date is not a business day, then the next business day will be the applicable dividend payment date, and no additional dividends will accrue as a result of the postponement of the dividend payment date. Dividends payable during any dividend period are computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable with respect to the Series A Preferred Stock are payable to holders of record of shares of Series A Preferred Stock on the date that is 15 calendar days immediately preceding the applicable dividend payment date or such other record date as the board of directors or any duly authorized committee of the board determines, so long as such record date is not more than 60 nor less than 10 days prior to the applicable dividend payment date.

We are required to provide written notice to the holders of shares of Series A Preferred Stock prior to the applicable dividend payment date if we determine not to pay any dividend or a full dividend with respect to the Series A Preferred Stock.

We are subject to various regulatory policies and requirements relating to the payment of dividends, including requirements to maintain adequate capital above regulatory minimums. The Board of Governors of the Federal Reserve System, which is also referred to as the Federal Reserve Board, is authorized under applicable law and regulations to determine, under certain circumstances relating to the financial condition of a bank holding company that the payment of dividends would be an unsafe or unsound practice and to prohibit payment thereof. In addition, we are subject to Delaware state laws relating to the payment of dividends.

***Priority of Dividends***

With respect to the payment of dividends and the amounts to be paid upon liquidation, the Series A Preferred Stock will rank:

senior to our Common Stock and all other equity securities designated as ranking junior to the Series A Preferred Stock; and

**Table of Contents**

equally with all other equity securities designated as ranking on a parity with the Series A Preferred Stock, which is referred to as parity stock, with respect to the payment of dividends and distribution of assets upon any liquidation, dissolution or winding-up of Nara Bancorp.

So long as any shares of Series A Preferred Stock remain outstanding, unless all accrued and unpaid dividends for all prior dividend periods have been contemporaneously declared and paid in full, no dividend may be paid or declared on our Common Stock or other junior stock, other than a dividend payable solely in Common Stock. We and our subsidiaries also may not purchase, redeem or otherwise acquire for consideration any shares of our Common Stock or other junior stock unless we have paid all accrued dividends on the Series A Preferred Stock for all prior dividend periods in full, with the following exceptions:

purchases, redemptions or other acquisitions of our Common Stock or other junior stock in connection with the administration of our employee benefit plans in the ordinary course of business pursuant to a publicly announced repurchase plan up to the increase in diluted shares outstanding resulting from the grant, vesting or exercise of equity-based compensation;

purchases or other acquisitions by any broker-dealer subsidiaries of Nara Bancorp solely for the purpose of market-making, stabilization or customer facilitation transactions in junior stock or parity stock in the ordinary course of its business;

purchases or other acquisitions by any broker-dealer subsidiaries of Nara Bancorp for resale pursuant to an offering by Nara Bancorp of our stock that is underwritten by the related broker-dealer subsidiary;

any dividends or distributions of rights or junior stock in connection with any shareholders' rights plan or repurchases of rights pursuant to any shareholders' rights plan;

acquisition of record ownership of junior stock or parity stock for the beneficial ownership of any other person who is not Nara Bancorp or a subsidiary of Nara Bancorp, including as trustee or custodian; and

the exchange or conversion of junior stock for or into other junior stock or of parity stock for or into other parity stock or junior stock but only to the extent that such acquisition is required pursuant to binding contractual agreements entered into before November 21, 2008 or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock.

Nara Bancorp does not have any broker-dealer subsidiaries as of the date of this prospectus.

If we repurchase shares of Series A Preferred Stock from a holder other than the initial selling securityholder, we must also offer to repurchase a ratable portion of the Series A Preferred Stock then held by the initial selling securityholder.

On any dividend payment date for which full dividends on the Series A Preferred Stock and any other parity stock are not paid, or declared and therefor funds set aside, all dividends paid or declared for payment on that dividend payment date (or, with respect to parity stock with a different dividend payment date, on the applicable dividend date therefor falling within the dividend period and related to the dividend payment date for the Series A Preferred Stock), with respect to the Series A Preferred Stock and any other parity stock shall be declared ratably among the holders of any such shares who have the right to receive dividends, in proportion to the respective amounts of the undeclared and unpaid dividends relating to the dividend period.

Subject to the foregoing, such dividends, whether payable in cash, stock or otherwise, as may be determined by our board of directors, or a duly authorized committee of the board, may be declared and paid on our Common Stock and any other stock ranking equally with or junior to the Series A Preferred Stock from time to time out of any funds legally available for such payment, and the Series A Preferred Stock shall not be entitled to participate in any such dividend.

### ***Redemption***

The Series A Preferred Stock may not be redeemed prior to February 15, 2012 unless we have received aggregate gross proceeds from one or more qualified equity offerings (as described below) equal to \$16,750,000, which equals 25% of the aggregate liquidation amount of the Series A Preferred Stock on the date of issuance. If we have received such proceeds, we may redeem the Series A Preferred Stock, subject to the approval of Federal Reserve Board, in whole or in part, upon notice as described below, up to a maximum amount equal to the aggregate net cash proceeds received by us from such qualified equity offerings. A qualified equity offering is a sale and issuance for cash by us, to persons other than Nara Bancorp or its subsidiaries after November 21, 2008, of shares of perpetual preferred stock, common stock or a combination thereof, that in each case qualify as tier 1 capital of Nara Bancorp at the time of issuance under the applicable risk-based capital guidelines of the Federal Reserve Board. Qualified equity offerings do not include issuances made in connection with acquisitions, issuances of trust preferred securities and issuances of common stock and/or perpetual preferred stock made pursuant to agreements or arrangements entered into, or pursuant to financing plans that were publicly announced, on or prior to October 13, 2008.

After February 15, 2012, the Series A Preferred Stock may be redeemed at any time, subject to the approval of the Federal Reserve Board, in whole or in part, subject to notice as described below.

In any redemption, the required redemption price would be an amount equal to the per share liquidation amount plus accrued and unpaid dividends up to but excluding the date of redemption.

The Series A Preferred Stock will not be subject to any mandatory redemption, sinking fund or similar provisions. Holders of shares of Series A Preferred Stock have no right to require the redemption or repurchase of the Series A Preferred Stock.

If fewer than all of the outstanding shares of Series A Preferred Stock are to be redeemed, the shares to be redeemed will be selected either *pro rata* from the holders of record of shares of Series A Preferred Stock in proportion to the number of shares held by those holders or in such other manner as our board of directors or a committee thereof may determine to be fair and equitable.

We will mail notice of any redemption of Series A Preferred Stock by first class mail, postage prepaid, addressed to the holders of record of the shares of Series A Preferred Stock to be redeemed at their respective last addresses appearing on our books. The mailing will be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed or otherwise given as described in this paragraph will be conclusively presumed to have been duly given, whether or not the holder receives the notice, and failure duly to give the notice by mail or otherwise, or any defect in the notice or in the mailing or provision of the notice, to any holder of Series A Preferred Stock designated for redemption will not affect the redemption of any other Series A Preferred Stock. Each notice of redemption will set forth the applicable redemption date, the redemption price, the place where shares of Series A Preferred Stock are to be redeemed, and the number of shares of Series A Preferred Stock to be redeemed (and, if less than all shares of Series A Preferred Stock held by the applicable holder, the number of shares to be redeemed from the holder).

Shares of Series A Preferred Stock that are redeemed, repurchased or otherwise acquired by us will revert to the status of authorized but unissued shares of our preferred stock.

### ***Liquidation Rights***

In the event that we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, holders of Series A Preferred Stock will be entitled to receive an amount per share, referred to as the total liquidation amount, which is equal to the fixed liquidation preference of \$1,000 per share, plus any accrued and unpaid dividends, whether or not declared, to the date of payment. Holders of the Series A Preferred Stock will be entitled to receive the total liquidation amount out of our assets, if any, that are available for distribution to shareholders, after payment or provision for payment of our debts and other liabilities but before any distribution of assets is made to holders of our Common Stock or any other shares ranking, as to that distribution, junior to the Series A Preferred Stock.

If our assets are not sufficient to pay the total liquidation amount in full to all holders of Series A Preferred Stock and all holders of any shares of outstanding parity stock, the amounts paid to the holders of Series A Preferred

---

## **Table of Contents**

Stock and other shares of parity stock will be paid *pro rata* in accordance with the respective total liquidation amounts for those holders. If the total liquidation amount per share of Series A Preferred Stock has been paid in full to all holders of Series A Preferred Stock and other shares of parity stock, the holders of our Common Stock or any other shares ranking, as to such distribution, junior to the Series A Preferred Stock will be entitled to receive all of our remaining assets according to their respective rights and preferences.

For purposes of the liquidation rights, neither the sale, conveyance, exchange or transfer of all or substantially all of our property and assets, nor the consolidation or merger by us with or into any other corporation or by another corporation with or into us, will constitute a liquidation, dissolution or winding-up of our affairs.

### ***Voting Rights***

Except as indicated below or otherwise required by law, the holders of Series A Preferred Stock will not have any voting rights.

***Election of Two Directors upon Non-Payment of Dividends.*** If dividends on the Series A Preferred Stock have not been paid for an aggregate of six quarterly dividend periods or more (whether or not consecutive), the authorized number of directors then constituting our board of directors will be increased by two. Holders of Series A Preferred Stock, together with the holders of any outstanding parity stock with like voting rights, which parity stock is referred to as voting parity stock, voting as a single class, will be entitled to elect the two additional members of our board of directors, referred to as the preferred stock directors, at the next annual meeting (or at a special meeting called for the purpose of electing the preferred stock directors prior to the next annual meeting) and at each subsequent annual meeting until all accrued and unpaid dividends for all past dividend periods have been paid in full. The election of any preferred stock director is subject to the qualification that the election would not cause us to violate the corporate governance requirement of the NASDAQ Stock Market (or any other exchange on which our Securities may be listed) that listed companies must have a majority of independent directors.

Upon the termination of the right of the holders of Series A Preferred Stock and voting parity stock to vote for preferred stock directors, as described above, the preferred stock directors will cease to be qualified as directors, their term of office shall terminate immediately and the number of authorized directors of Nara Bancorp will be reduced by the number of preferred stock directors that the holders of Series A Preferred Stock and voting parity stock had been entitled to elect. The holders of a majority of shares of Series A Preferred Stock and voting parity stock, voting as a class, may remove any preferred stock director, with or without cause, and the holders of a majority of the shares Series A Preferred Stock and voting parity stock, voting as a class, may fill any vacancy created by the removal of a preferred stock director. If the office of a preferred stock director becomes vacant for any other reason, the remaining preferred stock director may choose a successor to fill such vacancy for the remainder of the unexpired term.

***Other Voting Rights.*** So long as any shares of Series A Preferred Stock are outstanding, in addition to any other vote or consent of shareholders required by law or by our certificate of incorporation, the vote or consent of the holders of at least  $66\frac{2}{3}\%$  of the shares of Series A Preferred Stock at the time outstanding, voting separately as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

any amendment or alteration of our certificate of incorporation to authorize or create or increase the authorized amount of, or any issuance of any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock ranking senior to the Series A Preferred Stock with respect to payment of dividends and/or distribution of assets on any liquidation, dissolution or winding up of Nara Bancorp;

any amendment, alteration or repeal of any provision of the certificate of designations for the Series A Preferred Stock so as to affect adversely the rights, preferences, privileges or voting powers of the Series A Preferred Stock; or

any consummation of a binding share exchange or reclassification involving the Series A Preferred Stock or of a merger or consolidation of Nara Bancorp with another entity, unless the shares of Series A Preferred Stock remain outstanding following any such transaction or, if Nara Bancorp is not the surviving entity, are converted into or exchanged for preference securities and such remaining outstanding shares of Series A Preferred Stock or preference securities have rights, references, privileges and voting powers that

**Table of Contents**

are not materially less favorable than the rights, preferences, privileges or voting powers of the Series A Preferred Stock, taken as a whole.

To the extent of the voting rights of the Series A Preferred Stock, each holder of Series A Preferred Stock will have one vote for each such share on any matter on which holders of Series A Preferred Stock are entitled to vote, including any action by written consent.

The foregoing voting provisions will not apply if, at or prior to the time the vote or consent would otherwise be required, all outstanding shares of Series A Preferred Stock have been redeemed or called for redemption upon proper notice and sufficient funds have been set aside by us for the benefit of the holders of Series A Preferred Stock to effect the redemption.

**DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK**

The following is a summary of the terms of the Warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. It is subject to and qualified in its entirety by reference to the Warrant, a copy of which has been filed with the SEC and is also available from us upon request.

***Shares of Common Stock Subject to the Warrant***

The Warrant is initially exercisable for 1,042,531 shares of our Common Stock. If we complete one or more qualified equity offerings on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$67,000,000, which is equal to 100% of the aggregate liquidation preference of the Series A Preferred Stock, the number of shares of Common Stock underlying the Warrant then held by the selling securityholders will be reduced by 50% to 521,266 shares. The number of shares subject to the Warrant are subject to the further adjustments described below under the heading **Adjustments to the Warrant**.

***Exercise of the Warrant***

The initial exercise price applicable to the Warrant is \$9.64 per share. The Warrant may be exercised at any time on or before November 21, 2018 by surrender of the Warrant and a completed notice of exercise attached as an annex to the Warrant and the payment of the exercise price for the shares of Common Stock for which the Warrant is being exercised. The exercise price may be paid either by the withholding by Nara Bancorp of the number of shares of Common Stock issuable upon exercise of the Warrant that is equal to the value of the aggregate exercise price of the Warrant determined by reference to the market price of our Common Stock on the trading day on which the Warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash equal to the aggregate exercise price. The exercise price applicable to the Warrant is subject to the further adjustments described below under the heading **Adjustments to the Warrant**.

Upon exercise of the Warrant, certificates for the shares of Common Stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the Warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our Common Stock on the last day preceding the exercise of the Warrant (less the pro-rated exercise price of the Warrant) for any fractional shares that would have otherwise been issuable upon exercise of the Warrant. We will at all times reserve the aggregate number of shares of our Common Stock for which the Warrant may be exercised. We have listed the shares of Common Stock issuable upon exercise of the Warrant with the NASDAQ Stock Market.

***Rights as a Shareholder***

The warrant holder shall have no rights or privileges of the holders of our Common Stock, including any voting rights, until (and then only to the extent) the Warrant has been exercised.

***Transferability***

The initial selling securityholder may not transfer a portion of the Warrant with respect to more than 521,266 shares of Common Stock until the earlier of the date on which Nara Bancorp has received aggregate gross proceeds from a qualified equity offering of at least \$67,000,000 and December 31, 2009. The Warrant, and all rights under the Warrant, are otherwise transferable.

***Adjustments to the Warrant***

***Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations.*** The number of shares for which the Warrant may be exercised and the exercise price applicable to the Warrant will be proportionately adjusted in the event we pay dividends or make distributions of our Common Stock, subdivide, combine or reclassify outstanding shares of our Common Stock.

***Anti-dilution Adjustment.*** Until the earlier of November 21, 2011 and the date the initial selling securityholder no longer holds the Warrant (and other than in certain permitted transactions described below), if we issue any shares of Common Stock (or securities convertible or exercisable into Common Stock) for less than 90% of the market price of the Common Stock on the last trading day prior to pricing such shares, then the number of shares of

Common Stock into which the Warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:

as consideration for or to fund the acquisition of businesses and/or related assets;

in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;

in connection with public or broadly marketed offerings and sales of Common Stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions; and

in connection with the exercise of preemptive rights on terms existing as of November 21, 2008.

*Other Distributions.* The exercise price of the Warrant will be adjusted to reflect any dividends or distributions that we declare, other than ordinary cash dividends.

*Certain Repurchases.* If we effect a *pro rata* repurchase of Common Stock both the number of shares issuable upon exercise of the Warrant and the exercise price will be adjusted.

*Business Combinations.* In the event of a merger, consolidation or similar transaction involving Nara Bancorp and requiring shareholder approval, the warrant holder's right to receive shares of our Common Stock upon exercise of the Warrant shall be converted into the right to receive on exercise of the Warrant the consideration that would have been payable to the warrant holder with respect to the shares of Common Stock for which the Warrant may be exercised, as if the Warrant had been exercised prior to such merger, consolidation or similar transaction.

Holders of our Common Stock are entitled to one vote for each share they hold and are vested with all of the voting power except as our board of directors has provided, or may provide in the future, with respect to the Series A Preferred Stock, or any other class or series of preferred stock, that the board of directors may hereafter authorize. Shares of our Common Stock are not redeemable and holders of our Common Stock have no subscription, conversion or preemptive rights in their capacities as such.

Our Common Stock is listed on the NASDAQ Stock Market. Outstanding shares of our Common Stock are validly issued, fully paid and non-assessable. Holders of our Common Stock are not, and will not be, subject to any liability as shareholders.

***Restrictions on Ownership***

The Bank Holding Company Act requires any bank holding company, as defined in the Bank Holding Company Act, to obtain the approval of the Federal Reserve Board prior to the acquisition of 5% or more of our Common Stock. Any person, other than a bank holding company, is required to obtain prior approval of the Federal Reserve Board to acquire 10% or more of our Common Stock under the Change in Bank Control Act. Any holder of 25% or more of our Common Stock, or a holder of 5% or more if such holder otherwise exercises a controlling influence over us, is subject to regulation as a bank holding company under the Bank Holding Company Act.

**PLAN OF DISTRIBUTION**

The selling securityholders and their successors, including their transferees, may sell the Securities directly to purchasers or may sell Securities through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or purchasers of the Securities. The discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The Securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

on any national securities exchange or quotation service on which the preferred stock or the Common Stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the NASDAQ Stock Market in the case of the Common Stock;

in the over-the-counter market;

in transactions otherwise than on such exchanges or services or in the over-the-counter market; or

through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any Securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the Securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which in turn may engage in short sales of the Common Stock issuable upon exercise of the Warrant in the course of hedging the positions they assume. The selling securityholders may also sell the Common Stock issuable upon exercise of the Warrant short and deliver Common Stock to close out short positions, or loan or pledge the Series A Preferred Stock or the Common Stock issuable upon exercise of the Warrant to broker-dealers that in turn may sell these Securities.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

In offering the Securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the Securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the Securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of Securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the NASDAQ Stock Market pursuant to Rule 153 under the Securities Act.

## Edgar Filing: NARA BANCORP INC - Form S-3

At the time a particular offer of Securities is made, if required, a prospectus supplement will set forth the number and type of Securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting

compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

We do not intend to apply for listing of the Series A Preferred Stock on any securities exchange or for inclusion of the Series A Preferred Stock in any automated quotation system unless requested by the initial selling shareholder. No assurance can be given as to the liquidity of the trading market, if any, for the Series A Preferred Stock.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the Securities covered by this prospectus.

**Table of Contents**

**SELLING SECURITYHOLDERS**

We issued the Securities covered by this prospectus to the United States Department of the Treasury on November 21, 2008, in a transaction exempt from the registration requirements of the Securities Act. This initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the Securities they own. The Securities that may be offered under this prospectus for the account of the selling securityholders are:

67,000 shares of Series A Preferred Stock, representing beneficial ownership of 100% of the shares of Series A Preferred Stock outstanding on the date of this prospectus;

a Warrant to purchase 1,042,531 shares of our Common Stock; and

1,042,531 shares of our Common Stock issuable upon exercise of the Warrant, which shares, if issued, would represent ownership of approximately 3.82% of our Common Stock as of December 15, 2008.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the Securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the Securities.

We do not know whether, when or in what amounts the selling securityholders may offer any of the Securities for sale. The selling securityholders might not sell all or any of the Securities offered by this prospectus.

The initial selling securityholder has not had a material relationship with us, other than in connection with its purchase of the Securities.

Information about the selling securityholders may change over time.

**Item 15. Indemnification of Directors and Officers.**

Section 145(a) of the General Corporation Law of the State of Delaware, which is referred to in the following paragraphs as the Delaware Corporation Law, provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise. Such indemnity may be against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and if, with respect to any criminal action or proceeding, the person did not have reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the Delaware Corporation Law provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(g) of the Delaware Corporation Law provides, in general, that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any liability asserted against the person in any such capacity, or arising out of the person's status as such, regardless of whether the corporation would have the power to indemnify the person against such liability under the provisions of the law.

Article IX of Nara Bancorp's certificate of incorporation provides that Nara Bancorp shall, to the fullest extent permitted by Delaware Corporation Law, as it may be amended and supplemented from time to time, indemnify any and all directors and officers whom it shall have the power to indemnify under Section 145 of the Delaware Corporation Law from and against any and all of the expenses, liabilities, or other matters referred to or covered by said Section, and the indemnification provided for therein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director or officer, and shall inure to the benefit of the heirs, executors, and administrators of such a person. To the fullest extent permitted by the Delaware Corporation Law, as it may be amended and supplemented from time to time, a director of Nara Bancorp shall not be liable to it or its stockholders for monetary damages for breach of fiduciary duty as a director.

Article VI of Nara Bancorp's bylaws provides that Nara Bancorp shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Nara Bancorp) by reason of the fact that the person is or was a director or officer of Nara Bancorp, or is or was serving at the request of Nara Bancorp as a director or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Nara Bancorp, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Article VI of Nara Bancorp's bylaws also provides that Nara Bancorp shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of Nara Bancorp to procure a judgment in its favor by reason of the fact that the person is or was a director or officer of Nara Bancorp, or is or was serving at the request of Nara Bancorp as a director or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Nara Bancorp; except that no indemnification shall be made in respect of any claim, issue or matter as to which the person shall have been adjudged to be liable to Nara Bancorp unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Any indemnification under Article VI of Nara Bancorp's bylaws, unless ordered by a court, shall be made by Nara Bancorp only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in Article VI.

Nara Bancorp also maintains a directors' and officers' insurance policy which insures the directors and officers of Nara Bancorp against liability asserted against such persons in such capacity whether or not such directors or officers have the right to indemnification pursuant to the bylaws or otherwise.

The foregoing is only a general summary of certain aspects of the Delaware Corporation Law and the Nara Bancorp's certificate of incorporation and bylaws dealing with indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of Section 145 of the Delaware Corporation Law, Article IX of Nara Bancorp's certificate of incorporation and Article VI of Nara Bancorp's bylaws.

**Item 17. Undertakings.**

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act of 1933");

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of Securities offered (if the total dollar value of Securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

*provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the Securities offered therein, and the offering of such Securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the Securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of Securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the Securities in the registration statement to which that prospectus relates, and the offering of such Securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

**Table of Contents**

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the Securities:

The undersigned registrant undertakes that in a primary offering of Securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the Securities to the purchaser, if the Securities are offered or sold to such purchaser by means of any of the following communications the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such Securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its Securities provided by or on behalf of the undersigned Registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the Securities offered therein, and the offering of such Securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the Securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
