**Item 1.01 Entry into a Material Definitive Agreement**

On January 6, 2008, NightHawk Radiology Holdings, Inc. (the Company) entered into a registration rights agreement with Dr. Paul Berger, the Company's chairman of the board and former chief executive officer, and Mr. Jon Berger, a former director and senior vice president of the Company. The Company and its former executives agreed to negotiate such an agreement pursuant to the terms of transition and separation agreements, each dated as of November 14, 2008, by and between the Company and each of the executives, copies of which were exhibits to the Company's Current Report on Form 8-K previously filed on November 17, 2008.

Pursuant to the terms of the registration rights agreement, beginning on April 1, 2009, the former executives are collectively entitled to two demand registrations for shares of common stock of the Company held by them. At the former executives' election, the common stock to be sold in one of the registrations may be sold in an underwritten offering. With the exception of underwriters' discounts, if any, and certain other limitations, the Company will be responsible for the expenses incurred in connection with such registrations. The registration rights agreement provides for the indemnification of the former executives for certain liabilities that may arise under the Securities Act of 1933.

A copy of the registration rights agreement is attached hereto as Exhibits 99.1, and is incorporated herein by reference.
