Item 1.01. Entry into a Material Definitive Agreement.

On August 5, 2009, Petrohawk Energy Corporation (the Company) entered into an underwriting agreement (the Underwriting Agreement), pursuant to which the Company agreed to sell an aggregate of 25,000,000 shares of its common stock, \$0.001 par value (the Common Stock) to the underwriters named in the Underwriting Agreement (the Underwriters). Pursuant to the Underwriting Agreement, the Company granted the Underwriters a 30-day option to purchase up to an additional 3,750,000 shares of Common Stock at the public offering price less underwriting discounts and commissions.

The Company expects that the closing of the transaction under the Underwriting Agreement will occur on or about August 11, 2009, subject to customary closing conditions. The net proceeds from the sale of the Common Stock to be sold pursuant to the Underwriting Agreement (not including Common Stock to be sold pursuant to the Underwriters' option to purchase additional shares) are estimated to be approximately \$549.1 million (after deducting underwriting discounts and commissions and estimated expenses).

The offering was made pursuant to the Company's shelf registration statement on Form S-3ASR (File No. 333-137347) filed with the Securities and Exchange Commission on September 15, 2006.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, other obligations of the parties, and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

Certain of the Underwriters and their related entities have provided, and may in the future provide, investment and commercial banking or financial advisory services to the Company and its affiliates for which they have received, and expect to receive, customary fees and commissions. Affiliates of certain of the Underwriters are lenders under the Company's senior revolving credit facility.
