IRSA INVERSIONES Y REPRESENTACIONES SOCIEDAD ANÓNIMA

(THE COMPANY)

REPORT ON FORM 6-K

Attached is an English translation of the summary of the letter dated November 24, 2010 filed by the Company with the *Comisión Nacional de Valores* and the *Bolsa de Comercio de Buenos Aires*.

By letter dated November 24, 2010, the Company updated the information duly filed on July 7, 2008 under which the Company reported the acquisition of 30% of Metropolitan 885 Third Avenue LLC (Metropolitan), a company incorporated under the laws of Delaware, United States, whose main asset is the Lipstick Building, an office building in New York City, located on Third Avenue entity 53 and 54 street in the district of Manhattan, and the associated debt to the aforementioned asset. During the months of October and November 2010 conversations were held with Metropolitan's creditors, and as a result the parties involved reached an agreement in order to restructure the debt as follows (i) mortgage debt would be reduced from U.S. \$ 210 million to U.S. \$ 130 million at a rate of Libor + 400 basis points (with a maximum rate of 6.25%) with a maturity term of 7 years; and (ii) junior debt of U.S.\$ 50 million would be canceled by the payment of U.S. \$ 2.25 million. This renegotiation has been approved by both creditors and is subject to court approval.

The aforementioned restructuring would represent a debt reduction of U.S.\$ 128 million. Additionally to the restructured debt, will remain two Ground Leases with its original terms and conditions for a remaining term of 66 years. Previously, on August 4, 2010, and with the sole purpose of facilitating the debt renegotiation with Metropolitan's creditors, the Company entered into an Escrow Agreement and transferred the sum of U.S. \$ 15 million as a good faith deposit.

If the restructuring is approved by the Court, the Company would be part of a new company holding this asset, with the debt reduced as previously mentioned. In such case, the interest of the Company in no case will exceed 49%, and would leave with no effect the put right to sell 50% of the originally acquired interest. Eventually the company would assume certain commitments to assure the fulfillment of certain obligations. Given the eventuality of the approval, we cannot assure the final terms and conditions as of the date hereof.
