Forward-Looking Statements

In connection with the pending transaction with RehabCare Group, Inc. ("RehabCare"), Kindred Healthcare, Inc. ("Kindred") has filed with the Securities and Exchange Commission (the "SEC") a Registration Statement on Form S-4 that will include a joint proxy statement of Kindred and RehabCare. Kindred and RehabCare will mail the definitive proxy statement/prospectus to their respective stockholders.

You may obtain a free copy of the joint proxy statement/prospectus (when available) and other related documents filed by

Kindred and RehabCare with the SEC may also be obtained for free by accessing Kindred's website at www.kindredhealthcare.com then clicking on the link for SEC Filings or by accessing RehabCare's website at www.rehabcare.com and clicking on the link for SEC Filings.

Kindred, RehabCare and their respective directors, executive officers and certain other members of management and employees are soliciting the support of their respective stockholders in favor of the pending transaction. Information regarding the persons who may, under the rules of the SEC, solicit the support of stockholders in connection with the pending transaction will be set forth in the joint proxy statement/prospectus. Information about Kindred's executive officers and directors in Kindred's definitive proxy statement filed with the SEC on August 11, 2009, and RehabCare's executive officers and directors in its definitive proxy statement filed with the SEC on March 23, 2010. You can obtain copies of Kindred or RehabCare, respectively, using the contact information above.

Information set forth in this presentation contains forward-looking statements, which involve a number of risks and uncertainties. You should understand that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those stated in this information. Such forward-looking statements include, but are not limited to, statements about the benefits of the business combination of Kindred and RehabCare, including future financial and operating results, the combined company's plans, objectives, expectations and intentions, and other historical facts.

The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (a) the timing of regulatory approvals and the satisfaction of the closing conditions to the acquisition of RehabCare by Kindred, including approvals from the stockholders of the respective companies, and Kindred's ability to complete the required financing as contemplated by the financial statements; (b) the ability to integrate the operations of the acquired hospitals and rehabilitation services operations and realize the anticipated revenues, economies of scale and productivity gains in connection with the RehabCare acquisition and any other acquisitions that may be undertaken during 2010; (c) the potential for unanticipated issues, expenses and liabilities associated with those acquisitions and the risk that RehabCare fails to meet its operating targets; (d) the potential for diversion of management time and resources in seeking to complete the RehabCare acquisition and the potential failure to retain key employees of RehabCare; (e) the impact of Kindred's significantly increased levels of indebtedness as a result of the RehabCare acquisition on Kindred's funding costs, operating flexibility and ability to fund ongoing operations with additional borrowings, particularly in the current capital markets; (f) the potential for dilution to Kindred stockholders as a result of the RehabCare acquisition; and (g) the ability to meet the terms of its debt obligations, including Kindred's obligations under financings undertaken to complete the RehabCare acquisition. Kindred, pursuant to its master lease agreements with Ventas, Inc. (NYSE:VTR). Additional factors that may affect future results are contained in the proxy statement filed with the SEC,

and RehabCare disclaim any obligation to update and revise statements contained in these materials based on new information.

Strong operating cash
flows and ability to
delever

Management intends to delever, but is comfortable at expected leverage levels and has successfully
operated business at higher levels in the past

Enhanced operating cash flow provides the ability to significantly delever over time

Strong track record of successfully growing operating cash flow in highly regulated environment
Well diversified service offering
Diversified across four critical segments in the post-acute continuum with leadership positions in each segment
RehabCare adds IRF and ARU capabilities to Kindred's already strong set of capabilities
Decreased reimbursement risk profile via diversified revenue across multiple segments and payors
Leading position in attractive growing businesses
Largest provider of post-acute services in US with broadest service offering across post-acute continuum
Multiple avenues for growth, multiple earnings streams
Long-term growth prospects supported by strong demographic trends and significant increase in the incidence of chronic diseases
Enhances growth and margin profile
Enhanced margins throughout income statement; accelerated growth prospects
Scale economies and related combination synergies help to accelerate operating profit and earnings growth of combined company
Declining rent and fixed charge burden
Rent expense declines as a % of revenues;
