**Cautionary Note Regarding Forward-Looking Statements**

This Report, the exhibit hereto and the statements of representatives and partners of BioDelivery Sciences International, Inc. (the Company) related thereto contain, or may contain, among other things, certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve significant risks and uncertainties. Such statements may include, without limitation, statements with respect to the Company's plans, objectives, projections, expectations and intentions, operations oversight, bringing on and managing new relationships, clinical trials, demand for products and product-candidates, and other statements identified by words such as projects, may, could, would, should, believes, expects, anticipates, estimates, intends, plans, or similar expressions. Such statements are based upon the current beliefs and expectations of the Company's management and are subject to significant risks and uncertainties, including those detailed in the Company's filings with the Securities and Exchange Commission. Actual results (including, without limitation, the results of future clinical studies of BEMA Buprenorphine and regulatory review of the product) may differ significantly from those set forth or implied in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond the Company's control). The Company undertakes no obligation to publically update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
