**PART III**

**NARRATIVE**

## Edgar Filing: IDENTIVE GROUP, INC. - Form NT 10-K/A

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report of portion thereof, could not be filed within the prescribed time period.

On March 14, 2012, the Registrant filed a Form 12b-25 disclosing that it is unable to complete the preparation of its Annual Report on Form 10-K for the year ended December 31, 2011 within the prescribed time period. This Amendment No. 1 amends and replaces the previous narrative disclosure to provide additional information regarding the reasons for the delay as follows:

The Registrant is unable to complete the preparation of its Annual Report on Form 10-K for the year ended December 31, 2011 within the prescribed time period because it experienced unforeseen delays in the collection and compilation of certain financial and other related data to be included in the report and the associated audited financial statements and notes, in particular with regard to Section 404(b) of the Sarbanes-Oxley Act ( Section 404 ). Pursuant to Section 404, management is required to make an assessment of the effectiveness of internal controls over financial reporting. Because of the increase in the Registrant's market capitalization, 2011 is the first year in which the Registrant's management and its independent auditor are required to perform this evaluation. As a result, the Registrant's financial reporting compliance requirements have been significantly expanded compared with prior years. The Registrant requires more time for management to finalize the financial statements and complete its internal control assessment and to provide the independent auditors with additional time to complete their audits. Preparing the financial statements and related information and completing the internal control evaluation could not have been completed in a timely manner without unreasonable effort or expense. The Registrant is working diligently to finalize this data and anticipates filing its Annual Report on Form 10-K for the year ended December 31, 2011 within the prescribed period allowed by Rule 12b-25.
