On March 25, 2013, PolyOne Corporation (PolyOne), an Ohio corporation, entered into an asset purchase agreement (the Agreement) with Mexichem Specialty Resins Inc. (Mexichem), a Delaware corporation and wholly owned subsidiary of Mexichem, S.A.B. de C.V., to divest PolyOne s vinyl dispersion, blending and suspension resin business (the Acquired Business).

Pursuant to the Agreement, Mexichem agreed to pay PolyOne a purchase price of \$250,000,000. The purchase price is subject to a working capital adjustment and proration related to utility charges and other similar periodic obligations of the Acquired Business. The Agreement contains customary representations, warranties, covenants and indemnities relating to the Acquired Business. The representations and warranties relate to, among other things, corporate matters, the financial and operating condition and historical results of the Acquired Business, the assignment to Mexichem of intellectual property and real property rights necessary for Mexichem to conduct the Acquired Business, the absence of undisclosed legal disputes, labor disputes and environmental matters that might materially affect the Acquired Business, and compliance with applicable laws.

The Agreement provides that the consummation of the contemplated transaction is subject to the expiration or termination of the regulatory antitrust waiting periods, as well as other customary closing conditions.
