**PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON TUESDAY, MAY 7, 2013**

This proxy statement and the accompanying proxy are first being mailed on or about April 19, 2013. The accompanying proxy is solicited by the board of directors of the Company.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

1. Q: Who is entitled to vote?

A: Stockholders of record at the close of business on Tuesday, March 26, 2013, the record date, are entitled to vote at the annual meeting.

2. Q: What may I vote on?

A: You may vote on:

- (1) the election of one nominee to serve on the board of directors for three years; and
- (2) any other business properly presented at the meeting.

3. Q: How do I vote?

A: Sign, date and return each proxy card you receive in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** the election of the nominee for director and in the proxies discretion with respect to any other matter properly presented at the meeting. Abstentions, broker non-votes and proxies directing that the shares are not to be voted will not be counted as a vote in favor of the nominee.

4. Q: How does the board of directors recommend I vote on the proposal to elect the nominee for director?

A: Your board of directors recommends that you vote **FOR** the nominee for director.

5. Q: How can I revoke my proxy?

A: Attending the meeting is not sufficient to revoke your proxy unless you also take one of the following actions. You have the right to revoke your proxy at any time by:

- (1) notifying our corporate secretary in writing before the meeting;
- (2) voting in person; or
- (3) returning a later-dated proxy card before the meeting.

6. Q: How many shares can vote at the annual meeting?

A: As of the record date, there were 1,525,166 shares of common stock, par value \$0.10 per share (the Common Stock) outstanding and entitled to vote at the annual meeting. You are entitled to one vote for each share of Common Stock you hold.

7. Q: What is a quorum ?

A: A quorum is a majority of the outstanding shares. A quorum may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be valid. If you submit a properly executed proxy card, even if you abstain from voting, you will be considered part of the quorum. In addition, broker non-votes will be counted toward determining the presence of a quorum.

8. Q: What vote is required to elect the directors?

A: A plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors is necessary to elect the nominee for director. Abstentions and shares held by brokers that have been designated as not voted will be counted for purposes of determining a quorum, but will not be counted as votes cast in favor of the election of the director. Mr. Gumbiner, the chairman of the board of directors, beneficially owns approximately 65.7% of the outstanding shares and, therefore, will determine the outcome of the election. He has indicated that he intends to vote his shares in favor of the nominee.

9. Q: Who may attend the annual meeting?

A: Only stockholders and their properly authorized representatives may attend the meeting. To be able to attend the meeting, you must contact Mr. Richard Kelley at 800.225.0135 no later than Thursday, May 2, 2013, and notify him that you or your authorized representatives plan to attend the meeting, providing the name of the person(s) planning to attend on your behalf.

SOLICITATION OF PROXIES

The cost of preparing, assembling, printing and mailing this proxy statement and the enclosed proxy form and the cost of soliciting proxies related to the annual meeting will be borne by the Company. The Company will request banks and brokers to solicit their customers who are beneficial owners of shares of Common Stock listed of record in names of nominees, and will reimburse those banks and brokers for the reasonable out-of-pocket expenses of the solicitation. The original solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers and other regular employees of the Company and its subsidiaries, but no additional compensation will be paid to those individuals on account of their activities. In addition, the Company has retained Georgeson Inc. to assist in the distribution of proxy materials, and the Company estimates that Georgeson Inc.'s total fees and expenses will be approximately \$4,000.

PROPOSAL NO. 1

ELECTION OF DIRECTOR

The Company's board of directors is divided into three classes serving staggered three-year terms.

The individuals named on the enclosed proxy card intend to vote for the election of the nominee listed below, unless you direct them to withhold your vote. The nominee has indicated that he is able and willing to serve as a director. However, if for some reason the nominee is unable to stand for election or becomes unwilling to serve for good cause, the individuals named as proxies may vote for a substitute nominee. The nominee for director must be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

Below are the names and ages of the nominee and of the directors whose terms of office will continue after the annual meeting, the year in which each director was first elected as a director of the Company, their principal occupations or employment for at least the past five years and any other directorships in public companies that they have held in the past five years. In addition to the information presented below regarding each director's specific experience, qualifications, attributes and skills that led our board of directors to the conclusion that he should serve as a director, we also believe that all of our directors have a reputation for integrity, honesty and adherence to high ethical standards.

The following is information about the nominee:

Nominee for Election for a Three-Year Term Ending with the 2016 Annual Meeting

Michael R. Powers

Mr. Powers, age 62, has served as a director of the Company since 2012. He has also been a director of Ankor Holdings Limited, an international commodities trading company with offices in Hong Kong, Monaco and Qatar specializing in the physical and electronic trading of natural resources, since 2011. Since 1998, Mr. Powers has also served as a director of Monte Carlo Entertainment, SAM, a sports management company owning and promoting professional sports events, including ATP pro tennis tournaments and annual PGA senior golf events. Since 2003, Mr. Powers has served as a principal of Monaco Powers SC, a consulting firm working as an advisor primarily to companies in the oil and gas, real estate and sports entertainment industries, including Sotheby's France, Royal Riviera Royalty and Emotion Sports Management Group Austria.

We believe Mr. Powers' qualifications to serve on the board of directors include his experience as serving as a director of other companies, his entrepreneurial experience, as well as his vast experience and knowledge that he has obtained from working as an advisor to multiple companies across varying industries.

Director Continuing in Office Until the 2014 Annual Meeting

Charles A. Crocco, Jr.

Mr. Crocco, age 74, has served as a director of the Company since 1981. He is an attorney, and was Counsel to Crocco & De Maio, P.C. through March 2003. He is a Securities Arbitrator in proceedings brought under the auspices of the Financial Industry Regulatory Authority (formerly National Association of Securities Dealers). He also served as a director of First Banks America, Inc., a bank holding company, from 1989 until December 2002.

We believe that Mr. Crocco's qualifications to serve on the board of directors include his leadership experience and knowledge of the Company and its business that he has obtained through serving as a director of Company, his experience as a director of other companies, as well as his experience as a business and litigation attorney.

Directors Continuing in Office Until the 2015 Annual Meeting

Anthony J. Gumbiner

Mr. Gumbiner, age 68, has served as a director and Chairman of the Board of the Company since 1981, and Chief Executive Officer of the Company since 1984. He also served as President and Chief Operating Officer from December 1999 to March 2005. He also served as a director and Chairman of the board of directors of Hallwood Energy Management, LLC, the general partner of Hallwood Energy, L.P. (Hallwood Energy) until February 2009. Hallwood Energy Management, LLC, Hallwood Energy and its subsidiaries filed petitions for relief under Chapter 11 of the United States Bankruptcy Code on March 1, 2009. He served as a director of Hallwood Realty, LLC, the general partner of Hallwood Realty Partners, L.P. (HRP) and its predecessor until HRP was sold in July 2004. Mr. Gumbiner was a director and officer of Hallwood Energy Corporation until its sale in December 2004 and of Hallwood Energy III, L.P. until its sale in July 2005. He has served as a director of The Local Radio Company PLC since November 2008. Mr. Gumbiner is also a solicitor of the Supreme Court of Judicature of England.

We believe Mr. Gumbiner's qualifications to serve on the board of directors include his leadership experience and knowledge of the Company and its business that he has obtained through serving as its Chairman of the Board and Chief Executive Officer and through the other positions he has held with the Company, along with his significant equity interest in the Company, as well as his experience as a director of other companies.

Amy H. Feldman

Ms. Feldman, age 60, has served as a director of the Company since 2012. She has been a Realtor representing Timbers Resorts' properties in Snowmass Village, Colorado and Tuscany, Italy since 2002. From 1990 to 2001, Ms. Feldman was an owner or co-owner of Jordan Communications, Inc., a Miami-based public relations and event management agency with specialties in retail communication and marketing, real estate media relations, as well as sports-related event management and media relations. From 1983 to 1988, she was a Certified Public Accountant with Coopers & Lybrand.

We believe Ms. Feldman's qualifications to serve on the board of directors include her experience and background in finance and accounting, her entrepreneurial experience and her business ownership and executive management experience in operations and financial analyses.

Except as indicated above, neither the nominee or the continuing directors have in the last five years held a directorship in any company with a class of securities registered under Section 12 of the Securities Exchange Act of 1934, or subject to the requirements of Section 15(d) of the Securities Exchange Act or any company registered as an investment company under the Investment Company Act of 1940. Each of Messrs. Crocco and Powers and Ms. Feldman are independent directors under the standards of the NYSE MKT stock exchange, upon which the Company's Common Stock is listed for trading.

No family relationships exist between the nominee, the directors and the executive officers.

The board of directors unanimously recommends a vote FOR the election of the nominated individual.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

Messrs. Crocco (Chairman) and Powers and Ms. Feldman currently serve as members of the Company's audit committee. The audit committee met nine times during 2012 and was charged with the responsibility of reviewing the annual audit report and the Company's accounting practices and procedures, and recommending to the board of directors the independent registered public accounting firm to be engaged for the following year.

The board of directors does not have a standing nominating or compensation committee. Because Mr. Gumbiner holds more than 50% of the Company's voting securities, and thus controls the vote of the Company's stockholders, the Company is a controlled company under the rules of the NYSE MKT stock exchange and is not required, nor does the Board believe it is necessary, to have separate nominating and compensation committees.

During the year ended December 31, 2012, the board of directors held six meetings. Each director attended at least 75% of (1) the total number of meetings held by the board of directors, and (2) the total number of meetings held by all committees of the board of directors on which he served.

While the Company does not have a formal policy requiring them to do so, the Company encourages its directors to attend the annual meeting of stockholders. Last year, Messrs. Gumbiner and Crocco attended the annual meeting by telephone. Each current member of the board of directors and the director nominee has indicated his or her intent to attend the 2013 Annual Meeting.

Board Leadership Structure and Role in Risk Oversight

The Company's chief executive officer, Mr. Gumbiner, also serves as the chairman of the board of directors. The board of directors believes that this leadership structure is optimal for the Company at this time because Mr. Gumbiner's extensive experience and history with the Company, together with his significant equity interest in the Company, provides the Company with strong and consistent leadership.

Management is responsible for managing the Company's risk and for bringing to the board's attention areas of risk which are most material to the Company. The board, including through its audit committee, which is comprised solely of independent directors, regularly reviews areas of risk to the Company and advises and directs management on the scope and implementation of policies, strategy and other actions designed to mitigate risk. The Company's audit committee also reviews risks and works with management and the Company's independent auditors to identify and address areas of significant risk to the Company.

Communication With Directors

The board of directors does not provide a formal process by which stockholders may send communications to the board of directors. The Company is a controlled company under the rules of the NYSE MKT stock exchange and 65.7% of its voting securities are owned by a single stockholder. Consequently, the board of directors does not believe it is necessary to formalize such a communication process. However, stockholders may communicate with the Company or request information at any time by contacting Mr. Richard Kelley, Vice President, Chief Financial Officer and Secretary at 800.225.0135.

Code of Business Conduct and Ethics

The board of directors has adopted a Code of Business Conduct and Ethics that applies to all employees, including those officers responsible for financial matters. The Code of Business Conduct and Ethics may be accessed through the Company's website at www.hallwood.com. Any amendments to or waivers of the Code of Business Conduct and Ethics will be promptly disclosed on the Company's website. Any stockholder may request a printed copy of the Code of Business Conduct and Ethics by contacting Mr. Richard Kelley, Vice President, Chief Financial Officer and Secretary at 800.225.0135.

Mr. Gumbiner did not personally receive any additional compensation for his services as Chief Executive Officer of the Company.
- (2) The amount shown in this column is for Mr. Gumbiner's life insurance premiums. In addition to the amounts shown in the table, the Company reimbursed HIL \$289,521 in 2012 and \$303,079 in 2011 for reasonable expenses in providing office space and administrative services to Mr. Gumbiner in Europe. - (3) In May 2012, to fund in part the payment of a judgment, the Company entered into a \$10,000,000 loan with Hallwood Family (BVI) L.P., a limited partnership associated with Mr. Gumbiner. The loan bears interest at 6%, payable on a quarterly basis. The interest expense for 2012 was \$349,205, of which \$133,370 was unpaid as of December 31, 2012. The loan's maturity date was extended on March 11, 2013 to June 30, 2015.

For the fiscal year ending December 31, 2012, there were no equity or other awards granted, exercised or outstanding and no pension or nonqualified deferred compensation was paid to any of the Company's executive officers.

As discussed above, as a controlled company under the rules of the NYSE MKT stock exchange, the Company is not required to have a standing compensation committee. The Company's board of directors is responsible for annually reviewing, approving and establishing compensation for the Company's executive officers and directors. Aside from Mr. Gumbiner, the Company's Chief Executive Officer who is also the Chairman of the Company's board of directors, none of the Company's executive officers serve as a member of the Company's board of directors. Mr. Gumbiner participates in discussions concerning the compensation of the Company's executive officers other than himself. The Company has not engaged any consultants to provide advice regarding compensation matters.

Potential Payments Upon Termination or Change-in-Control

The only incremental payments to which named executive officers are entitled upon severance or change in control of the Company are provided under employment or consulting agreements and The Hallwood Group Incorporated 2005 Long-Term Incentive Plan For Brookwood Companies Incorporated (LTI Plan). Ms. Brookman participates in the LTI Plan.

The LTI Plan generally defines a change of control transaction as a transaction approved by the Company's board of directors or by the holders of at least 50% of the voting capital stock of the Company that results in: (i) a change in beneficial ownership of the Company or Brookwood of 50% or more of the combined voting power, (ii) the sale of all or substantially all of the assets of Brookwood, or (iii) any other transaction that, in the Company's board of directors' discretion, has substantially the same effect as item (i) or (ii). Certain transfers, generally among existing stockholders and their related parties, are exempted from the definition.

Under the LTI Plan, upon a change of control transaction, each participant is entitled to receive a cash payment equal to the sum calculated by (i) dividing the number of units held by that participant by the 10,000 total units authorized under the LTI Plan, and (ii) multiplying the result by 15% of the amount by which (a) the net fair market value of all consideration received by the Company or its stockholders as a result of the transaction exceeds (b) the sum of the liquidation preference plus accrued but unpaid dividends on the Series A Preferred Stock of Brookwood at the time of the transaction. At December 31, 2012, the sum of the liquidation preference plus accrued but unpaid dividends on the Series A Preferred Stock of Brookwood was \$14,061,250. If the Board determines that certain specified officers, or other persons performing similar functions do not have, prior to the change of control transaction, in the aggregate an equity or debt interest of at least two percent in the entity with whom the change of control transaction is completed, then the minimum amount to be awarded under the LTI Plan will be \$2,000,000. In addition, the Company agreed that, if members of Brookwood's senior management do not have, prior to a change of control transaction, in the aggregate an equity or debt interest of at least two percent in the entity with whom the change of control transaction is completed (exclusive of any such interest any such individual receives with respect to his or her employment following the change of control transaction), then the Company will pay Ms. Brookman an additional \$2,600,000.

The Company is a party to a financial consulting agreement with HIL under which Mr. Gumbiner provides international consulting and advisory services to the Company and its affiliates. The financial consulting agreement between the Company and HIL was originally entered into as of December 31, 1996 and had an original termination date of July 31, 1998. However, it provides that, unless either party terminates the agreement upon at least 30 days written notice, then at the end of each period it is to be continued for an additional one year period on the same terms and conditions. The Company may, however, terminate the agreement for (i) any act of dishonesty on the part of HIL resulting or intended to result directly or indirectly in personal gain or benefit at the expense of the Company or material damage of or to property of the Company; (ii) any act of fraud, misappropriation, embezzlement or willful misconduct by HIL or (iii) the willful breach or repeated, habitual neglect by HIL of its duties under the agreement. Therefore, if the agreement is terminated by the Company other than for one of the permitted reasons or pursuant to a timely written notice of non-renewal of the contract, the Company would be required to pay the amounts to be paid under the contract for the remainder of the one year renewal term.

The consulting agreement with HIL does not contain any other provision that would require potential payments in the event of a termination or change of control. No other agreements exist between the Company and HIL or Mr. Gumbiner that would require potential payments in the event of termination or change in control.

Compensation of Directors

The following table sets forth the amounts paid to the Company's outside directors for their service as directors of the Company for the year ended December 31, 2012. Information concerning amounts paid to Mr. Gumbiner, the Company's Chairman and Chief Executive Officer, is included in the preceding tables.

Director Compensation for 2012

Name	Fees Earned or			Non-Equity	Nonqualified	All Other Compensation	Total
	Paid in Cash	Stock Awards	Option Awards	Incentive Plan Compensation	Deferred Compensation Earnings		
	(\$)	(\$)	(\$)	(\$)	(\$)	(\$)	(\$)
Charles A. Crocco, Jr.	64,630	0	0	0	0	0	64,630
Amy H. Feldman	38,688	0	0	0	0	0	38,688
Michael R Powers	38,813	0	0	0	0	0	38,813

For the year ended December 31, 2012, Mr. Crocco received ordinary director fees totaling \$50,000, whereas Ms. Feldman and Mr. Powers each received \$37,500. Additionally, the outside directors from time to time form special committees and receive a meeting attendance fee of \$1,000 per meeting and \$125 per hour for other time expended outside of the formal meetings in connection with the performance of the duties of a special committee matter. During 2012, there were nine special committee meetings. Each director is also reimbursed for expenses reasonably incurred in connection with the performance of his or her duties.

EMPLOYMENT AGREEMENTS

During the year ended December 31, 2012, Brookwood had a compensation letter (the Letter) with Ms. Brookman. The Letter provided for payment of a salary of \$300,000 per year plus an annual bonus in an amount of the greater of 5% of Brookwood's earnings before taxes (with certain adjustments) or a minimum of \$300,000. In addition, the Letter provided for a car allowance of \$500 per month. The Letter does not provide for severance or termination benefits.

In addition, the Company is a party to the Financial Consulting Agreement with HIL described under Potential Payments Upon Termination and Change-in-Control and Certain Relationships and Related Transactions.

REPORT OF THE AUDIT COMMITTEE

Since May 2012, the audit committee has been composed of three directors and operates under an Amended and Restated Audit Committee Charter, adopted by the board of directors according to the rules and regulations of the NYSE MKT stock exchange. The board of directors has determined that all members of the Company's audit committee are independent, as defined by the NYSE MKT's Listed Company Guide. The board of directors determined that Ms. Feldman was an audit committee financial expert, as defined by the Securities and Exchange Commission (SEC). Ms. Feldman has served on the board of directors and the audit committee since May 2012.

Management is responsible for the Company's internal controls and the financial reporting process. Deloitte & Touche LLP (D&T), the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board. The audit committee's responsibility is to monitor and oversee these processes. The audit committee also recommends to the board of directors the selection of the Company's independent registered public accounting firm.

In this context, the audit committee reviewed and discussed the audited consolidated financial statements with both management and D&T. Specifically, the audit committee has discussed with D&T matters required to be discussed by the statement on Auditing Standards No. 61 (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The audit committee received from D&T the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding D&T's communications with the audit committee concerning independence, and has discussed with D&T the issue of its independence from the Company.

It is not the audit committee's duty or responsibility to conduct auditing or accounting reviews or procedures. Therefore, the audit committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in accordance with the standards of the Public Company Accounting Oversight Board, and on the representations of the independent registered public accounting firm included in its report on the Company's consolidated financial statements. The audit committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm is in fact independent .

Based on the audit committee's review of the audited financial statements and its discussions with management and D&T noted above and the report of the independent registered public accounting firm to the audit committee, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012.

PROCEDURES FOR DIRECTOR NOMINATIONS

As discussed above, as a controlled company under the rules of the NYSE MKT stock exchange, the Company is not required to have a standing nominating committee or a written charter governing the nomination process. As a result, the full board of directors, of which each of the members other than Mr. Gumbiner is independent, serves that function.

The Company's bylaws provide that a stockholder may nominate a person for election as a director at an annual meeting if written notice of the stockholder's intent to make the nomination has been given to the Secretary of the Company at least 90 days in advance of the meeting or, if later, the tenth day following the first public announcement of the date of the meeting. Such notices must comply with the provisions of the bylaws.

In the event that a stockholder meeting the requirements and following the procedures of the bylaws were to propose a nominee, or if a vacancy occurs, the board of directors will identify candidates with superior qualifications and personally interview them and, if appropriate, arrange to have members of management interview such candidates. Preferred candidates would display the highest personal and professional character and integrity and have outstanding records of accomplishment in diverse fields of endeavor. Candidates should have demonstrated exceptional ability and judgment and have substantial expertise in their particular fields. Candidates with experience relevant to the Company's business would be preferred. The board of directors, upon evaluation and review of the candidates, would determine who to recommend to the stockholders for approval or to fill any vacancy. The board of directors would use the same criteria for evaluating nominees recommended by stockholders as for those referred by management or any director. The Company does not pay and does not anticipate paying any fees to third parties for identifying or evaluating candidates for director.

The Company's board of directors has no formal policy with regard to the consideration of diversity in identifying director candidates; however, the Company believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities.
