**Item 1.01 Entry into a Material Definitive Agreement**

On July 24, 2013, Customers Bancorp, Inc. (the Company) and Customers Bank, the Company's wholly owned banking subsidiary (the Bank), entered into an underwriting agreement (the Underwriting Agreement) with Janney Montgomery Scott LLC, as representative of the underwriters named therein (collectively, the Underwriters), relating to the issuance and sale of \$55 million in aggregate principal amount of the Company's 6.375% senior notes due 2018 (the Notes). Pursuant to the terms of the Underwriting Agreement, the Company also granted the Underwriters a 30-day option to purchase up to an additional \$8,250,000 in aggregate principal amount of the Notes sold in the offering, to cover over-allotments, if any. The Notes are to be issued pursuant to an indenture, to be dated as of July 30, 2013, between the Company and Wilmington Trust, National Association, as trustee, as amended and supplemented by the First Supplemental Indenture thereto, to be dated as of July 30, 2013.

The net proceeds of the offering are estimated to be approximately \$52,634,000, after deducting the Underwriters' discounts and commissions and estimated offering expenses payable by the Company, or approximately \$60,564,000 if the underwriters exercise their overallotment option in full. The Company intends to use the net proceeds of the offering to invest in Customers Bank, fund organic growth and for working capital and other general corporate purposes. The Company may also use a portion of the net proceeds to pursue acquisitions in its current and prospective markets. The offering is expected to close on July 30, 2013, subject to customary closing conditions.

The Company and the Bank have made certain customary representations, warranties and covenants in the Underwriting Agreement concerning the Company and the Bank and the registration statement, prospectus and prospectus supplements relating to the offering of the Notes. In addition, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended. The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to that agreement, a copy of which is filed as Exhibit 1.1 to this report and is incorporated herein by reference.

The offering was made pursuant to the Company's effective registration statement on Form S-3 (Registration Statement No. 333-188040) previously filed with the SEC, including the prospectus contained therein, and the preliminary prospectus supplement dated July 22, 2013 and final prospectus supplement dated July 24, 2013 filed by the Company with the SEC relating to this offering.
