Item 2.02 Results of Operations and Financial Condition.

On October 24, 2013, BioMarin Pharmaceutical Inc. (the Company) announced financial results for its third quarter ended September 30, 2013. The Company's press release issued on October 24, 2013, is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

In its press release, the Company presented net loss for the three and nine months ended September 30, 2013 and September 30, 2012 and financial guidance for the year ending December 31, 2013, both as determined in accordance with U.S. Generally Accepted Accounting Principles (GAAP) and on a non-GAAP basis. In the press release, the non-GAAP financial measures presented are based on GAAP Earnings Before Interest, Taxes, Depreciation and Amortization (EBITDA), and further adjusted to exclude non-cash stock compensation expense, non-cash contingent consideration expense and certain nonrecurring material items, such as debt conversion expense (Non-GAAP Adjusted EBITDA). The Company also included in its press release Total BioMarin Revenues (excluding Aldurazyme Net Product Transfer Revenue) and Aldurazyme Royalty Revenue (excluding Net Product Transfer Revenue) on a non-GAAP basis. The reconciliation of these non-GAAP financial measures to the comparable GAAP financial measures are included in the press release attached hereto as Exhibit 99.1.

The Company believes this non-GAAP information is useful to investors taken in conjunction with the Company's GAAP information because it provides additional information regarding the performance of the Company's core ongoing business, Naglazyme, Kuvan, Aldurazyme and Firdapse and development of its pipeline. By providing information about both the overall GAAP financial performance and the non-GAAP measures that focus on continuing operations, the Company believes that the additional information enhances investors' overall understanding of the Company's business and prospects for the future. Further, the Company uses both GAAP and non-GAAP results and expectations internally for its operating, budgeting and financial planning purposes.

The information in this Form 8-K and the exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities under that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.
