PROSPERITY BANCSHARES, INC.[®]

ANNOUNCES MANAGEMENT CHANGES

HOUSTON, January 29, 2014. Prosperity Bancshares, Inc.[®] (NYSE: PB) (Prosperity), the parent company of Prosperity Bank[®] (the Bank), has announced several management changes.

Chris Bagley, Executive Vice President and Chief Credit Officer of Prosperity and Senior Executive Vice President and Chief Credit Officer of the Bank, has resigned to pursue another opportunity. On behalf of everyone at Prosperity, we would like to thank Chris for the many contributions he has made to the organization over the years. We wish Chris success in his new endeavor, commented David Zalman, Chairman and Chief Executive Officer of Prosperity.

Merle Karnes, the former Chief Credit Officer of American State Bank, which Prosperity acquired in 2012, will serve as Chief Credit Officer of the Bank. Mr. Karnes has 40 years of commercial credit experience in the following areas large corporate, middle market, small business, commercial finance, credit policy/administration, loan workout and loan review. Craig Friemel, the former Chief Credit Officer of First Victoria National Bank (FVNB), which Prosperity acquired in November 2013, will oversee the Note Department and will report to Mr. Karnes. Mr. Friemel served as Chief Credit Officer of FVNB for 8 years and prior to that, served as the Head of Commercial Lending at FVNB for 22 years. These individuals have a significant amount of credit-related experience in the banking industry and Prosperity expects a smooth transition of Mr. Bagley s duties. Randy Hester will continue to serve as the Bank s Chief Lending Officer.

Prosperity and the Bank have also made several changes in the Corporate area. Michael Epps, the former President of American State Bank, has been promoted to Senior Executive Vice President/Financial Operations and Administration of the Bank and Executive Vice President of Prosperity and will serve on the Executive Committee of the Bank and Prosperity. Mr. Epps had been serving as the Area Chairman of the Bank s West Texas Area.

Further, Theresa Hollaway has been promoted to Chief Risk Officer of the Bank. Ms. Hollaway has been with the Bank for 23 years and has served in various capacities within the Bank's operational departments, including overseeing many aspects of the operational integration of acquired banks.

Additional changes made in the West Texas Area are the promotion of Tony Whitehead, President West Texas Area, to Chairman West Texas Area and the promotion of Mike Marshall and Gary Galbraith as Presidents of the West Texas Area. Mr. Marshall was the Regional President of the Midland/Odessa market and Mr. Galbraith was the Regional President of the Abilene market.

Finally, the Board of Directors of Prosperity has nominated William T. Luedke IV for election as a director of Prosperity at the annual meeting of shareholders scheduled for April 15, 2014. Mr. Luedke is a partner in the financial institutions section at Bracewell & Giuliani LLP, where he has practiced for 35 years, representing numerous financial institutions in corporate finance, mergers and acquisitions and regulatory matters. In 2014, Mr. Luedke entered the firm's voluntary partner phase down program and will not be active in the practice of law.

Prosperity is very fortunate to have the depth and breadth of experience highlighted above within its organization. These individuals have been, and will continue to be, an important part of our organization and our ability to continue to provide excellent customer service and maximize shareholder value, commented David Zalman.
