GENERAL

The Company's Board of Directors is currently comprised of one class of directors who serve one-year terms. At the Annual Meeting, we expect that eleven directors are to be elected to the Board of Directors to hold office until their successors have been elected and qualified.

We are currently seeking your proxy for the election to the Board of Directors of eight individuals — Dianne Ellis Andrews, Barry Biegler, Charles P. Black, Basil Blume, Deborah L. Chandler, Stephen H. Murray, James Kent Myers, and Thomas P. Sweeney III.

For information concerning voting procedures at the Annual Meeting, see Voting and Proxy Procedures.

BACKGROUND OF THE SOLICITATION

The following is a chronology of events leading up to this proxy solicitation.

On February 20, 2014, Ms. Stout delivered a notice to the Company proposing to nominate the Stout Nominees to stand for election at the 2014 Annual Meeting and identifying the Stout Nominees.

On March 25, 2014, the Company announced that it would be nominating eleven current directors as candidates for election at the 2014 Annual Meeting, and the Board announced its determination to not recommend the Stout Nominees.

On April 4, 2014, the Company filed the Company's Preliminary Proxy Statement with the SEC.

On April 9, 2014, in accordance with the Bylaws of the Company, Ms. Stout delivered a supplemental notice to the Company with respect to proposing to nominate the Stout Nominees to stand for election at the 2014 Annual Meeting.

On April 17, 2014, the Company filed Amendment No. 1 to the Company's Preliminary Proxy Statement with the Securities and Exchange Commission (the "SEC").

On April 22, the Company filed Amendment No. 2 to the Company's Preliminary Proxy Statement with the SEC.

On April 24, 2014, Ms. Stout submitted a request for certain stocklist materials pursuant to the Delaware General Corporation Law and applicable proxy rules and filed her Preliminary Proxy Statement with the SEC.

REASONS FOR THIS SOLICITATION

We believe that change is needed now on the Company's Board. Therefore, we are soliciting your support to elect the Stout Nominees at the Annual Meeting. We believe that the Stout Nominees would bring significant relevant experience, new insight and fresh perspectives to the Board. If elected, the Stout Nominees are committed to working constructively with the other members of the Board and using their experience to help effect more prudent and thoughtful decision making, thus helping the Company to execute a successful strategic plan for the Company for the benefit of all stockholders.

Table of Contents

In reviewing the Company's financial performance, we are discouraged by the increase in the Company's net loss for the twelve months ended December 31, 2013. As set forth in the Management's Discussion and Analysis of Financial Condition and Results of Operations section (the MD&A) of the Company's Annual Report on Form 10-K for the year ended December 31, 2013 (the

10-K), the Company's net loss for the twelve months ended December 31, 2013 was \$656,000, compared to net income of \$281,000 for the twelve months ended December 31, 2012. Among other factors, the MD&A attributes this \$937,000 decrease to (i) \$442,000 in severance costs during the fourth quarter of 2013 and the retirement of the Company's former CEO in the third quarter of 2013 and (ii) \$358,000 in restructuring charges incurred during the fourth quarter of 2013 to terminate a facility lease and suspend plans to convert the Company's Boulder loan production office into a full-service banking facility.

We believe that these two extraordinary charges totaling \$800,000 serves as an example of a lack of strategic oversight and focus on behalf of the Company's current Board. On September 12, 2013, the Company announced they had reached an agreement to lease office space in the Cherry Creek neighborhood of Denver, Colorado along with its desire to open a full-service branch in Boulder, Colorado. On January 31, 2014, the Company announced that it had taken a restructuring charge in the fourth quarter related to the termination of the Cherry Creek lease and costs related to suspending plan to expand the Boulder, Colorado facility into a full-service banking facility. Based on these disclosures, the decisions to enter this lease and then terminate it and to expand Boulder and withdraw such expansion plans were made only a few months apart and imposed significant costs on the Company.

In the 10-K, the Company cites, among other components of its business strategy, capitalizing on the diverse community involvement, professional expertise and personal and business contacts of its Directors and executive officers. While we agree that community ties can be vitally important to a community bank's business strategy, we believe that the Stout Nominees would better be able to serve the Company in such roles in communities beyond the Denver metropolitan area. Virtually all of the Company's current directors reside in the Denver metropolitan area where they presumably have most of their community ties. In putting together the slate of Stout Nominees, Ms. Stout specifically focused on increasing the geographic diversity of the Company's Board in an effort to help strengthen the bank's community ties in several regions of Colorado beyond the Denver metropolitan area. As such, the Stout Nominees have ties to Boulder, Durango, Colorado Springs, Castle Rock, Castle Pines and Idaho Springs, among other communities and Ms. Stout believes that having strategic direction from directors resident in these communities would help the Company better serve potential customers in these locations.

Ms. Stout further believes that the election of the Stout Nominees would further bolster the Board's relevant banking experience as four of the eight Stout Nominees have direct, relevant banking experience either as executives or directors of banking institutions of various sizes.

**WE STRONGLY RECOMMEND A VOTE FOR THE ELECTION
OF THE STOUT NOMINEES**

Table of Contents

PROPOSAL ONE: ELECTION OF DIRECTORS

According to the Company's Proxy Statement, the Company's Board of Directors currently consists of thirteen directors, eleven of whom are up for election at the Annual Meeting, at which time the Board will reduce the size of the Board to eleven directors.

According to the Company's Bylaws, directors hold office for one-year terms and until their successors are elected and qualified, unless prior to that time they have resigned, retired or otherwise left office. At the Annual Meeting, we expect that eleven directors are to be elected to the Board of Directors. On February 20, 2014, Ms. Stout gave notice to the Company of her intention to nominate the Stout Nominees to serve as directors of the Company.

We are seeking your proxy for the election to the Board of Directors of eight individuals: Dianne Ellis Andrews, Barry Biegler, Charles P. Black, Basil Blume, Deborah L. Chandler, Stephen H. Murray, James Kent Myers, and Thomas P. Sweeney III.

Each of the Stout Nominees has consented to being named as a nominee in this Proxy Statement and has confirmed his or her willingness to serve on the Board of Directors if elected. We do not expect that any of the Stout Nominees will be unable to stand for election. If elected at the Annual Meeting, the Stout Nominees would hold office until the Company's 2015 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified.

Based on the information furnished by the Stout Nominees, Ms. Stout believes that each of the Stout Nominees is independent within the meaning of Rule 5605(a)(2) of the Nasdaq listing standards (the definition of independence the Company has used in its Proxy Statement) and Ms. Stout has no knowledge of any facts that would prevent the determination that each of the Stout Nominees is independent under such standards.

The Stout Nominees, if elected, will constitute a majority of the directors and will alone be able to adopt resolutions or otherwise cause the Board to act. In the event that Proposal Three to reduce the size of the Board is adopted by the stockholders, the five nominees receiving the most FOR votes will be the five nominees to fill the open positions on the Board of Directors. Ms. Stout will vote proxies granted to her pursuant to this proxy solicitation only in favor of the eight Stout Nominees, regardless of the size of the board or the ability for any one or more of the Stout Nominees to sit for election to the Board. Ms. Stout will only be able to vote proxies for the Stout Nominees, and in the event that any Stout Nominee is not eligible to sit for election, Ms. Stout will not be able to vote for any other person in place of such Stout Nominee.

Biographical Information Regarding the Stout Nominees

The following information concerning the age, principal occupation and business experience during the last five years, and current directorships of the Stout Nominees has been furnished to Ms. Stout by the Stout Nominees. Except as disclosed in this Proxy Statement, there are no arrangements or understanding between any of the Stout Nominees and any other person(s) to which any such Stout Nominee was or is to be selected as a director or a nominee of the Company.

Ms. Stout was the sole member of RMOC.

As discussed above, Ms. Stout has informed the Stout Nominees that she may be potentially interested in being reinstated in her former position. However, there have been no arrangements or understandings with respect to any such reinstatement. As such, neither Ms. Stout nor any of her associates has any arrangement or understanding with any person with respect to any future employment by the Company or its affiliates or with respect to any future transaction to which the Company or any of its affiliates will or may be a party.

SOLICITATION; EXPENSES

Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, in person and by advertisements. Solicitations may also be made by Ms. Stout and the Stout Nominees, none of whom will receive compensation for such solicitation.

Ms. Stout anticipates making arrangements with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of common stock held as of the record date. Ms. Stout will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith.

The entire expense of soliciting proxies for the 2014 Annual Meeting by Ms. Stout or on Ms. Stout's behalf is being borne by Ms. Stout. Costs of this solicitation of proxies are currently estimated to be approximately \$25,000. Ms. Stout estimates that through the date hereof her expenses in connection with this solicitation are approximately \$12,000. Ms. Stout intends to seek reimbursement from the Company of all expenses she incurs in connection with this solicitation. Ms. Stout does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

VOTING AND PROXY PROCEDURES

How do I vote?

If your shares are held in your name, you may vote in any of three ways:

You may vote by mail if you complete, sign and date a proxy card and return it as directed. Your shares will be voted in accordance with your instructions;

You may vote by telephone or via the Internet in accordance with the instructions found on your proxy card; and

You may vote in person if you are a registered stockholder and attend the meeting and deliver your completed proxy card in person. At the meeting, the Company will also distribute written ballots to registered stockholders who wish to vote in person at the meeting, in which case you will be entitled to vote for up to eleven of any of the directors who appear on the ballot. Beneficial owners of shares held in street name who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Table of Contents

How do I vote shares I hold through a broker, bank or other custodian?

If you hold shares through someone else, such as a broker, bank or other custodian, you will receive voting material from that firm. You can complete the **GOLD** voting form and return it as requested by the firm. If the firm offers Internet or telephone voting, the voting form will contain instruction on how to access those voting methods. If you hold your shares in a stock brokerage account or by a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Annual Meeting.

What happens if I fail to instruct my broker?

If you hold your shares in street name through a broker, bank or other custodian, only it can vote your shares, and only upon your specific instruction. Broker non-votes occur when a bank, broker or other nominee holder has not received voting instructions with respect to a particular proposal and the nominee holder does not have discretionary power to vote on that proposal. Because this is a contested meeting, if you fail to instruct your broker on how to vote your shares, your broker will not be able to vote your shares.

What does it mean if I receive more than one GOLD proxy card?

If you hold your shares in multiple registrations, or in both registered and street name, you will receive a **GOLD** proxy card for each account. Please sign, date and return all **GOLD** proxy cards you receive. If you choose to vote by phone, or Internet, please vote once for each **GOLD** proxy card you receive. Only your latest dated proxy for each account will be voted.

To vote as we recommend, stockholders must use the **GOLD** proxy card or vote by telephone, or through the Internet in accordance with the instructions found on your **GOLD** proxy card. Voting against any of the Board or Quagliano nominees on the Board or Quagliano proxy card will not be counted as a vote for the Stout Nominees and will result in the revocation of any previous vote you may have cast on the **GOLD** proxy card. If you wish to vote pursuant to our recommendations, you should disregard any proxy card you receive other than the **GOLD** proxy card. If you have previously voted using the Board or Quagliano proxy card, you have every right to change your vote by executing the **GOLD** proxy card or by voting by telephone, or through the Internet in accordance with the instructions found on your proxy card. Only the latest dated proxy you submit will be counted.

What is the record date for the Annual Meeting and who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is March 31, 2014. Only stockholders of record as of the close of business on the record date are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the annual meeting or any postponement or adjournment thereof. Each outstanding share of the Company's common stock entitles its holder to cast one vote on each matter to be voted upon at the annual meeting. The total number of shares of the Company's common stock outstanding on the record date and eligible to cast votes at the Annual Meeting is 2,679,162.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring appropriate documentation from your broker or nominee to personally vote at the Annual Meeting.

Table of Contents

What is the required quorum?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the shares of common stock outstanding on the record date are present at the meeting in person or represented by proxy. On the record date, there were 2,679,162 shares of common stock outstanding and entitled to vote. Thus, the holders of 1,339,582 shares of common stock must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement.

How will my vote be counted?

In voting on the election of directors, you may vote in favor of all nominees up to a maximum of 11, withhold votes as to all nominees or withhold votes as to specific nominees, except that if the bylaw amendment contemplated by Proposal Three is passed, only the five directors with the highest number of votes will be elected. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast. Votes withheld and broker non-votes will not count towards the election of directors.

In voting to ratify the appointment of McGladrey LLP as the independent registered public accounting firm, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote. Abstentions will have the same effect as a negative vote, while broker non-votes will have no effect on the voting.

In voting on Proposal Three to amend the Bylaws, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote. Abstentions will have the same effect as a negative vote, while broker non-votes will have no effect on the voting.

What is the effect of me not casting my vote?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors or the proposed bylaw amendment. Your broker will not have the ability to vote your uninstructed shares on those matters at its discretion. Thus, if you hold your shares in street name and you do not instruct your broker how to vote with respect to those matters, no votes will be cast on your behalf. These are referred to as broker non-votes. Your broker will, however, have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm.

Can I change my vote?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised at the annual meeting. If you are the stockholder of record, you may change your vote by granting via Internet, telephone or mail a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Company's Secretary prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or

nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Table of Contents

If you have previously signed a proxy card sent to you by the Board or Mr. Quagliano, you may change your vote by marking, signing, dating and returning the enclosed **GOLD** proxy card in the accompanying postage-paid envelope or by voting by telephone or through the Internet in accordance with the instructions found on your **GOLD** proxy card.

What vote is required to approve each proposal?

Election of Directors: Assuming a quorum is present at the meeting, the election of each nominee for director requires the affirmative vote of a plurality of the votes cast in person or by proxy on such proposal at the annual meeting of stockholders.

Ratification of Independent Registered Public Accounting Firm: Assuming a quorum is present at the meeting, the ratification of McGladrey LLP as the Company's independent registered public accounting firm for 2014 requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

Stockholder Proposal to Amend the Company's Bylaws: Assuming a quorum is present at the meeting, the stockholder proposal to amend the bylaws, if properly presented at the meeting, requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

What is the effect of broker non-votes and abstentions?

Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not entitled to vote for purposes of determining whether stockholder approval of that matter has been obtained and, therefore, will have no effect on the outcome of the vote on any such matter. Abstentions have the same effect as negative votes, except in the case of director elections, where they will have no effect.

Is cumulative voting permitted for the election of directors?

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director.

Can I vote on other matters?

The matters presented at an Annual Meeting are limited to those properly presented by the Board of Directors and those properly presented by stockholders.

Who can help answer my questions?
