- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01. Entry into a Material Definitive Agreement.

On November 10, 2014, Identiv Inc. (the Company) entered into an amendment to its Credit Agreement dated March 31, 2014, with Opus Bank, a California commercial bank (the Lender).

The original Credit Agreement provided for a term loan in aggregate principal amount of \$10.0 million, of which \$10.0 million was outstanding at June 30, 2014, and an additional \$10.0 million revolving loan facility, of which \$6.0 million was outstanding at June 30, 2014. Under the original Credit Agreement, interest accrued on the principal amount outstanding under the term loan and revolving loan facility at a floating rate equal to the greater of (i) the prime rate plus 2.75% and (ii) 6.00%. The term loan and the revolving loan facility were to mature and become due and payable on March 31, 2017. Interest on both facilities was payable monthly. The principal balance of the term loan was payable in 24 equal monthly installments beginning on May 1, 2015.

Under the amended Credit Agreement, the revolving loan facility has been increased from \$10 million to \$30 million. The revolving loan maturity date has been extended to November 10, 2017. In addition, the Company is no longer required to make the scheduled monthly installment payments of principal under the term loan. Rather, the entire principal balance of the term loan will be due on March 31, 2017. Both the principal amount of the term loan and the principal amount outstanding under the revolving loan facility bear interest at a floating rate equal to: (a) if the Company holds more than \$30 million in cash with the Lender, the greater of (i) the prime rate plus 1.50% and (ii) 4.75%; (b) if the Company holds \$30 million or less but more than \$20 million in cash with the Lender, the greater of (i) the prime rate plus 2.25% and (ii) 5.50%; or (c) if the Company holds \$20 million or less in cash with the Lender, the greater of (i) the prime rate plus 2.75% and (ii) 6.00%. Interest on both facilities continues to be payable monthly.

Lastly, the amendment (i) modifies certain loan covenants applicable to the Company s stock repurchase plan, (ii) removes from the loan collateral shares of the Company s capital stock repurchased by the Company and (iii) extends the current tangible net worth covenant by one year.

The Company is obligated to pay .333% of the revolving loan facility as lender fee in the aggregate amount of \$100,000.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information set forth in Item 1.01 of this Current Report on Form 8-K with respect to the Credit Agreement is incorporated herein by this reference thereto.
