Press Release

Telecom Italia, sale of stake in Telecom Argentina completed

Fintech acquires 51% of Sofora Telecomunicaciones - the holding company for the Group's controlling stake in Telecom Argentina - for the sum of 550.6 million dollars.

The total amount generated by the sale is confirmed to be over 960 million dollars.

Rome, 8 March 2016

Telecom Italia Group has completed the sale of its entire remaining stake in Telecom Argentina with the sale to Fintech Group of 51% of the share capital of Sofora Telecomunicaciones (the parent company of Nortel, which holds control of Telecom Argentina). As set out in the agreements signed by the parties on 24 October 2014, the sale was completed after having received the approval of Enacom, the Argentine communications regulator.

The total amount generated by the sale is over 960 million dollars, including:

today's receipt of 550.6 million dollars for the stake in Sofora;

the receipt, again today, from other shareholders of Sofora, of a further 50 million dollars from agreements ancillary to the operation;

The aggregation of 329.5 million dollars received previously in connection with sales to Fintech completed in December 2013 and October 2014; and

the future revenues to be generated by making technical support services available to Telecom Argentina group companies, secured by a pledge of collateral.

For further details of the contract, executed today, see the press release issued on 25 October 2014.

Cautionary Statement for Purposes of the Safe Harbor Provisions of the United States Private Securities Litigation Reform Act of 1995.

The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. The Group's interim report as of and for the nine months ended September 30, 2015 included in this Form 6-K contains certain forward-looking statements. Forward-looking statements are statements that are not historical facts and can be identified by the use of forward-looking terminology such as believes, may, is expected to, will, will continue, seeks or anticipates or similar expressions or the negative thereof or other comparable terminology, or by the forward-looking nature of discussions of strategy, plans or intentions.

Actual results may differ materially from those projected or implied in the forward-looking statements. Such forward-looking information is based on certain key assumptions which we believe to be reasonable but forward-looking information by its nature involves risks and uncertainties, which are outside our control, that could significantly affect expected results.

The following important factors could cause our actual results to differ materially from those projected or implied in any forward-looking statements:

1. our ability to successfully implement our strategy over the 2016-2018 period;
2. the continuing effects of the global economic crisis in the principal markets in which we operate, including, in particular, our core Italian market;
3. the impact of regulatory decisions and changes in the regulatory environment in Italy and other countries in which we operate;
4. the impact of political developments in Italy and other countries in which we operate;
5. our ability to successfully meet competition on both price and innovation capabilities of new products and services;
6. our ability to develop and introduce new technologies which are attractive in our principal markets, to manage innovation, to supply value added services and to increase the use of our fixed and mobile networks;
7. our ability to successfully implement our internet and broadband strategy;
8. our ability to successfully achieve our debt reduction and other targets;
9. the impact of fluctuations in currency exchange and interest rates and the performance of the equity markets in general;

10. the outcome of litigation, disputes and investigations in which we are involved or may become involved;
11. our ability to build up our business in adjacent markets and in international markets (particularly in Brazil), due to our specialist and technical resources;
12. our ability to achieve the expected return on the investments and capital expenditures we have made and continue to make in Brazil;
13. the amount and timing of any future impairment charges for our authorizations, goodwill or other assets;
14. our ability to manage and reduce costs;
15. any difficulties which we may encounter in our supply and procurement processes, including as a result of the insolvency or financial weaknesses of our suppliers; and
16. the costs we may incur due to unexpected events, in particular where our insurance is not sufficient to cover such costs.

The foregoing factors should not be construed as exhaustive. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof. We undertake no obligation to release publicly the result of any revisions to these forward-looking statements which may be made to reflect events or circumstances after the date hereof, including, without limitation, changes in our business or acquisition strategy or planned capital expenditures, or to reflect the occurrence of unanticipated events.
