PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why are these proxy materials being made available?

On or about April 25, 2016, we will mail to our stockholders of record and beneficial owners a 2016 Notice and Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the proxy materials). We are providing you with these proxy materials because the board of directors of Marrone Bio Innovations, Inc. (which we refer to in this proxy statement as MBI, the Company, we, or us) is soliciting your proxy to vote at the annual meeting. You are invited to attend the annual meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply vote your shares by proxy via the Internet or by completing, signing and returning the enclosed proxy card.

How do I attend the annual meeting?

The meeting will be held on May 25, 2016 at 10:00 a.m. pacific time at our corporate headquarters located at 1540 Drew Ave., Davis, California 95618.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on April 11, 2016 will be entitled to vote at the annual meeting. On the record date, there were 24,583,831 shares of common stock outstanding and entitled to one vote each.

Stockholder of Record: Shares Registered in Your Name

If, on April 11, 2016, your shares of our common stock were registered directly with American Stock Transfer and Trust Company, LLC, our transfer agent for our common stock, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote your proxy on the matters to be considered as promptly as possible in order to ensure your representation at the meeting. You may vote your proxy via the Internet or by returning the enclosed proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on April 11, 2016, your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and the Notice is being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

Table of Contents

What am I voting on?

There are two matters scheduled for a vote and for which we are soliciting your proxy:

1. Election of our board's two nominees for Class III directors.
2. Ratification of the selection by the audit committee of our board of directors of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016.

You may either vote For all the nominees to the board of directors or you may Withhold your vote for any nominee(s) you specify. For the proposal regarding ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm, you may vote For or Against the proposal or abstain from voting.

How do I vote?

The procedures for voting are as follows:

Voting via the Internet

You can vote your shares via the Internet by following the instructions in the enclosed proxy card. The Internet voting procedures are designed to authenticate your identity and to allow you to vote your shares and confirm your voting instructions have been properly recorded. If you vote via the Internet, you do not need to mail a proxy card.

Voting by Mail

You can vote your shares by mail by returning the enclosed proxy card per the instructions on the card.

What if I return a proxy card or otherwise complete a ballot or give voting instructions but do not make specific choices?

If you return a signed and dated proxy card or otherwise complete a ballot or voting instructions without marking your selections, your shares will be voted, as applicable, For the election of two nominees for director, and For the ratification of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016. The board of directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We are paying for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares are registered in more than one name or are registered in different accounts. Please follow the voting instructions on the Notice and vote your shares for each name or account to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

You may submit another properly completed proxy card with a later date;

You may grant a subsequent proxy through our Internet voting site;

Table of Contents

You may send a written notice that you are revoking your proxy to our Corporate Secretary at 1540 Drew Ave., Davis, California 95618; or

You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy. Please remember, as mentioned above, if you are a beneficial owner of shares you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker, bank or other agent that holds your shares in street name.

If your shares are held by your broker, bank or another agent as a nominee or agent, you should follow the instructions provided by your broker, bank or other agent.

When are stockholder proposals due for next year's annual meeting?

Our stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of our bylaws and the rules established by the SEC. Proposals of stockholders intended to be presented at next year's annual meeting of stockholders and included in our proxy materials for that meeting must be submitted in writing and received by us, Attention: Corporate Secretary, at 1540 Drew Ave., Davis, California 95618, not less than 45 days or more than 75 days prior to the first anniversary of the date on which we first mailed our proxy materials for the annual meeting (*i.e.*, not earlier than February 10, 2017 and not later than March 11, 2017), after which the notice is untimely. If you wish to submit a proposal that is not to be included in next year's proxy materials, you must do so not less than 45 days prior to the date of next year's annual meeting. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

What are broker non-votes? How do I vote if I hold my shares in street name?

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions).

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to routine discretionary items, but not with respect to non-discretionary items under the rules of the New York Stock Exchange, or NYSE, on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. Under NYSE rules, elections of directors are considered to be non-routine and, therefore, brokers and other nominees will not be able to vote in the election of directors unless they receive instructions from the beneficial owners of the shares.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold votes and any broker non-votes for the election of directors. Broker non-votes will not count for or against any nominees.

With respect to the ratification of Ernst & Young, the inspector of election will separately count For and Against votes. Abstentions will be counted towards the vote total for the proposal, and will have the same effect as Against votes. Broker non-votes will have no effect and will not be counted towards the vote total for the proposal.

Table of Contents

How many votes are needed to approve each of the proposals?

Proposal 1 Election of our two nominees for Class III directors. The two nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected.

Proposal 2 Ratification of the selection by the audit committee of our board of directors of Ernst & Young LLP as the independent registered public accounting firm of Marrone Bio Innovations for our fiscal year ending December 31, 2016. This proposal must receive a For vote from the holders of a majority of the voting power present and entitled to vote either in person or by proxy on the proposal. If you Abstain from voting, it will have the same effect as an Against vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at the meeting there are present in person or represented by proxy the holders of outstanding shares of common stock entitled to cast a majority of the votes that could be cast by all outstanding shares of common stock. On the record date, there were 24,583,831 shares of common stock outstanding, all of which are entitled to vote. Thus, holders of shares representing at least 12,291,916 votes must be present in person or represented by proxy at the meeting to have a quorum.

Shares that are voted in person or by proxy are treated as being present at the meeting for purposes of establishing a quorum. Abstentions and broker non-votes will also be counted for purposes of calculating whether a quorum is present at the annual meeting. If there is no quorum, the holders of shares representing a majority of the votes present at the meeting may adjourn the meeting to another date.

How many votes do I have?

On each matter to be voted upon, for holders of our common stock, you have one vote for each share of common stock you owned as of April 11, 2016.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL ONE

ELECTION OF CLASS III DIRECTORS

Pursuant to our certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. The total number of authorized directors on our board of directors upon the commencement of the 2016 annual meeting has been fixed at seven by a resolution of our board of directors, and two directors will serve as Class III directors whose terms will expire at the annual meeting of stockholders to be held in 2019.

There are two nominees for Class III director at this annual meeting, Zachary S. Wochok, Ph.D., who is a new director we are nominating to serve on our board, and George H. Kerckhove, who is currently a director of Marrone Bio Innovations. Stockholders cannot submit proxies voting for a greater number of persons than the two nominees named in this Proposal One. Each director to be elected will hold office until the annual meeting of stockholders held in 2019 and until his successor is elected or until the director's death, resignation or removal. Each nominee has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

Each of Pamela Contag, Ph.D. and Elin D. Miller notified the Company that she will not stand for re-election at the 2016 annual meeting. Dr. Contag and Ms. Miller will continue to serve as directors until such meeting. Each of Dr. Contag's and Ms. Miller's decision not to stand for re-election to our board of directors are solely for personal reasons and time considerations and did not involve any disagreement on any matter relating to the Company's operations, policies or practices.

There are no family relationships between any of our directors, nominees or executive officers. There are also no arrangements or understandings between any director, nominee or executive officer and any other person pursuant to which he or she has been or will be selected as a director and/or executive officer.

Required Vote

The two nominees receiving the highest number of FOR votes shall be elected as Class III directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for such nominee will instead be voted for the election of a substitute nominee proposed by our board of directors and the nominating and corporate governance committee. Under the rules of the NYSE, brokers are prohibited from giving proxies to vote on elections of directors unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to the two nominees in this Proposal One if you want your broker to vote your shares on the matter. Otherwise, your shares will be treated as broker non-votes. Broker non-votes will have no effect on the outcome of the vote.

Recommendation

The board of directors recommends a vote FOR each nominee named in Proposal One.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors and Leadership Structure

Our board of directors currently consists of eight members. As discussed above in Proposal One, Election of Class III Directors, Pamela Contag, Ph.D. and Elin Miller have determined not to stand for re-election at the 2016 annual meeting, and upon the commencement of the 2016 annual meeting, the size of our board of directors will decrease to seven members and the number of Class III directors will be reduced to two. In accordance with our amended and restated certificate of incorporation and amended and restated bylaws, our board of directors has been divided into three classes with staggered three-year terms. At each annual general meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our current directors have been divided among the three classes as follows:

The Class I directors are Pamela G. Marrone, Ph.D., Michael H. Benoff and Kathleen A. Merrigan, Ph.D., and their terms will expire at the annual general meeting of stockholders to be held in 2017;

The Class II directors are Timothy Fogarty and Richard Rominger, and their terms will expire at the annual general meeting of stockholders to be held in 2018; and

The Class III directors are Pamela Contag, Ph.D., Elin Miller and George H. Kerckhove, and their terms will expire at the annual general meeting of stockholders to be held on May 25, 2016 (as discussed above, Dr. Contag and Ms. Miller have determined not to stand for re-election at the annual meeting, for which we are nominating Mr. Kerckhove and Zachary S. Wochok, Ph.D.).

The board currently separates the role of Chairman and Chief Executive Officer, with Dr. Marrone serving as Chief Executive Officer and Mr. Fogarty serving as Chairman. The board believes that separating these two roles promotes balance between the board's independent authority to oversee our business and the Chief Executive Officer and our management team, which manages the business on a day-to-day basis. The current separation of the Chairman and Chief Executive Officer roles allows the Chief Executive Officer to focus her time and energies on operating and managing the Company and leverages the experience and perspectives of the Chairman.

We believe the board maintains effective independent oversight through a number of governance practices, including our strong committee system, open and direct communication with management, input on meeting agendas, and regular executive sessions.

In addition, the board has established the following procedures for selecting the presiding director during the executive sessions of the board. The presiding director will be (i) the Chairman of the board or (ii) another director appointed by the independent directors. In fiscal year 2015, Ms. Miller, our previous Chairman, who was succeeded by Mr. Fogarty in December 2015, presided at each of the executive sessions of our board.

Director Independence

The rules of NASDAQ generally require that a majority of the members of a listed company's board of directors be independent. In addition, the listing rules generally require that, subject to specified exceptions, each member of a listed company's audit, compensation, and governance committees be independent. Audit committee members must

also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act) and compensation committee members must also satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3 and Rule 10C-1, a committee member may not, other than in his or her capacity as a member of the board of directors or any board committee: accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or be an affiliated person of the listed company or any of its subsidiaries.

Table of Contents

Our board of directors has undertaken a review of its composition, the composition of its committees and the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Our board of directors has also reviewed whether the directors that comprise our audit committee and compensation committee satisfy the independence standards for those committees established by the applicable SEC rules and NASDAQ rules. In making this determination, our board of directors has considered the relationships that each of these non-employee directors has with our company and all other facts and circumstances our board of directors deem relevant in determining their independence, including the beneficial ownership of our capital stock held by each non-employee director. Based on this determination, the board of directors determined that each of its non-employee members was independent.

Role of the Board in Risk Oversight

The board of directors is actively involved in the oversight of our risk management process. The board does not have a standing risk management committee, but administers this oversight function directly through the board as a whole, as well as through its standing committees that address risks inherent in their respective areas of oversight. In particular, our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking and our board is responsible for monitoring and assessing strategic risk exposure and other risks not covered by our committees.

The full board, or the appropriate committee, receives reports on risks facing our company from our Chief Executive Officer or other members of management to enable it to understand our risk identification, risk management and risk mitigation strategies. We believe that our board's leadership structure supports effective risk management because it allows the independent directors on our committees to exercise oversight over management.

Board Meetings

During the fiscal year ended December 31, 2015, the board held seventeen (17) meetings, the audit committee held five (5) meetings, the compensation committee held ten (10) meetings and the nominating and corporate governance committee held five (5) meetings. Each of our incumbent directors attended more than seventy five percent of the meetings of the board and of the committees on which the director served that were held during the last fiscal year. Board members are expected to regularly attend all meetings of the Board and committees on which they serve. Our independent directors held an executive session in conjunction with each in-person board meeting during the fiscal year ended December 31, 2015. Last year, all of the members of the board then serving attended the 2015 Annual Meeting of Stockholders.

are identified and considered on the basis of experience, areas of expertise and other factors relative to the overall composition of our board of directors. The nominating and corporate governance committee will

In addition to making recommendations for director candidates, the nominating and corporate governance committee is responsible for overseeing our corporate governance principles and making recommendations concerning governance matters. The Corporate Governance Guidelines set forth the practices the board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluations and succession planning, and board committees and compensation. The nominating and corporate governance committee assists the board in implementing and adhering to the Corporate Governance Guidelines. Our Corporate Governance Guidelines are available on the investor relations section of our website at *investors.marronebio.com* under the heading *Corporate Governance*. Table of Contents***Discussion of Director Compensation***

Directors who are employees of ours do not receive any compensation for their service on our board of directors. Our board of directors has adopted the following compensation policy that is applicable to all of our non-employee directors since our 2015 annual meeting of stockholders.

Initial Equity Grants. Each non-employee director who joins the board will receive restricted stock units valued at \$40,000, with one-third of the restricted stock units vesting on the first anniversary of the director's service and the remainder vesting monthly thereafter.

Annual Retainers. Each non-employee director will receive an annual retainer for service on the board valued at \$50,000, consisting of \$25,000 in cash and the remainder in restricted stock units, in addition to annual cash retainers for service as chair of our board of directors, or as a member or chair of committees of our board of directors, as set forth in the table below. Cash retainers will be paid on a quarterly basis, with restricted stock units awarded at our annual stockholders meeting and vesting after one year.

Additional annual retainer fees for service as a Chair of the Board		\$ 20,000
Additional annual retainer fees for service as a member or chair of (with chair fees inclusive of fees for service as a member):	Member	Chair
Audit Committee	\$ 7,500	\$ 15,000
Compensation Committee	\$ 5,000	\$ 10,000
Nominating and Corporate Governance Committee	\$ 3,750	\$ 7,500

Our director compensation policy was adopted by our board of directors in consideration of a number of factors, including its assessment of the previous compensation policy and a director compensation report from Pearl Meyer & Partners, LLC (Pearl Meyer), which our board of directors engaged to prepare a competitive assessment of non-employee director compensation. In August 2015, Pearl Meyer delivered a report to the board of directors regarding market practices, recommending changes, based on our financial and size metrics, that would bring our director compensation more comparable to the 25th percentile of peers in our industry, and updating its October 2014 report recommending that we alter the mix and levels of cash and stock-based director compensation.

In addition to the above policy, our board of directors from time to time may consider additional payments to our directors in respect of extraordinary service by such director. For example, in 2015, our board of directors approved of payments of \$25,000 to George Kerckhove and \$10,000 to each of Elin Miller and Pamela Contag, Ph.D., each of whom provided, on behalf of the board of directors, input and guidance to our leadership team and executive officers regarding business operations, and \$15,000 to former director Shaugn Stanley and \$12,500 to Timothy Fogarty in respect of their time and efforts relating to our recent Audit Committee investigation.

Non-Equity Incentive Awards

We structure our annual non-equity incentive awards to reward named executive officer for the successful performance of our company as a whole and of each participating named executive officer as an individual. For the 2015 fiscal year, our compensation committee established a bonus plan available to all of our executive officers and other key employees. The bonus plan provided for a target cash award of up to 30% of each named executive officer's salary, with 70% of the target award based upon the achievement of company-wide goals and 30% of the target award based upon the achievement of individual goals. The progress of the goals is tracked by the compensation committee on a quarterly basis, and the determination of goal achievement (full or partial) is made by the compensation committee and approved by the board of directors.

Each company-wide goal received a weighting, such that each named executive officer, would receive a portion of the target non-equity incentive award for each goal achieved. The company-wide goals were based on our forecasts and plans for fiscal year 2015 and covered net product revenue objectives, adjusted operating expense targets, improvement of gross margins of selected products and advancement of our product pipeline as measured by market readiness, target placement and sales of selected products. Based upon these factors, the compensation committee determined that 50% of the company-wide goals were achieved in 2015. Therefore, each named executive officer serving at the end of the year was entitled to 35% of his or her target bonuses based upon the company-wide goals component.

Each named executive officer serving at the end of the year was generally evaluated with respect to individual goals on the basis of the overall performance of our company, including the completion of our recent restatement and

resolution of related matters, the success of financing transactions, and the extent to which we

Table of Contents

were successful in achieving net revenues and operational expense goals, developing strategic collaborations, product development, commercialization targets, geographical expansion, organizational development and growth. The compensation committee determined that each of such named executive officers achieved 60% of their individual goals in 2015, and therefore were entitled to 18% of their target bonuses based upon the individual goals component (such that together with the company-wide goals component, each such named executive officer was entitled to 53% of his or her target bonus).

Payments are not guaranteed, and are subject to approval by the board of directors. For 2015, based upon the board of directors consideration of our financial results and its discussions with Dr. Marrone, our Chief Executive Officer, Mr. Boyd, our Chief Financial Officer, and the compensation committee, the board of directors exercised its discretion to reduce bonuses payable under our non-equity incentive award program for each of our named executive officers to 28% of their target awards.

Under our non-equity incentive award program, awards can either be paid out or deferred to a future payout time at the discretion of the board of directors, although Dr. Marrone has voluntarily elected to defer payment of her non-equity incentive award for 2015.

We have entered into an employment offer letter with each of Dr. Marrone, Mr. Boyd and Ms. Moore and have entered into a separation agreement with Mr. Iademarco, as described below. We have also entered into employee proprietary information and inventions assignment agreements with each of our named executive officers, under which each of them has agreed not to disclose our confidential information or induce us to use proprietary information or trade secrets of others at any time.

Pamela G. Marrone, Ph.D.

Effective as of June 29, 2006, we entered into an offer letter with Pamela G. Marrone, Ph.D., our President and Chief Executive Officer. Under the offer letter, Dr. Marrone is entitled to an annual base salary, which was \$250,000 for 2013, and was increased to \$300,000 commencing in 2014 in connection with our initial public offering. Dr. Marrone is eligible for our benefit programs on the same terms as our other executives. In addition, in accordance with the terms of the offer letter, our board of directors granted Dr. Marrone a restricted stock award of 97,424 shares, which completely vested on June 29, 2010, and an option to purchase 53,378 shares of our common stock on May 1, 2007, which completely vested on May 1, 2011.

The letter agreement provides that either party may terminate the employment arrangement for any reason or no reason, but four weeks notice is requested if the agreement is terminated by Dr. Marrone. In addition, the agreement provides that if we actively or constructively terminate Dr. Marrone's employment without cause (whether or not in connection with a change of control), Dr. Marrone will be eligible to receive:

an amount equal to twelve months of her then-current annual base salary payable in the form of salary

continuation; and

medical and dental coverage, plus disability and life insurance premiums, for a period of twelve months following her termination.

granted Mr. Boyd an option to purchase 190,000 shares of our common stock on February 13, 2014, which vests, subject to continued employment on each vesting date, with respect to one-quarter of the total shares subject to the option on the first anniversary of the option's vesting commencement date of February 26, 2014 and with respect to 1/48th of the total shares subject to the option monthly thereafter for 36 months, such that all shares subject to the option will be fully vested on the fourth anniversary of such option's vesting commencement date.

The offer letter also provided for a \$10,000 signing bonus upon Mr. Boyd's acceptance, relocation expenses of \$20,000 and three months temporary housing. The letter agreement provides that either party may terminate the employment arrangement for any reason or no reason, but four weeks' notice is requested if Mr. Boyd terminates his employment. In addition, the agreement provides that if we actively or constructively terminate Mr. Boyd's employment without cause (whether or not in connection with a change of control), Mr. Boyd will be eligible to receive:

an amount equal to six months of his then-current annual base salary payable in the form of salary continuation; and

medical and dental coverage, plus disability and life insurance premiums, for a period of six months following his termination.

Effective March 3, 2015, Mr. Boyd's terms of employment were revised pursuant to a letter agreement to increase his base salary to \$250,000 and to provide that if a change in control occurs that is not pursuant to an agreement signed within nine months of March 3, 2015, and termination other than for cause occurs within twelve months of such change in control, then in addition to the severance amount set forth in his offer letter, he will be entitled to receive a lump-sum payment equal to six months' base salary. If we enter into an agreement with respect to a change in control transaction within nine months of the date of the letter agreement, then upon the closing of such transaction, a lump sum payment equal to 18 months' base salary would be made.

Linda V. Moore

Effective as of March 17, 2014, we entered into an offer letter with Linda V. Moore, our General Counsel. In addition, in satisfaction of obligations to Ms. Moore in the offer letter with respect to option awards, our board of directors granted Ms. Moore an option to purchase 100,000 shares of our common stock on March 17, 2014, which vests, subject to continued employment on each vesting date, with respect to one-quarter of the total shares subject to the option on the first anniversary of the option's vesting commencement date of March 17, 2014 and with respect to 1/48th of the total shares subject to the option monthly thereafter for 36 months, such that all shares subject to the option will be fully vested on the fourth anniversary of such option's vesting commencement date.

The offer letter also provided for relocation expenses of \$10,000 and one month temporary housing. The letter agreement provides that either party may terminate the employment arrangement for any reason or no reason, but four weeks' notice is requested if Ms. Moore terminates her employment. In addition, the agreement provides that if we actively or constructively terminate Ms. Moore's employment without cause (whether or not in connection with a change of control), Ms. Moore will be eligible to receive:

an amount equal to six months of his then-current annual base salary payable in the form of salary continuation; and

medical and dental coverage, plus disability and life insurance premiums, for a period of six months following his termination.

Effective February 9, 2015, Ms. Moore's terms of employment were revised pursuant to a letter agreement to increase her base salary to \$240,000 and to provide that if a change in control occurs that is not pursuant to an agreement signed within nine months of March 3, 2015, and termination other than for cause occurs within

twelve months of such change in control, then in addition to the severance amount set forth in her offer letter, she will be entitled to receive a lump-sum payment equal to six months' base salary. If we enter into an agreement with respect to a change in control transaction within nine months of the date of the letter agreement, then upon the closing of such transaction, a lump sum payment equal to 12 months' base salary would be made.

James Iademarco

On August 20, 2015, we entered into a separation agreement with Mr. Iademarco whereby he resigned effective August 31, 2015, but agreed to remain available to advise the Company in a consulting capacity for an additional period of up to 90 days to assist with the transition of various pending matters. Pursuant to the separation agreement, Mr. Iademarco is entitled to receive, among other things, an amount equal to one-twelfth of his prior base salary of \$290,000 on or before the 15th day of each of the twelve months following August 31, 2015 and certain premium payments for health and vision insurance coverage, in partial consideration for Mr. Iademarco granting the Company a general release of liability and claims. During the year ended December 31, 2015, we recorded severance expenses in the amount of \$313,000 to selling, general and administrative expenses based on the terms of Mr. Iademarco's separation agreement, of which \$209,000 was accrued as of December 31, 2015.

Compensation Risk Management

We have considered the risks associated with our compensation policies and practices for all employees, and we believe we have designed our compensation policies and practices in a manner that does not create incentives that could lead to excessive risk taking that would have a material adverse effect on our Company.

Employee Benefit and Stock Plans

Marrone Bio Innovations, Inc. Stock Option Plan

We established the Marrone Bio Innovations, Inc. Stock Option Plan, which we refer to as the 2006 Plan, effective as of July 26, 2006. We ceased granting options under our 2006 Plan after, and the 2006 Plan terminated upon, the adoption of our 2011 Plan on July 19, 2011. Our 2006 Plan provided for the grant of incentive stock options, within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), to our employees and any parent and subsidiary corporations' employees, and for the grant of non-qualified stock options to our employees, outside directors and consultants and our parent and subsidiary corporations' employees and consultants.

Administration: Our board of directors administered our 2006 Plan. The administrator's powers include the power to: determine the fair market value of our common stock; select the individuals to whom options may be granted; determine the number of shares of stock covered by each option; approve forms of award agreement; determine the terms and conditions of options granted to employees and consultants (e.g., the exercise price, the times when options may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any option or the underlying shares of stock); reduce the exercise price of any option granted to employees and consultants to the then current fair market value of our common stock if such fair market value has declined since the date of grant; prescribe, amend and rescind rules and regulations relating to our 2006 Plan; modify or amend each option; institute an option exchange program; and make all other determinations deemed necessary or advisable for administering our 2006 Plan.

Transferability of Options: Our 2006 Plan allows for the transfer of options only (i) by will; and (ii) by the laws of descent and distribution. Only the recipient of an option may exercise such option during his or her lifetime.

Table of Contents

Certain Adjustments: In the event of certain changes in our capitalization our board of directors will make adjustments to one or more of (i) the number of shares that are covered by outstanding options; (ii) the exercise price of outstanding options, and (iii) the numerical share limits contained in our 2006 Plan. In the event of our complete liquidation or dissolution, recipients must be notified at least ten (10) days prior to the proposed transaction and may exercise all vested and unvested options until ten (10) days prior to such transaction; all outstanding options will terminate immediately prior to the consummation of such transaction.

Corporate Transactions: Our 2006 Plan provides that in the event of a corporate transaction, as defined in our 2006 Plan, each outstanding option will become immediately vested. In the event of a corporate transaction involving a merger or sale of assets, options will be exercisable for a period of fifteen (15) days from the date that notice of the transaction is provided; the option will then terminate upon the expiration of that period.

2011 Stock Plan

We established our 2011 Stock Plan, which we refer to as the 2011 Plan, effective as of July 19, 2011. Our 2011 Plan provided for the grant of incentive stock options, within the meaning of Section 422 of the Code, to our employees and any parent and subsidiary corporations' employees, and for the grant of non-qualified stock options and stock purchase rights to our employees, directors and consultants and any parent and subsidiary corporations' employees, directors and consultants. We ceased granting options under our 2011 Plan after, and the 2011 Plan terminated upon, the adoption of our 2013 Plan on August 1, 2013.

Administration: Our board of directors administered our 2011 Plan. The administrator's powers include the power to: determine the persons to whom, and the times at which, awards shall be granted and the number of shares of our common stock subject to each award; determine the fair market value of our common stock; determine the terms, conditions and restrictions applicable to each award (e.g. the exercise price, the method of payment, the method for satisfaction of any tax withholding obligation, the timing, terms and conditions of the exercisability and vesting of the award, the time of the expiration of the award, and the effect of the recipient's termination of service); approve forms of award agreement; amend, modify, extend, cancel or renew any award or waive any restrictions or conditions applicable to any award; accelerate, continue, extend or defer the exercisability of any award; prescribe, amend or rescind rules guidelines and policies relating to the 2011 Plan; and make all other determinations and take such other actions with respect to the 2011 Plan or any award as it deems advisable and that is consistent with applicable law, regulations and rules.

Stock Options: Our 2011 Plan allowed for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options could be granted to our employees, directors, and consultants and those of any parent or subsidiary of ours. The exercise price of all options granted under our 2011 Plan was required to be at least equal to the fair market value of our common stock on the date of grant. The term of an option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or the outstanding stock of any parent or subsidiary corporation as of the grant date (i) the term of an incentive stock option must not exceed five (5) years; and (ii) the exercise price of an incentive stock option must equal at least one hundred ten percent (110%) of the fair market value of our common stock on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the award agreement. If his or her continuous service terminates for cause, however, the option shall immediately terminate. An option may not be exercised later than the expiration of its term.

Stock Purchase Rights: Our 2011 Plan allowed for the grant of stock purchase rights. Stock purchase rights are rights to purchase our common stock for at least one hundred percent (100%) of the fair market value of our

Table of Contents

common stock and which are exercisable for thirty (30) days from the date of grant. The purchase price of a stock purchase right may be paid in cash or in the form of services rendered. The board of directors may subject a stock purchase right to vesting conditions.

Transferability of Awards: Our 2011 Plan allowed for the transfer of awards only (i) by will; (ii) by the laws of descent and distribution and (iii) for non-qualified stock options, to the extent authorized by the board of directors. Only the recipient of an award may exercise such award during his or her lifetime except that non-qualified stock options may be transferred to certain trusts and certain family members.

Certain Adjustments: In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2011 Plan, the board of directors will make adjustments to one or more of (i) the number and class of shares subject to the 2011 Plan and that are covered by outstanding awards; (ii) the exercise price of outstanding awards and (iii) the incentive stock option share limit contained in the 2011 Plan.

Changes in Control: Our 2011 Plan provides that in the event of a change in control, as defined in the 2011 Plan, the board of directors, in its discretion may provide that (i) the vesting and exercisability of any outstanding awards shall accelerate; or (ii) that each outstanding award (including, at the board of directors' discretion, unvested awards) shall be cashed out; payment due with respect to unvested awards would then be payable in accordance with the existing vesting schedule. Further, the successor corporation may assume or substitute an equivalent award for each outstanding award; if the successor corporation does not do so, awards held by recipients who have not terminated employment with us will vest in full as of the change in control.

2013 Stock Incentive Plan

In August 2013, our board of directors adopted the 2013 Stock Incentive Plan (which we refer to as our 2013 Plan). The 2013 Plan serves as the successor to our 2011 Plan. Our 2013 Plan provides for the grant of incentive stock options, within the meaning of Section 422 of the Code, to our employees and any parent and subsidiary corporations employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and our parent and subsidiary corporations employees, directors and consultants.

Shares: We initially authorized a total of 1,600,000 shares of our common stock for issuance pursuant to the 2013 Plan, plus the number of shares of common stock reserved for issuance pursuant to future grants under the 2011 Plan upon the adoption of the 2013 Plan. In addition, the number of shares authorized for issuance pursuant to the 2013 Plan will be increased by any additional shares that would otherwise return to the 2011 Plan after the date of adoption of the 2013 Plan as a result of the forfeiture, termination or expiration of awards previously granted under the 2011 Plan. Further, our 2013 Plan provides for annual increases in the number of shares available for issuance thereunder equal to the least of (i) 3.5% of the number of shares of the Company's common stock outstanding on the last day of the immediately preceding fiscal year or (ii) a lesser number of shares determined by the administrator. Based on and subject to the foregoing, as of January 1, 2016, including such annual increase, 4,927,056 shares of our common stock, plus any additional shares which are subject to options granted under our 2006 Plan or 2011 Plan but are forfeited or otherwise terminate or expire subsequent to January 1, 2016, were authorized for issuance pursuant to the 2013 Plan. In addition, as of January 1, 2016, under the 2013 Plan, 1,577,227 shares of common stock were issuable upon the exercise of outstanding options and settlement of RSUs granted and 3,339,391 additional shares of common stock were reserved for issuance pursuant to future grants.

Administration: Our board of directors or a committee of our board of directors administers our 2013 Plan. In the case of awards intended to qualify as performance based compensation within the meaning of Section 162(m) of the Code,

the committee consists of two (2) or more outside directors within the meaning of Section 162(m) of the Code. The administrator has the power to determine and interpret the terms and conditions

Table of Contents

of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also has the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Stock Options: Our 2013 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code only to our employees and employees of any parent or subsidiary of ours. Non-qualified stock options may be granted to our employees, directors and consultants and those of any parent or subsidiary of ours.

The exercise price of all options granted under our 2013 Plan must at least be equal to the fair market value of our common stock on the date of grant. The term of an incentive stock option may not exceed ten (10) years, except that with respect to any employee who owns more than ten percent (10%) of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five (5) years and the exercise price must equal at least one hundred ten percent (110%) of the fair market value on the grant date.

After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her option, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

Stock Appreciation Rights: Our 2013 Plan allows for the grant of stock appreciation rights. Stock appreciation rights allow the recipient to receive the appreciation in the fair market value of our common stock between the date of grant and the exercise date. The administrator will determine the terms of stock appreciation rights, including when such rights become exercisable and whether to pay the increased appreciation in cash or with shares of our common stock, or a combination thereof, except that the base appreciation amount for the cash or shares to be issued pursuant to the exercise of a stock appreciation right will be no less than one hundred percent (100%) of the fair market value per share on the date of grant. After the continuous service of an employee, director or consultant terminates, he or she may exercise his or her stock appreciation right, to the extent vested, only to the extent provided in the stock appreciation right agreement.

Restricted Stock Awards: Our 2013 Plan allows for the grant of restricted stock. Restricted stock awards are shares of our common stock that vest in accordance with terms and conditions established by the administrator. The administrator will determine the number of shares of restricted stock granted to any employee, director or consultant. The administrator may impose whatever conditions on vesting it determines to be appropriate. For example, the administrator may set restrictions based on the achievement of specific performance goals. Shares of restricted stock that do not vest are subject to our right of repurchase or forfeiture.

Restricted Stock Units: Our 2013 Plan allows for the grant of restricted stock units. Restricted stock units are awards that will result in payment to a recipient at the end of a specified period only if the vesting criteria established by the administrator are achieved or the award otherwise vests. The administrator may impose whatever conditions to vesting, restrictions and conditions to payment it determines to be appropriate. The administrator may set restrictions based on the achievement of specific performance goals or on the continuation of service or employment. Payments of earned restricted stock units may be made, in the administrator's discretion, in cash, with shares of our common stock or other securities, or a combination thereof.

Dividend Equivalent Rights: Our 2013 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our

common stock.

Table of Contents

Transferability of Awards: Our 2013 Plan allows for the transfer of awards under the 2013 Plan only (i) by will; (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments: In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2013 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2013 Plan and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

Corporate Transactions and Changes in Control: Our 2013 Plan provides that in the event of a corporate transaction, as defined in the 2013 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2013 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Plan Amendments and Termination: Our 2013 Plan will automatically terminate ten (10) years following the date it becomes effective, unless we terminate it sooner. In addition, our board of directors has the authority to amend, suspend or terminate the 2013 Plan provided such action does not impair the rights under any outstanding award unless mutually agreed to in writing by the recipient and us.

401(k) Plan

We maintain a 401(k) retirement savings plan. Each participant who is a U.S. employee may contribute to the 401(k) plan, through payroll deductions, up to a statutorily prescribed annual limit imposed by the Internal Revenue Service (which limit was \$17,500 in 2015). All amounts contributed by employee participants and earnings on these contributions are fully vested at all times and are not taxable to participants until withdrawn. Employee participants may elect to invest their contributions in various established funds. We may make contributions to the accounts of plan participants.

Limitations of Liability and Indemnification Matters

We have adopted provisions in our current certificate of incorporation that limit or eliminate the liability of our directors for monetary damages for breach of their fiduciary duties, except for liability that cannot be eliminated under the Delaware General Corporation Law. Accordingly, our directors will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except with respect to the following:

any breach of their duty of loyalty to us or our stockholders;

acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which the director derived an improper personal benefit.

This limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission. If Delaware law is amended to authorize the further elimination or limiting of director liability, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law as so amended.

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws, as currently in effect, also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We have entered and intend to continue to enter into separate indemnification agreements with certain of our directors and executive officers that are, in some cases, broader than the specific indemnification provisions provided by Delaware law and our charter documents, and may provide additional procedural protection. These agreements will require us, among other things, to:

indemnify officers and directors against certain liabilities that may arise because of their status as officers and directors;

advance expenses, as incurred, to officers and directors in connection with a legal proceeding subject to limited exceptions; and

cover officers and directors under any general or directors and officers liability insurance policy maintained by us.

We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our Company pursuant to the foregoing provisions, the opinion of the Securities and Exchange Commission is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Table of Contents

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

PROPOSAL TWO

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has selected Ernst & Young LLP, or Ernst & Young, as our independent registered public accounting firm for the fiscal year ending December 31, 2016, and has further directed that management submit the selection of an independent registered public accounting firm for ratification by the stockholders at the annual meeting. Ernst & Young has been our independent registered public accounting firm beginning with the audit of our 2006 fiscal year financial statements. Representatives of Ernst & Young are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young as our independent registered public accounting firm. However, the audit committee is submitting the selection of Ernst & Young to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

Independent Registered Public Accounting Firm Fee Information

In connection with the audit of our 2016 financial statements, we expect to enter into an engagement agreement with Ernst & Young that will set forth the terms by which Ernst & Young would perform audit services for us, including responsibilities of Ernst & Young and management in the conduct of the audit and estimated fees. Our engagement agreements with Ernst & Young are typically subject to alternative dispute resolution procedures.

The following table summarizes the fees of Ernst & Young for each of the last two fiscal years.

FEE CATEGORY	FISCAL 2015	FISCAL 2014
Audit fees ⁽¹⁾	\$ 1,155,600	\$ 3,723,000
Audit-related fees ⁽²⁾		12,000
Tax fees ⁽³⁾		
All other fees		
Total fees	\$ 1,155,600	\$ 3,735,000

(1) Audit fees consist of professional services rendered in connection with the audit of our consolidated financial statements and review of our quarterly consolidated financial statements. Audit fees for fiscal 2015 also include fees associated with our recent Audit Committee independent investigation and related financial restatement, as well as the delivery of consents and reviews of documents filed with the SEC. Audit fees for fiscal 2014 also include fees associated with our recent Audit Committee independent investigation and related financial

restatement and our public offering of common stock completed in June 2014, as well as the delivery of comfort letters, consents and reviews of documents filed with the SEC.

- (2) Audit-related fees consist of professional services for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees. These services include accounting consultations concerning financial accounting and reporting standards.
- (3) Tax fees consist of fees for professional services rendered for tax compliance, tax planning and tax advice.

Table of Contents

The Audit Committee pre-approves all audit and non-audit services to be, and has approved all of the foregoing audit and non-audit services, performed by the independent registered public accounting firm in accordance with the Audit Committee Charter.

Pre-Approval Procedures of Audit and Non-Audit Services by the Independent Registered Public Accounting Firm

The audit committee's charter requires it to pre-approve all audit and non-audit services performed by the independent registered public accounting firm. In determining whether to approve audit and non-audit services to be performed by Ernst & Young, the audit committee takes into consideration the fees to be paid for such services and whether such fees would affect the independence of the independent registered public accounting firm in performing its audit function. In addition, when determining whether to approve non-audit services to be performed by Ernst & Young, the audit committee considers whether the performance of such services is compatible with maintaining the independence of the independent registered public accounting firm in performing its audit function, and confirms that the non-audit services will not include the prohibited activities set forth in Section 201 of the Sarbanes-Oxley Act of 2002. The audit committee has determined that the rendering of the services other than audit services by Ernst & Young in fiscal year 2015 was compatible with maintaining the registered public accounting firm's independence.

Required Vote

Ratification of the appointment of Ernst & Young as our independent registered public accounting firm for the fiscal year ending December 31, 2016 requires a **FOR** vote from a majority of the voting power present and entitled to vote either in person or by proxy on the proposal in order to pass. If you **Abstain** from voting, your vote will not be counted as a vote cast. If you return a signed and dated proxy card or otherwise complete a ballot or voting instructions without marking your selections, your shares will be voted **FOR** ratification of the appointment of Ernst & Young.

Recommendation

The board of directors recommends a vote FOR Proposal Two.

REPORT OF THE AUDIT COMMITTEE

The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of Marrone Bio Innovations, Inc. under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language contained in such filing.

The audit committee has reviewed our audited consolidated financial statements for the fiscal year ended December 31, 2015 and discussed these financial statements with our management and with Ernst & Young, our independent registered public accounting firm.

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control for that purpose. Our independent registered public accounting firm is responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles and issuing a report on the results of their audit. The audit committee is responsible for providing independent, objective oversight of these processes.

The audit committee has also discussed with Ernst & Young the matters required to be discussed by the Statement on Auditing Standards No. 16, as amended (*Communications with Audit Committees*), as adopted by the Public Company Accounting Oversight Board.

The audit committee has received and reviewed the written disclosures and the letter from Ernst & Young required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Ernst & Young its independence.

Based on the review and discussions referred to above, the audit committee recommended to the board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the Securities and Exchange Commission.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial Ownership of Our Common Stock

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 11, 2016, for:

each person or group of affiliated persons known by us to be the beneficial owner of more than 5% of our common stock;

each of our named executive officers;

each of our directors and director nominees; and

all current executive officers and directors as a group.

We have determined beneficial ownership in accordance with SEC rules. The information does not necessarily indicate beneficial ownership for any other purpose. Under these rules, the number of shares of common stock deemed outstanding includes shares issuable upon exercise of options held by the respective person or group that may be exercised within 60 days after April 11, 2016. For purposes of calculating each person's or group's percentage ownership, stock options and warrants exercisable within 60 days after April 11, 2016 are included for that person or group but not the stock options of any other person or group.

Applicable percentage ownership is based on 24,583,831 shares of common stock outstanding at April 11, 2016. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options and warrants exercisable within 60 days of April 11, 2016. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated and subject to applicable community property laws, to our knowledge, each stockholder named in the following table possesses sole voting and investment power over the shares listed. Unless otherwise noted below, the address of each person listed in the table is c/o Marrone Bio Innovations, Inc., 1540 Drew Avenue, Davis, CA 95618.
