## ***Introduction***

On August 31, 2016, Westlake Chemical Corporation, a Delaware corporation (the Westlake) completed its previously announced acquisition of Axiall Corporation, a Delaware corporation (the Company). Pursuant to the terms of the previously announced Agreement and Plan of Merger (the Merger Agreement), dated as of June 10, 2016, by and among Westlake, the Company and Lagoon Merger Sub, Inc., a Delaware corporation that is a wholly-owned subsidiary of Westlake (the Merger Sub), Merger Sub merged with and into the Company (the Merger), with the Company surviving the Merger as a wholly-owned subsidiary of Westlake.

At the effective time of the Merger (the Effective Time), each share of the Company's common stock par value \$0.01 per share (the Company Common Stock), issued and outstanding immediately prior to the Effective Time (other than shares held in treasury by the Company or owned by Westlake or any of its wholly-owned subsidiaries (which were cancelled) and shares owned by stockholders who properly exercised and perfected a demand for appraisal rights under Delaware law), was cancelled and converted into the right to receive \$33.00 in cash, without interest (the Merger Consideration).

Additionally, pursuant to the Merger Agreement, at the Effective Time, any outstanding and unexercised Company stock options, whether or not vested, were converted into the right to receive a cash payment equal to the Merger Consideration minus the applicable exercise price, except for any such Company stock option with an exercise price equal to or greater than \$33.00, which was cancelled for no consideration. Any outstanding or payable Company awards (other than Company stock options) under any Company stock plans are being assumed by Westlake and converted into restricted stock units in respect of Westlake's common stock (the Westlake Common Stock), with the same terms and conditions (including with respect to dividend equivalent rights, if any), except that upon settlement the award holder will receive the greater of (1) the value of the Merger Consideration with respect to the shares of Company Common Stock related to the award prior to the Effective Time and (2) the value of the Westlake Common Stock. To the extent permitted by the applicable terms and conditions of the outstanding or payable Company awards, Westlake intends to settle these restricted stock units in respect of Westlake's Common Stock in cash and not shares of Westlake Common Stock. Any account balances under any Company benefit plan that provides for the deferral of compensation and represents amounts notionally invested in Company Common Stock or otherwise provides for distributions or benefits calculated based on the value of Company Common Stock were converted into the right to receive an amount in cash calculated based on the Merger Consideration.

The description of the Merger and the Merger Agreement contained in this Introduction does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is incorporated herein by reference to Exhibit 2.1 of the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on June 13, 2016.
