Item 2.02. Results of Operations and Financial Condition.

On January 12, 2016, MetLife, Inc. (the Company) announced its plan to pursue the separation of certain businesses (the Separation). Additionally, on July 21, 2016, the Company announced that the separated business will be rebranded as Brighthouse Financial after the Separation.

As a result of the planned Separation, in the third quarter of 2016, the Company will reorganize its businesses into six segments: U.S.; Asia; Latin America; Europe, the Middle East and Africa (EMEA); MetLife Holdings; and Brighthouse Financial. In addition, the Company will continue to report certain of its results of operations in Corporate & Other.

Based on the planned Separation, the Company will reorganize its businesses as follows:

The businesses the Company plans to separate and include in Brighthouse Financial will be reflected in a new segment, Brighthouse Financial.

The businesses formerly in the Retail segment, but that the Company does not plan to include in the Brighthouse Financial segment, will be reflected in a new segment, MetLife Holdings. This segment will also include the long-term care business, formerly reported as part of the Group, Voluntary & Worksite Benefit (GVWB) segment, and the reinsurance treaty relating to the former Japan joint venture, previously reported in Corporate & Other.

The Property & Casualty business, the Retirement & Income Solutions business (formerly known as Corporate Benefit Funding), and the Group Benefits business (consisting of the remaining components of the GVWB business, including the individual disability insurance business previously reported in the former Retail segment), will be reflected in a new segment, U.S.

The U.S. Direct business, previously reported as part of the Latin America segment, will be disaggregated and reported in the new U.S. segment and in Corporate & Other.

The Asia and EMEA segments will remain unchanged.

These changes will be applied retrospectively and will not have an impact on total consolidated operating earnings or net income in prior periods.

To aid investors' understanding of the impact of the items described above, the Company has revised the information presented in its Quarterly Financial Supplement for each of the quarters ended March 31, 2015, June 30, 2015, September 30, 2015, December 31, 2015, March 31, 2016, and June 30, 2016 and the year-to-date periods ended December 31, 2015 and June 30, 2016, and attached such revised historical financial results (the Historical Results Financial Supplement) to this Form 8-K as Exhibit 99.1.
