Conversion of Subordinated Units

The board of directors of the general partner of Cypress Energy Partners, L.P. (the Partnership) has confirmed that, as of February 14, 2017 (the first business day following the payment of the Partnership's 2016 fourth quarter cash distribution), the subordination period with respect to the Partnership's subordinated units representing limited partner interests in the Partnership (the subordinated units) ended in accordance with the First Amended and Restated Agreement of Limited Partnership of the Partnership, dated January 21, 2014 (the partnership agreement). Accordingly, effective February 14, 2017, the Partnership's 5,913,000 subordinated units have converted on a one-for-one basis into common units representing limited partner interests in the Partnership (the common units). In the future, the common units resulting from this conversion will participate pro rata with the Partnership's other common units in distributions of available cash as defined in the partnership agreement.

The subordinated units were issued by the Partnership in connection with its initial public offering in January 2014. The conversion of the subordinated units described in this current report does not impact the amount of cash distributions to be paid by the Partnership or the total number of the Partnership's outstanding units.
