Item 1.01 Entry into a Material Definitive Agreement.

Acquisition

On April 23, 2018, Trimble Inc. (Trimble or the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with Jefferson Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (Merger Sub), Waterfall Holdings, Inc., a Delaware corporation (Waterfall), and Bain Capital Private Equity, LP, a Delaware limited partnership, solely in its capacity as representative (Representative), pursuant to which the Company will acquire Viewpoint, Inc., a Delaware corporation (Viewpoint), the operating company and an indirect wholly-owned subsidiary of Waterfall. Upon the terms and subject to conditions set forth in the Merger Agreement, Merger Sub will be merged with and into Waterfall, with Waterfall continuing as the surviving corporation and a wholly-owned subsidiary of the Company (the Merger), for a total purchase price of \$1.2 billion, subject to customary post-closing adjustments.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger, each share of common stock and preferred stock of Waterfall issued and outstanding immediately prior to the effective time will be converted into the right to receive the applicable consideration calculated as set forth in the Merger Agreement, without interest, and will automatically be cancelled and retired and will cease to exist. In addition, each unexercised option outstanding immediately prior to the effective time that becomes a vested option at the closing of the transaction or is deemed to be a vested option following the closing of the transaction, as set forth in the Merger Agreement, will, as of the effective time, be converted into the right to receive the applicable consideration calculated as set forth in the Merger Agreement, and will automatically be cancelled and retired and will cease to exist. Each option that does not otherwise become a vested option will be cancelled and retired and cease to exist effective as of the effective time, with no consideration therefor.

The Merger Agreement contains representations, warranties and covenants by the parties that are customary for a transaction of this nature. Additionally, the Merger Agreement provides for customary pre-closing covenants, including, among other things, covenants of Waterfall and Representative not to solicit proposals relating to alternative transactions, enter into any understanding or agreement regarding alternative transactions, or otherwise facilitate or encourage any effort or attempt to pursue alternative transactions.

Consummation of the Merger is subject to various customary conditions, including, among other things, the expiration or termination of the applicable waiting period under the Hart Scott Rodino Antitrust Improvements Act of 1976, as amended.

The Merger Agreement also contains certain termination rights, including, among other things, the right of either party to terminate the Merger Agreement if the Merger has not occurred by August 23, 2018, subject to extension pursuant to the Merger Agreement.

The Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement has been included to provide investors with information regarding its terms and is qualified in its entirety by reference to the full text of the Merger Agreement. It is not intended to provide any other factual information about Trimble, Waterfall, Viewpoint or Representative. The Merger Agreement contains representations and warranties by certain of the parties to the Merger Agreement, which were made only for purposes of the Merger Agreement and as of specified dates. The representations, warranties and covenants in the Merger Agreement were the product of negotiations among the parties and made solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations,

warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Trimble, Waterfall, Viewpoint, Representative or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Trimble's public disclosures.

Forward-Looking Statements

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements set forth in reports filed with the Securities and Exchange Commission, including Trimble's quarterly reports on Form 10-Q and its annual report on Form 10-K, such as statements regarding changes in economic conditions and the impact of competition. Undue reliance should not be placed on any forward-looking statement contained herein. These statements reflect Trimble's position as of the date of this Current Report. Trimble expressly disclaims any undertaking to release publicly any updates or revisions to any statements to reflect any change in Trimble's expectations or any change of events, conditions, or circumstances on which any such statement is based.
