SECTION 2. FINANCIAL INFORMATION.

Item 2.02. Results of Operations and Financial Condition.

As previously announced, new pension accounting rules pursuant to Accounting Standards Update 2017-07 (ASU 2017-07) will go into effect for FedEx Corporation (FedEx) in fiscal 2019, which will impact its operating income and margin, but will have no impact on its net income or earnings per share. Under these new rules, only pension service cost will be included in operating expenses. All of the other elements of pension expense, including the annual mark-to-market adjustment, will be classified as non-operating expenses. These changes will be effective with the reporting of operating results for the quarter ended August 31, 2018. FedEx will apply these changes retrospectively.

Attached as Exhibit 99.1 and incorporated herein by reference are annual and quarterly consolidated and segment financial results for fiscal 2018 and 2017 recast to conform to FedEx s current accounting presentation and these new rules.
