To: Our Class B-1, Class B-2 and Class B-3 Shareholders

As you may know, our Class B nominating committees recently completed their interview and selection processes for nominees for election to our Board of Directors at this year's Annual Meeting of Shareholders. All members of the CME Group Board of Directors will be elected on an annual basis for a term of one-year, including those directors elected by the Class B shareholders.

Our 2019 Annual Meeting will be on Wednesday, May 8, 2019. We plan to mail to you in late March, a proxy statement from our Board of Directors relating to the Annual Meeting. The proxy statement will contain detailed information about the proposals to be presented to a vote of shareholders at the meeting. The proxy statement will identify and contain information about the director nominees referred to as the "Equity Director nominees" to be elected by the holders of Class A and Class B shares of common stock voting together at the Annual Meeting.

In the meantime, we would like to take this opportunity to inform you of the Class B director nominees selected by our Class B nominating committees and review the petitioning process for Class B director nominees. Additional information regarding the Class B director nominees will be contained in the proxy statement. We are not asking for your proxy at this time and will only do so after we have mailed our proxy statement to our shareholders.

To vote your shares you will need the control number included in the materials. To ensure delivery, we recommend that you sign up to receive your materials via email per the instructions below. If you are not receiving your materials electronically, please make sure your mailing address is up to date. Please take such actions prior to the record date of March 11, 2019.
