On April 15, 2015, under rules established by the Securities and Exchange Commission, we sent stockholders who are eligible to vote at the annual meeting a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy materials, including our proxy statement and annual report for 2014, online, rather than in traditional printed form. The Notice also explains the simple steps our eligible stockholders can follow in order to vote their shares online or by telephone. If you are among the stockholders who received the Notice explaining this process and would prefer to receive your proxy materials in the traditional hard copy format, the Notice also explains how to arrange to have the printed materials sent to you in the mail.

Whether or not you are able to attend the meeting, and regardless of the number of shares you own, your vote is important and we encourage you to vote promptly. You may vote your shares via a toll-free telephone number, over the Internet or on a paper proxy card. Instructions regarding the methods of voting are contained on the Notice and proxy card. Voting by proxy will not prevent you from voting in person at the annual meeting, but will ensure that your vote is counted if you are unable to attend.

We look forward to seeing you at the meeting.

Proxy Statement

General Information

We are providing this proxy statement to you in connection with the solicitation of proxies by the Board of Directors of Chicopee Bancorp, Inc. (“Chicopee Bancorp” or the “Company”) for the 2015 annual meeting of stockholders and for any adjournment or postponement of the meeting. The Company is the holding company for Chicopee Savings Bank (“Chicopee Savings” or the “Bank”). We are holding the annual meeting at the Storowton Tavern Carriage House, 1305 Memorial Avenue, West Springfield, Massachusetts, on Wednesday, May 27, 2015, at 1:00 p.m., local time.

Information About Voting

Who Can Vote at the Meeting

You are entitled to vote the shares of Chicopee Bancorp common stock that you owned as of the close of business on March 31, 2015. As of the close of business on March 31, 2015, a total of 5,270,670 shares of Chicopee Bancorp common stock were outstanding. Each share of common stock has one vote.

The Company’s Articles of Organization provide that record owners of Company common stock that is beneficially owned by a person who beneficially owns in excess of 10% of the Company’s outstanding common stock (a “10% beneficial owner”), shall not be entitled to vote, in the aggregate, shares beneficially owned by the 10% beneficial owner in excess of 10% of the Company’s outstanding common stock.

Important Notice Regarding the Availability of Proxy Materials for the 2015 annual meeting of Stockholders

On April 15, 2015, we began mailing a Notice of Internet Availability of Proxy Materials (the “Notice”) to all stockholders entitled to vote, which contains instructions on how to access this proxy statement and the annual report for 2014 and how to vote. You may also request that a printed copy of the proxy materials be sent to you. You will not receive a printed copy of the proxy materials unless you request one in the manner set forth in the Notice. The proxy materials are available on the internet at the following website: www.investorvote.com/cbnk.

If you hold shares of our common stock through our stock-based benefit plans, you will receive a printed set of the proxy materials and a vote authorization form. Please vote your shares as instructed in the vote authorization form.

Ownership of Shares; Voting Your Shares

You may own shares of Chicopee Bancorp in one of the following ways:

- Directly in your name as the stockholder of record; or
- Indirectly through a broker, bank or other holder of record in “street name.”

If your shares are registered directly in your name, you have the right to give your proxy directly to us (by returning your proxy card or by voting by telephone or the Internet as instructed on the proxy card) or to vote in person at the

meeting.

1

If you hold your shares in street name, you will receive instructions directly from your broker, bank or other holder of record regarding how to vote your shares. Your holder of record may also provide the ability to vote your proxy by telephone or online. If you hold your shares in street name your broker, bank or other holder of record will not vote your shares (other than with respect to the ratification of the appointment of our independent registered public accounting firm) unless you provide instructions to such holder of record on how to vote your shares. You should instruct your broker, bank or other holder of record how to vote your shares by following the directions they provide.

Attending the Meeting; Voting at the Meeting

If you hold your shares directly as the holder of record, you may attend the annual meeting and vote your shares directly. If you hold your shares in street name, we may require that you present proof of ownership of your shares prior to being admitted to the meeting. A recent brokerage statement or letter from your bank or broker are examples of proof of ownership. If you want to vote your shares of Chicopee Bancorp common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank or other holder of record of your shares.

Quorum and Vote Required

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting, if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

Votes Required for Proposals. At this year's annual meeting, stockholders will elect three directors to serve for a term of three years and until their respective successors have been elected and qualified. In voting on the election of directors, you may vote in favor of the nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected.

In voting on the ratification of the appointment of Berry Dunn McNeil & Parker, LLC as the Company's independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To ratify the selection of Berry Dunn McNeil & Parker, LLC as our independent registered public accounting firm for fiscal 2015, the affirmative vote of a majority of the votes cast on the proposal is required.

In voting on the advisory, non-binding proposal to approve the executive compensation described in this proxy statement, you may vote in favor of the advisory proposal, vote against the advisory proposal or abstain from voting. Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal. While this vote is required by law, it will neither be binding on the Board of Directors, nor will it create or imply any change in, or addition to, the fiduciary duties of the Board of Directors.

Broker Non-Votes. If you do not provide your broker or other record holder with voting instructions on certain non-routine matters (e.g., the election of directors and the advisory vote on executive compensation matters), your broker or other record holder will not have discretion to vote your shares on these matters. A "broker non-vote" occurs when your broker submits a proxy for the meeting with respect to routine matters, but does not vote on non-routine matters because you did not provide voting instructions on these matters. In the case of routine matters (e.g., the ratification of the independent auditors), your broker or other holder of record is permitted to vote your shares in the record holder's discretion if you have not provided voting instructions.

How We Count Votes. If you return valid proxy instructions, vote by telephone or the Internet or attend the meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum.

In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election. In counting votes on the proposal to ratify the selection of the independent registered public accountants, abstentions will have no impact on the outcome of the proposal. In counting votes on the advisory, non-binding proposal to approve the executive compensation described in this proxy statement, abstentions and broker non-votes will have no effect on the outcome of the vote.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card or as indicated when you vote by telephone or the Internet. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote:

- for each of the nominees for director;

for ratification of the appointment of Berry Dunn McNeil & Parker, LLC as the Company's independent registered public accounting firm; and

for approval of the advisory, non-binding proposal to approve the executive compensation described in this proxy statement.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named in the proxy card on the new meeting date, provided you have not revoked your proxy. The Company does not currently know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy, vote on a later date by telephone or the Internet or attend the meeting and vote your shares in person by ballot. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

Participants in the Chicopee Savings Bank ESOP

If you participate in the Chicopee Savings Bank Employee Stock Ownership Plan (the "ESOP"), you will receive a voting instruction card for the plan that reflects all shares you may vote under the plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to the participant's account. The ESOP trustee, subject to the exercise of its fiduciary responsibilities, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. The deadline for returning your voting instructions to the ESOP Trustee is May 20, 2015.

Corporate Governance

Director Independence

The Company's Board of Directors currently consists of ten members, one of whom will retire on the date of the annual meeting. All of the directors are independent as defined by the rules of The NASDAQ Stock Market, except for Mr. Wagner, who is the President and Chief Executive Officer of the Company. In determining director independence, the Board of Directors considered transactions, relationships and arrangements between the Company and its directors, including relationships that are not required to be disclosed in this proxy statement under the heading "Other Information Relating to Directors and Executive Officers—Transactions with Related Persons" including the commercial services provided to the Company by businesses operated by Mr. Bugbee and Mr. Masse. The Board has determined that the amounts paid by the Company for such services were not material.

Board Leadership Structure

The Board of Directors currently combines the position of Chairman of the Board with the position of Chief Executive Officer, coupled with a lead independent director position to further strengthen the Company's corporate governance structure. Mr. William J. Giokas serves as our lead independent director. The Board of Directors believes this provides an efficient and effective leadership model for the Company. Combining the Chairman of the Board and Chief Executive Officer positions fosters clear accountability, effective decision-making, and alignment on corporate strategy. The Board of Directors believes its administration of its risk oversight function is enhanced by the Board's leadership structure. To assure effective independent oversight, the Board has adopted a number of governance practices, including holding executive sessions of the independent directors after Board meetings, as needed, and the Compensation Committee conducts performance evaluations of the Chairman of the Board and Chief Executive Officer.

Risk Oversight

The Board of Directors has an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each of these matters. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial risks. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the full Board of Directors is regularly informed about all such risks.

Committees of the Board of Directors

The following table identifies the members of our Audit, Compensation and Nominating and Corporate Governance Committees as of March 31, 2015. All members of each committee are independent in accordance with the rules of The NASDAQ Stock Market. Each of the committees operates under a written charter that is approved by the Board of Directors. Each committee reviews and reassesses the adequacy of its charter at least annually. The charters of all three committees are available in the Governance Documents portion of the Investor Relations section of the Company's website (www.chicopeesavings.com).

Audit Committee. The Audit Committee assists the Board of Directors in its oversight of the Company's accounting and reporting practices, the quality and integrity of the Company's financial reports and the Company's compliance with applicable laws and regulations. The Committee is also responsible for engaging the Company's independent registered public accounting firm and monitoring its conduct and independence. The Board of Directors has designated Gary G. Fitzgerald as an audit committee financial expert under the rules of the Securities and Exchange Commission. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement under the heading "Audit Committee Report."

Compensation Committee. The Compensation Committee approves the compensation objectives for the Company and the Bank and establishes the compensation for the Chief Executive Officer and other Named Executive Officers. The Compensation Committee reviews all compensation components including base salary, bonus, benefits and other perquisites. Decisions by the Compensation Committee with respect to the compensation of executive officers are reported to the full Board of Directors. See "Compensation Discussion and Analysis" for more information regarding the role of the Compensation Committee, management and compensation consultants, if any, in determining the amount or form of executive compensation. The report of the Compensation Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement under the heading "Compensation Committee Report."

Nominating and Corporate Governance Committee. The Company's Nominating and Corporate Governance Committee identifies individuals qualified to become Board members, selects nominees for election as directors and develops a set of corporate governance policies and procedures. The procedures of the Nominating and Corporate Governance Committee required to be disclosed by the rules of the Securities and Exchange Commission are set forth in the following pages.

Nominating and Corporate Governance Committee Procedures

Qualifications. The Nominating and Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. First, a candidate must

meet the eligibility requirements set forth in the Company's bylaws, which include a residency requirement, an age requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements for service on the Board of Directors set forth in any Board or committee governing documents.

The Nominating and Corporate Governance Committee will consider the following criteria in selecting nominees for initial election or appointment to the Board: contributions to the range of talent, skill and expertise for the Board; financial, regulatory and business experience and skills; familiarity with and participation in the local community; integrity, honesty and reputation in connection with upholding a position of trust with respect to customers; dedication to the Company and its stockholders; independence; equity holdings; and any other factors the Nominating and Corporate Governance Committee deems relevant, including diversity, size of the Board of Directors and regulatory disclosure obligations. We do not maintain a specific diversity policy, but the diversity of the Board is considered in our review of candidates. Diversity includes not only gender, race and ethnicity, but the various perspectives that come from having differing viewpoints, cultural backgrounds, geographic location (within our market area), and life experiences.

In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nominating and Corporate Governance Committee will consider and review an existing director's Board and committee meeting attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Director Nomination Process. The process that the Nominating and Corporate Governance Committee follows to identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating and Corporate Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of the communities served by Chicopee Savings Bank. The Nominating and Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the policy and procedures set forth below. The Nominating and Corporate Governance Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating and Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria, set forth above. In addition, the Nominating and Corporate Governance Committee will interview the candidate and conduct a check of the candidate's background.

Consideration of Recommendations by Stockholders. It is the policy of the Nominating and Corporate Governance Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating and Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating and Corporate Governance Committee does not perceive a need to increase the size of the Board. To avoid the unnecessary use of the Nominating and Corporate Governance Committee's resources, the Nominating and Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders. To submit a recommendation of a director candidate to the Nominating and Corporate Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairperson of the Nominating and Corporate Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

4. As to the stockholder making the recommendation, the name and address of such stockholder as it appears on the Company's books; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders (regardless of whether the stockholder recommending the nomination seeks to have the nominee included in the Company's proxy statement), the recommendation must be received by the Nominating and Corporate Governance Committee at least 120 calendar days before the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Meetings of the Board of Directors

The Company conducts business through meetings of its Board of Directors and through activities of its committees. During 2014, the Board of Directors of the Company held eight meetings and the Board of Directors of the Bank held nine meetings. Each current director attended at least 75% of the aggregate of the total number of Board meetings held and the total number of meetings held by committees on which such director served during 2014.

Attendance at the Annual Meeting

The Board of Directors encourages each director to attend annual meetings of stockholders. Ten of the eleven members of the Board of Directors at the time of the 2014 annual meeting of stockholders attended such meeting.

Code of Ethics and Business Conduct

Chicopee Bancorp has adopted a Code of Ethics Policy (the "Code of Ethics") that is designed to ensure that directors and employees meet the highest standards of ethical conduct. The Code of Ethics, which applies to all employees and directors, addresses conflicts of interest, the treatment of confidential information, general employee conduct and compliance with applicable laws and regulations. In addition, the Code of Ethics is designed to deter wrongdoing, avoid the appearance of conflicts of interest and promote honest and ethical conduct, full and accurate disclosure and compliance with all applicable laws and regulations.

Audit Committee Report

The Company's management is responsible for the preparation, presentation and integrity of the Company's financial statements, for its accounting and financial reporting principles and for the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered accounting firm is responsible for performing an independent audit of the Company's financial statements and of its internal control over financial reporting in accordance with the standards of the United States Public Company Accounting Oversight Board (the "PCAOB") and expressing an opinion as to the conformity of the Company's financial statements with generally accepted accounting principles and the effectiveness of its internal control over financial reporting. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Auditing Standard No. 16 as adopted by the PCAOB, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning the independent registered public accounting firm's independence. In concluding that the registered public accounting firm is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the firm were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examination, its evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm that, in its report, expresses an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm is in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the Securities and Exchange

Commission. The Audit Committee also has approved, subject to stockholder ratification, the selection of the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.
