PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

GENERAL

This Information Statement is being furnished to the holders of shares of common stock, par value \$0.001 per share (“Common Stock”) of Feel Golf Company, Inc. in connection with the action by written consent of the holders of a majority of our issued and outstanding shares of Common Stock and Preferred Stock taken without a meeting to approve the actions described in this Information Statement. In this Information Statement, all references to “the Company,” “we,” “us” or “our” refer to Feel Golf Company, Inc. We are mailing this Information Statement to our stockholders of record as of September 6, 2011 (the “Record Date”) on or about September [*], 2011.

Pursuant to Rule 14c-2 promulgated by the Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the actions described herein will not become effective until 20 calendar days following the date on which this Information Statement is first mailed to our stockholders.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Company’s common stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

Actions by Consenting Stockholders

On September 6, 2011, in accordance with Section 602 of the California Corporations Code, as amended (the “CCC”), the Board of Directors (the “Board”) of the Company unanimously adopted resolutions approving the following actions (the “Actions”):

- (1) An amendment to the Articles of Incorporation to increase the number of authorized shares of common stock, par value \$0.001, from Two Billion (2,000,000,000) to Six Billion (6,000,000,000); and
- (2) An amendment to the Articles of Incorporation to increase the number of authorized shares of preferred stock, par value \$0.0001, from Ten Million (10,000,000) to Twenty Million (20,000,000).

In order to obtain the approval of our stockholders for the Actions, we could have convened a special meeting of the stockholders for the specific purpose of voting on such matters. However, Section 602 of the CCC and our Bylaws provides that any action that may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice if a consent in writing setting forth the action taken is signed by the holders of outstanding shares of Common Stock having not less than the minimum number of votes that would be necessary to take such action. In order to eliminate the costs and management time involved in holding a meeting and obtaining

proxies and in order to effect the above actions as early as possible in order to accomplish the purposes hereafter described, we elected to utilize the written consent of the holders of a majority of the outstanding shares of our Common Stock

As of the close of business of the Record Date, we had 1,492,175,891 shares of Common Stock outstanding and entitled to vote on the Actions. Each share of Common Stock outstanding as of the close of business on the Record Date was entitled to one vote.

In addition, as of the close of business of the Record Date, we had 6,868,000 shares of Series A Preferred Stock outstanding. Holders of the Series A Preferred Stock have three hundred and fifty (350) times the number of votes that holders of Common Stock are entitled to on all matters submitted to shareholders for their action or consideration. There are currently 5 holders of Series A Preferred Stock.

On the Record Date, pursuant to Section 602 of the CCC and our Bylaws, we received written consents for the Actions from stockholders holding an aggregate of 5,694,000 shares of our Series A Preferred Stock and from stockholders holding an aggregate of 18,047,764 shares of our Common Stock, representing the total equivalent voting power of 51.80% of our outstanding shares of Common Stock. Thus, your consent is not required and is not being solicited in connection with the approval of the Actions.

The following sets forth those holders who consented to the Actions and provides the number of shares beneficially owned and the percentage interest of outstanding shares of Common Stock for each such holder (the “Majority Stockholders”) as of the Record Date:

Holder	Beneficial Ownership of Common Stock	Beneficial Ownership of Series A Preferred Stock (1)	Percentage of Beneficial Ownership (2)
Lee Miller (3)	12,797,764	4,680,000	42.5%
David Worrell	5,250,000	1,014,000	9.3%

- (1) Holders of the Series A Preferred Shares have three hundred and fifty (350) times the number of votes that holders of Common Stock are entitled to on all matters submitted to shareholders for their action or consideration
- (2) This calculation includes the total voting power of the Holder’s Common Stock as well as the Series A Preferred Stock.
- (3) Represents 12,797,764 shares of Common Stock, and 4,680,000 shares of Series A Preferred Stock, held by the Miller Family Trust as of September 6, 2011. The Miller Family Trust is controlled by the Chief Executive Officer of the Company, Lee Miller.

Notice Pursuant to Section 603 of the CCC

Pursuant to Section 603 of the CCC, we are required to provide prompt notice of the taking of the corporate action without a meeting to the holders of record of our Common Stock who have not consented in writing to such action. This Information Statement is intended to provide such notice.

AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE
THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND PREFERRED STOCK

The Company's Articles of Incorporation, as amended (the "Articles of Incorporation") authorizes the maximum number of shares outstanding at any time shall be Two Billion (2,000,000,000) shares of common stock, \$0.001 par value. On September 6, 2011, the Board of Directors and the Majority Stockholders approved an amendment to the Articles of Incorporation to authorize Six Billion (6,000,000,000) shares of common stock, \$0.001 par value. Each share of common stock is entitled to one vote. These additional shares of common stock authorized by the Amendment will have the same rights, privileges, preferences and restrictions as the Company's shares of common stock which are currently authorized.

The Company's Articles of Incorporation also authorizes the maximum number of preferred shares outstanding at any time shall be Ten Million (10,000,000) shares of preferred stock, \$0.0001 par value. On September 6, 2011, the Board of Directors and the Majority Stockholders approved an amendment to the Articles of Incorporation to authorize an increase to Twenty Million (20,000,000) shares of preferred stock, \$0.0001 par value.

The general purpose and effect of the amendment to the Company's Articles of Incorporation is to authorize Six Billion (6,000,000,000) shares of common stock and Twenty Million (20,000,000) shares of preferred stock. The Board approved the increase of the authorized number of shares of common stock to further the Company's best interest to have additional authorized but unissued shares of common shares available in order to provide (a) flexibility for future corporate action; (b) raise additional capital by issuing additional shares of Common Stock or granting warrants for the future purchase of Common Stock; and (c) the need to issue additional shares of common stock or securities convertible into Common Stock in connection with strategic corporate transactions, acquisitions, and other business arrangements and corporate purposes. The Board believes that the currently available unissued shares do not provide sufficient flexibility for corporate action in the future. Currently, the Company has no plan to issue any securities for the corporate purposes described above.

The general effect upon the rights of the existing security holders as a result of the increase in authorized common stock is an overall dilution of the Company's stock and the inherent effects that increasing the Company's outstanding common stock has on shareholder value based on the dilutive impact of the additional authorized shares. Additionally, the increase in the authorized number of shares of our common stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of our company without further action by the shareholders. Shares of authorized and unissued common stock could be issued (within limits imposed by applicable law) in one or more transactions. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of our company. If the Board of Directors deems it to be in the best interests of the Company and the stockholders of the Company to issue additional shares of common stock in the future from authorized shares, the Board of Directors generally will not seek further authorization by vote of the Stockholders, unless such authorization is otherwise required by law or regulations.

Effective Date of the Actions

The Actions will become effective upon the filing of a Certificate of Amendment to our Certificate of Incorporation with the Secretary of State of the State of California or at such later time as indicated in such amendment. We intend to file the Certificate of Amendment to our Certificate of Incorporation in the form attached hereto as Annex I with the Secretary of State of the State of California promptly after the 20 day period following the date on which this Information Statement is mailed to our stockholders.
