SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

On January 17, 2006, the Human Resources Committee of the Board of Directors (the "Committee") of Washington Mutual, Inc. (the "Company") approved a number of compensation related items, including the establishment of target bonus amounts and the performance criteria applicable to the Company's 2006 Leadership Bonus Plan (the "2006 Bonus Plan") for cash bonuses that certain Company employees, including its executive officers, are eligible to earn for 2006. Under the 2006 Bonus Plan, target bonuses for executive officers are set as a target amount, which can range up to 350% of salary. Actual bonuses payable to executive officers under the 2006 Bonus Plan will be based on the Company's achievement of established 2006 performance goals as follows: 40% of the target bonus depends upon the Company's 2006 earnings-per-share

relative to three sets of target goals that vary based upon alternative interest rate scenarios; 45% of the target bonus depends upon the Company's 2006 non-interest expense relative to a target goal; and 15% of the target bonus depends upon the Company's customer service performance. Actual amounts payable under the 2006 Bonus Plan can range from 50% to 150% of the target amount, based upon the extent to which performance under each of the foregoing criteria meets, exceeds, or is below target.
