**2. CHAIRMAN AND SECRETARY:** Luis Miguel Gilperéz López – Chairman; Breno Rodrigo Pacheco de Oliveira – Secretary.

**3. ATTENDANCE:** the meeting was initiated with the attendance of the Directors that sign these minutes, in compliance with the quorum set forth in the Bylaws.

**4. AGENDA AND RESOLUTIONS:**

In addition to the presentation made by the Executive Board of Officers of the Company in the Board Meeting held on September 30, 2008, regarding the preliminary studies for a corporate reorganization involving TCO IP S.A., the wholly-owned subsidiary of the Company, ("TCO IP"), the Board of Officers presented the results of the studies initiated at that time and the definitive reorganization proposal, which will imply, as concluded, in the total spin-off of TCO IP, with the consequent merger of part of its net worth by Telemig Participações S.A. and part by Telemig Celular S.A. ("Companies").

Such structure revealed itself, at the end of the studies, more convenient than the preliminar one presented in the meeting held on September 30, 2008, once it eliminates TCO IP of the corporate structure without affecting the equity interest held by the other shareholders of the involved Companies, as well as TCO IP's it is more efficient from an economic standpoint, with the same result, which is, simplify the corporate structure eliminating TCO IP and returning the Company to be the direct holder of the shares of Telemig Participações S.A. and Telemig Celular S.A..

Also, for purposes of avoiding the transfer of any liabilities and debts to the merging Companies of the spun-off portion of TCO IP, Telemig Participações S.A. and Telemig Celular S.A., the Board of Officers proposed, within the scope of the operation, that the debts previously ran into for purposes of carrying out the mandatory and voluntary Public Tender Offers ("OPAS") (by means of the redemption of the Promissory Notes issued by TCO IP for the fund raising regarding the payment of the shares subject to the OPAS) were settled, and by a capital decrease operation, for purposes of absorbing the losses without changing the share number of TCO IP, once such shares do not have nominal value.

After the presentation, the Directors acknowledged the Protocol and Total Spin-Off Justification Instrument of TCO IP S.A. with Merger of the Spun-Off Portions into Telemig Celular Participações S.A. and by Telemig Celular S.A ("Protocol") to be signed by its wholly-owned subsidiary TCO IP, and Telemig Participações S.A. and Telemig Celular S.A. and the other terms and conditions of the operation, as they understand it will benefit the involved Companies and will not affect its shareholders and, by the unanimity of votes, authorized the Executive board of Officers to take all the necessary measures for the operation to be accomplished, including to vote in the extraordinary shareholders meeting of TCO IP in favor of the capital decrease for purposes of absorbing the company's losses and the proposal of total spin-off operation, approving all the necessary documents to its completion.
