ITEM 8.01. OTHER EVENTS

On February 3, 2016, Pacific Biosciences of California, Inc. (the “Company”) announced its intention to offer and sell up to an aggregate offering price of \$30,000,000 of shares of its common stock, par value \$0.001 per share (the “Shares”), from time to time, through an “at-the-market” offering as defined in Rule 415 promulgated under the Securities Act of 1933, as amended (the “Securities Act”). Cantor Fitzgerald & Co. (“Cantor”) will act as sales agent for the Shares pursuant to the Controlled Equity OfferingSM Sales Agreement, dated October 5, 2012 as amended on November 8, 2013, as further amended on February 3, 2015 (as amended, the “Agreement”), by and between the Company and Cantor. Such aggregate value of Shares is in addition to the shares previously sold pursuant to the Agreement. The Company intends to use the proceeds of the offering for general corporate purposes, including capital expenditures and working capital.

Pursuant to the Agreement, Cantor may sell the Shares by methods deemed to be an “at-the-market” offering as defined in Rule 415 promulgated under the Securities Act, including sales made directly on The NASDAQ Global Select Market, on any other existing trading market for the Shares or to or through a market maker. In addition, pursuant to the Agreement, Cantor may sell the shares by any other method permitted by law, including in privately-negotiated transactions. Subject to the terms and conditions of the Agreement, Cantor will use commercially reasonable efforts, consistent with its normal trading and sales practices and applicable state and federal law, rules and regulations and the rules of The NASDAQ Global Select Market, to sell the Shares from time to time, based upon the Company’s instructions (including any price, time or size limits or other customary parameters or conditions the Company may impose); provided, however, that in no event shall the Company issue or sell through Cantor such number or dollar amount of Shares that would (a) exceed the number or dollar amount of shares of Common Stock registered on an effective Registration Statement on Form S-3 pursuant to which the offering is being made, (b) exceed the number of authorized but unissued shares of the Company’s common stock, (c) exceed the number or dollar amount of shares of the Company’s common stock permitted to be sold under a Registration Statement on Form S-3 (including General Instruction I.B.6 thereof, if applicable) or (d) exceed the number or dollar amount of shares of the Company’s common stock for which the Company has filed a prospectus supplement to register the shares. The Company is not obligated to make any sales of the Shares under the Agreement. The offering of Shares pursuant to the Agreement will terminate upon the termination of the Agreement by Cantor or the Company.

The Company will pay Cantor a commission of 3.0% of the gross sales price per share sold and has agreed to provide Cantor with customary indemnification and contribution rights.

The Shares will be issued pursuant to the Company’s previously filed and effective Registration Statement on Form S-3 (File No. 333-199891), the base prospectus, dated November 21, 2014, filed as part of such Registration Statement, and the prospectus supplement, dated February 3, 2016, filed by the Company with the Securities and Exchange Commission.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Shares in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
