ARTICLE 1
THE OFFERS

1.1 The Offers

(a) Subject to the terms and conditions of this Agreement, the Offeror agrees to concurrently mail to the registered holders of Aquiline Shares (the "Shareholders"), the registered holders of Aquiline Warrants (the "Warrantholders") and the registered holder of the Aquiline Debenture (the "Debentureholder") as soon as practicable after the date hereof and, in any event, no later than the Latest Mailing Date, offers to purchase:

(i) all of the outstanding Aquiline Shares, including Aquiline Shares issuable (and that, prior to the Expiry Time, are actually issued or are conditionally issued pursuant to Section 1.5) upon the conversion, exchange or exercise of any securities of the Company that are convertible into or exchangeable or exercisable for Aquiline Shares (the "Convertible Securities"), but excluding Aquiline Shares owned by the Offeror and its affiliates, for consideration consisting of:

(A) 0.2495 of a Pan American Share; and

(B) 0.1 of a Pan American Consideration Warrant

for each Aquiline Share (as such offer may be amended or extended from time to time as permitted under this Agreement, the "Share Offer").

(ii) each of the outstanding February 2008 Aquiline Warrants, but excluding February 2008 Aquiline Warrants owned by the Offeror and its affiliates, for consideration consisting of a replacement warrant (each, a "Pan American February 2008 Replacement Warrant") to purchase from the Offeror the number of Pan American Shares (rounded to the nearest whole share) equal to: (A) the Exchange Ratio; multiplied by (B) the number of Aquiline Shares subject to such February 2008 Aquiline Warrant immediately prior to the Expiry Time (as such offer may be amended or extended from time to time as permitted under this Agreement, the "February 2008 Warrant Offer"). Each Pan American February 2008 Replacement Warrant shall have an exercise price per Pan American Share (rounded up to the nearest whole cent) equal to: (x) the exercise price per Aquiline Share otherwise purchasable pursuant to such February 2008 Aquiline Warrant; divided by (y) the Exchange Ratio. It is agreed that all other terms and conditions of a Pan American February 2008 Replacement Warrant, including the term to expiry, conditions to and manner of exercising, will be the same as the February 2008 Aquiline Warrant for which it was exchanged, and shall be governed by the terms of a replacement certificate or agreement evidencing such Pan American February 2008 Replacement Warrant and any previously issued certificate

Notwithstanding the foregoing, the Pan American November 2008 Replacement Warrants may not be exercised by any U.S. Person or by any person within the United States or for the account or benefit of any U.S. Person or any person within the United States unless and until the distribution of the Pan American Shares issuable upon exercise of such warrants is registered under the 1933 Act.

(vi) the outstanding Aquiline Debenture for consideration consisting of a replacement convertible debenture (a "Pan American Replacement Debenture") which may be converted into either:

(A) the number of Pan American Shares (rounded to the nearest whole share) equal to: (x) the Exchange Ratio; multiplied by (y) the number of Aquiline Shares subject to such Aquiline Debenture immediately prior to the Expiry Time; or

It is agreed that all other terms and conditions of the Pan American Replacement Debenture, including the term to expiry, conditions to and the manner of conversion, will be the same as the Aquiline Debenture for which it was exchanged, and shall be governed by the terms of a replacement certificate or agreement evidencing such Pan American Replacement Debenture and any previously issued certificate or agreement evidencing the Aquiline Debenture shall be of no further force and effect.

(each of the foregoing an "Offer" and collectively the "Offers").

(b) The Offers shall be subject only to the terms and conditions set out in Schedule "B" to this Agreement, as such may be amended in accordance with Section 1.1(f) hereof.

(c) Fractional Pan American Shares will not be issued in connection with the Share Offer. Where, on any Take-Up Date the aggregate number of Pan American Shares to be issued to any Shareholder pursuant to the Share Offer would result in a fraction of a Pan American Share being issuable, the number of Pan American Shares issuable to such Shareholder will be rounded down to the next whole Pan American Share.

(d) Prior to the Expiry Time, the Offeror shall take all corporate action necessary to reserve for issuance a sufficient number of Pan American Shares for delivery upon the exercise of the Pan American Replacement Warrants and conversion of the Pan American Replacement Debenture into Pan American Shares in accordance with Sections 1.1(a)(ii), 1.1(a)(iii), 1.1(a)(iv), 1.1(a)(v), and 1.1(a)(vi).

(e) The Offers will be made in all material respects in accordance with Securities Laws and the OBCA and with applicable securities legislation in jurisdictions

other than Canada and the United States where Securityholders are located in the English language and, if necessary under the Securities Laws, the French language; provided, however, that the Offeror shall not be required to make the Offers in any jurisdiction (other than Canada and the United States) where it would be illegal to do so. The Offers will be open for acceptance until 9:00 p.m. (Toronto time) on the 36th day after the day (the "Mailing Date") that the Offers are mailed to Securityholders in Canada, or such later time and date as may be required by Securities Laws and the OBCA, subject to the right of the Offeror in its sole discretion to extend from time to time the period during which Aquiline Securities may be deposited under the Offers for successive periods of not less than ten (10) days and not more than fifteen (15) days if the conditions set forth in the Share Offer are not satisfied on the expiry date of the Offers (the time at which the Offers, as they may be extended, expire being referred to as the "Expiry Time"). Subject to the satisfaction or, where permitted, waiver of the conditions set forth herein, the Offeror shall take up and pay for all Aquiline Securities validly tendered (and not properly withdrawn pursuant to the Offers) as soon as practicable and in any event not later than three business days after the Expiry Time. The Offeror shall use its commercially reasonable efforts to consummate the Offers, subject only to the terms and conditions hereof. If the Offeror takes up and pays for any Aquiline Shares, the Offeror shall extend the Offers to provide Aquiline Securityholders that have not tendered their Aquiline Securities at least one additional period of not less than ten (10) days and not more than fifteen (15) days to permit such holders to accept the Share Offer and tender their Aquiline Securities (the "Mandatory Extension"). For greater certainty, the Offeror shall not take up any Aquiline Securities under any of the Offers unless the Minimum Tender Condition shall have been satisfied at the Expiry Time.

- (f) The Offeror expressly reserves the right, in its sole discretion, to modify or waive any term or condition of the Offers except that, without the prior written consent of the Company which may be withheld in its sole discretion, the Offeror shall not:

- Aquiline Debenture, increase the Exchange Ratio or add consideration alternatives);
- (v) decrease the number of Aquiline Shares, Aquiline Warrants or principal amount of Aquiline Debenture in respect of which the Offers are being made;

 - (vii) amend, modify or change any of the Offers (including any amendment, modification or change to, or the addition of, any terms or conditions of the Offers) in a manner that is adverse to the Company, the Shareholders, the Warrantholders or the Debentureholder.
 - (g) The Offeror shall prepare the Offers and Circular, the letter(s) of transmittal, the notice(s) of guaranteed delivery and any other documents to be mailed by the Offeror to the Securityholders in connection with the Offers, and any supplements or amendments to such documents (such documents, collectively, the "Offer Documents") as well as the Registration Statements in compliance with all applicable Securities Laws. Prior to the printing, filing or mailing of the Offer Documents and the Registration Statements, the Offeror shall provide the Company with drafts of such documents, on a confidential basis, and provide the Company with a reasonable opportunity (to the extent possible with respect to supplements and amendments) to review and provide comments thereon, recognizing that, subject to compliance with Sections 1.1(a) and (b), whether or not such comments are reflected in such documents will be determined by the Offeror, acting reasonably. The Company shall provide to the Offeror all information pertaining to the Company and its Subsidiaries that is reasonably requested by the Offeror and is necessary or desirable for the preparation of the Circular and the Registration Statements, including, if required under the 1933 Act, a reconciliation of the Company's financial statements to U.S. GAAP and a consent of the Company's independent auditors to the inclusion or incorporation by reference of the report of such auditor into the Registration Statements. The Offeror shall use its commercially reasonable best efforts to cause such Registration Statement to be declared effective under the 1933 Act no later than the date that is one hundred and twenty (120) days after the Expiry Time (subject to the satisfaction or, where permitted, waiver of the conditions set forth herein), and to keep such Registration Statement continuously effective under the 1933 Act until the expiration of the Pan American Replacement Warrants, Pan American Consideration Warrants and Pan American Replacement Option or the earlier exercise of all such Pan American Replacement Warrants, Pan American Consideration Warrants and Pan American Replacement Option.

American Replacement Warrants, Pan American Consideration Warrants and Pan American Replacement Option or the earlier exercise of all such Pan American Replacement Warrants, Pan American Consideration Warrants and Pan American Replacement Option.

- (h) The obligation of the Offeror to make the Offers is conditional on the prior satisfaction of the following conditions, all of which conditions are included for the sole benefit of the Offeror and any and all of which may be waived by the Offeror in whole or in part in its sole discretion (other than the condition in paragraph (vii) below, which may be waived only with the prior written consent of the Company) without prejudice to any other rights the Offeror may have under this Agreement, which conditions shall be deemed to have been satisfied or waived upon the Offers being made:
 - (i) the obligations of the Offeror hereunder shall not have been terminated pursuant to Section 6.1;
 - (ii) no circumstance, fact, change, event or occurrence (other than any circumstance, fact, change, event or occurrence resulting from any act or failure to act by the Offeror) shall have occurred since the date of this Agreement that would render it impossible for one or more of the conditions set out in Schedule "B" to be satisfied;

 - (iv) the Board of Directors shall not have resolved to recommend that holders of (a) February 2008 Aquiline Warrants, (b) May 2008 Aquiline Warrants, (c) October 2008 Aquiline Warrants, (d) November 2008 Aquiline Warrants and (e) the Aquiline Debenture reject the February 2008 Warrant Offer, May 2008 Warrant Offer, October 2008 Warrant Offer, November 2008 Warrant Offer or Debenture Offer, as applicable and shall not have changed, modified or qualified such recommendation in a manner adverse to the Offeror, it being understood and agreed that if the Board of Directors is unable to make or is not making a recommendation in respect of such Offers shall not be adverse to the Offeror;
 - (v) the representations and warranties of the Company:
 - (A) that are qualified by reference to a Material Adverse Effect or materiality shall be true and correct in all respects at the time of the making of the Offers; and

- (viii) following the date hereof, there shall not have occurred any Material Adverse Effect in respect of the Company;
- (ix) to the extent that any covenants set forth herein are required to be performed or complied with by the Company prior to the date of the Offers, the Company shall have complied in all material respects with such covenants;
- (x) the Offeror shall have received from all applicable Government Authorities all waivers, rulings, consents, approvals or orders, if any, required to permit the making of the Offers and the mailing of the Offer Documents to Securityholders;

In its sole discretion, Pan American may choose to sign and return an election form received by Pan American more than ninety (90) days following the Expiry Time, but Pan American will have no obligation to do so. - (b) The Company represents that its Board of Directors has received an opinion from BMO and Cormark, financial advisors to the Company, that as at the date of such opinion the consideration offered pursuant to the Share Offer is fair, from a financial point of view, to the Shareholders other than the Offeror and its affiliates (the "Fairness Opinions").

- (c) The Company represents that, except as disclosed in the Company Disclosure Letter, all of its directors and officers have advised it that as at the date hereof they intend to deposit, or have agreed with the Offeror to deposit, their Aquiline Shares and Aquiline Warrants to the Offers, and all of their Aquiline Shares issuable upon the exercise of the Aquiline Warrants, which intention will be disclosed in the Directors' Circular.
- (d) Except as explicitly contemplated in this Agreement, including Section 3.3, the Company covenants and agrees not to, and shall cause each of the Company's and its Subsidiaries' officers, directors, investment bankers, legal advisors or other advisors, consultants, representatives or agents not to, directly or indirectly:

1.3 Company Co-operation

- (a) As soon as practicable following the execution and delivery of this Agreement and in any event within three (3) business days following the execution and delivery of this Agreement, the Company shall (i) cause its registrar and transfer agent to provide the Offeror with a list of the registered holders of Aquiline Shares, together with their addresses and respective holdings of Aquiline Shares and such other information as the Offeror may reasonably request in connection with communicating the Share Offer to registered and beneficial owners of Aquiline Shares including lists of participants in book-based nominee registrants such as CDS & Co. and CEDE & Co., non-objecting beneficial owner lists and supplemental lists, if any, in each case in electronic form, and (ii) provide the Offeror with a list of the registered holders of Aquiline Warrants, Aquiline

Options, and the Aquiline Debenture, together with their addresses and respective holdings of applicable Aquiline Securities.

- (b) The Company shall prepare, approve in final form and make available for distribution contemporaneously and together with the mailing of the Offer Documents, in the English language and, if necessary under Securities Laws, the French language, sufficient commercial copies of the Directors' Circular, prepared in all material respects in accordance with all Securities Laws. The Directors' Circular shall reflect the determinations and recommendations referred to in Section 1.2(a) and shall include the Fairness Opinions and the Company shall take all other commercially reasonable action to support the Offers on the terms of this Agreement. The Company agrees to provide the Offeror and its counsel with a draft copy of any Directors' Circular prepared by the Company, from time to time, prior to the filing or mailing thereof, on a confidential basis, and to provide the Offeror with a reasonable opportunity to review and provide comments thereon, recognizing that whether or not such comments are reflected in the Directors' Circular will be determined by the Company acting reasonably. The Company shall file the Directors' Circular and any other documents required by Securities Laws in connection with the Directors' Circular with all applicable Government Authorities within the times and in the manner required by Securities Laws.
- (c) Subject to any obligations of confidentiality to which the Company is subject, the Company shall from time to time furnish the Offeror with such additional information, including updated or additional lists of holders of Aquiline Securities and lists of securities positions, non-objecting beneficial owners, and other assistance as the Offeror may reasonably request in order for the Offeror to be able to communicate the Offers to the Securityholders and to such other persons as are entitled to receive the Offers under the Securities Laws and the OBCA.

1.4

Post Offer Covenants

- (a) Promptly upon the purchase by the Offeror pursuant to the Share Offer of such number of Aquiline Shares which, together with the Aquiline Shares held by or on behalf of the Offeror and its affiliates, satisfies the Minimum Tender Condition (the "Change of Control Time"), and from time to time thereafter, and subject in each case to (i) applicable Law, (ii) providing a release in favour of each resigning member of the Board of Directors (subject to such resigning members of the Board of Directors providing a release in their capacity as director only in favour of the Company, which release shall for greater certainty not include any release with respect to rights of such director under this Agreement or the benefits to be received by such director pursuant to this Agreement, rights of indemnification, payment of expenses and payment of accrued and unpaid directors fees) and (iii) confirmation that the insurance contemplated in Section 1.6 is in place, and all other covenants therein have been complied with, the (A) Offeror shall be entitled to and shall designate such number of directors of the Company (rounded up to the next whole number of directors), as is proportionate (determined after giving effect to the directors to be appointed or elected under

this section) to the percentage of the outstanding Aquiline Shares owned by the Offeror and its affiliates and (B) the Company shall, upon request by the Offeror, promptly increase the number of directors that constitute the Board of Directors or use its commercially reasonable efforts to secure the resignations of such number of directors of the Company as is necessary to enable the Offeror's designees to represent the proportion of members of the Board of Directors determined in accordance with this Section 1.4(a) and shall exercise its commercially reasonable efforts to cause the Offeror's designees to be so elected or appointed.

- (b) The Offeror shall, if legally possible to do so under, and subject to compliance with all Securities Laws and the OBCA, upon Aquiline Shares being taken up and paid for under the Share Offer, utilize the compulsory acquisition provisions of Part XV of the OBCA in respect of the Aquiline Shares not tendered under the Share Offer. If the Offeror is unable to use such compulsory acquisition provisions or if, upon Aquiline Shares being taken up and paid for under the Offers, there are Aquiline Warrants or Aquiline Debentures not tendered under the Offers, the Offeror shall use all commercially reasonable efforts to acquire as soon as practicable after completion of the Offers all Aquiline Securities not acquired in the Offers by way of a statutory arrangement, amalgamation, merger or other transaction or combination (such transaction or compulsory acquisition hereinafter referred to as a "Second-Step Transaction") of the Company with the Offeror or an affiliate of the Offeror, subject to compliance with all Securities Laws and the OBCA. The Offeror agrees that if any Second-Step Transaction is effected it will provide that the holders of any Aquiline Shares, Aquiline Warrants and the Aquiline Debenture, other than those held by the Offeror or any of its affiliates, shall be offered consideration per Aquiline Share, Aquiline Warrant or Aquiline Debenture, respectively, at least equal to the amount paid per Aquiline Share, Aquiline Warrant or Aquiline Debenture under the Offers and, in the case of Aquiline Warrants and Aquiline Debentures, on the same terms and conditions. Nothing herein shall be construed to prevent the Offeror from acquiring, directly or indirectly, additional Aquiline Securities in the open market, in privately negotiated transactions, in another take-over bid, tender offer or exchange offer, or otherwise in accordance with the Securities Laws and the OBCA, following the successful completion of the Offers. For greater certainty, in any Second-Step Transaction, each Pan American Share, Pan American Replacement Warrant and Pan American Replacement Debenture shall be deemed to be at least equivalent in value to each Pan American Share, Pan American Replacement Warrant and Pan American Replacement Debenture offered as part of the Offers.
- (c) The Offeror acknowledges and agrees that the Company and each Subsidiary will, and after the Effective Time the Offeror will cause the Company and each Subsidiary and each of their respective successors to, honour and comply with the terms of all existing employment, consulting, benefit and severance agreements (including any change of control and retention plans or policies) to which the Company is subject or by which it is bound as set out in the Company Disclosure Letter (the "Employment Arrangements"), as the same may be amended or modified prior to the Effective Time as permitted hereunder.

1.5 Outstanding October 2008 Aquiline Warrants, November 2008 Aquiline Warrants and Outstanding Stock Aquiline Options

- (a) The Company covenants and agrees to use its commercially reasonable efforts to facilitate all persons holding October 2008 Aquiline Warrants and November 2008 Aquiline Warrants to exercise all of their October 2008 Aquiline Warrants and November 2008 Aquiline Warrants and tender all Aquiline Shares issued in connection therewith under the Share Offer.
- (b) Subject to the receipt of all Government Authorizations the Board of Directors will make such amendments to the Stock Option Plan and take all such steps as may be necessary or desirable (including obtaining waivers and consents) to allow any person holding Aquiline Options pursuant to the Stock Option Plan, who may do so under Securities Laws, to exercise their Aquiline In-Money Options on an accelerated vesting basis solely for the purpose of tendering under the Share Offer all Aquiline Shares issued in connection with such exercise prior to the expiry of the Mandatory Extension, it being acknowledged and agreed that any such amendment shall provide that if a holder fails to exercise the Aquiline In-Money Options held by it prior to the expiry of the Mandatory Extension, such Aquiline In-Money Options shall expire and be of no further force and effect and the holder thereof shall have no further claim in respect thereof.
- (c) The Company will agree to use its commercially reasonable efforts to facilitate all persons holding Aquiline In-Money Options to exercise all of their Aquiline In-Money Options and tender all Aquiline Shares issued in connection therewith under the Share Offer within ten days of the initial Take-Up Date (or such longer period or periods of time Pan American may extend the Share Offer pursuant to Section 1.1(e)).
- (d) Subject to Section 1.5(b), the Company agrees to give notice promptly following the mailing of the Offer Documents to all persons holding Aquiline Options of: (A) the vesting of all unvested Aquiline Options; and (B) the termination of all non-exercised Aquiline In-Money Options within ten days of the initial Take-Up Date (or such longer period of time Pan American may extend the Share Offer pursuant to Section 1.1(e)), in each case conditional upon the Offeror taking up and paying for Aquiline Shares under the Share Offer.
- (e) Upon the Offeror being bound to take-up and pay for at least that number of Aquiline Shares as is required to satisfy the Minimum Tender Condition and having received all Government Authorizations as are required to be obtained under any applicable Laws, each Aquiline Out-Of-Money Option to purchase Aquiline Shares which is outstanding and has not been duly exercised prior to the Expiry Time, will be exchanged for a fully vested option (each, a "Pan American Replacement Option") to purchase from Pan American the number of Pan American Shares (rounded to the nearest whole share) equal to: (i) the Exchange Ratio multiplied by (ii) the number of Aquiline Shares subject to such Aquiline Out-Of-Money Option immediately prior to the Expiry Time. Such Pan American

Replacement Option shall provide for an exercise price per Pan American Share (rounded up to the nearest whole cent) equal to: (i) the exercise price per Aquiline Share otherwise purchasable pursuant to such Aquiline Out-Of-Money Option; divided by (ii) the Exchange Ratio. All other terms and conditions of the Pan American Replacement Options, including the term to expiry, conditions to and manner of exercising, will be the same as the Aquiline Out-Of-Money Option for which it was exchanged, and shall be governed by the terms of the Stock Option Plan, except for the provisions in the Stock Option Plan that related to the early termination of an Aquiline Out-Of-Money Option as a result of the cessation of the optionee's position as a director, officer or employee of the Company shall be amended to provide that an officer or employee whose employment is terminated (other than for cause or by reason of death) or a director who ceases to be a director (other than by reason of death) may exercise his or her Pan American Replacement Option during the period ending on the expiry of the exercise period under the Stock Option Plan.

- (f) The Offeror will take all corporate action necessary to reserve for issuance a sufficient number of Pan American Shares for delivery upon the exercise of the Pan American Replacement Options that will be issued in accordance with this Section 1.5.

1.6

Indemnification

- (a) The Offeror covenants and agrees that from and after the Effective Time it shall ensure that and shall cause the Company and each Subsidiary to ensure that: (i) the by-laws of the Company and the constating documents of the Company or any successor to the Company; and (ii) the constating documents of the Subsidiaries of the Company or any successor to any such Subsidiaries, shall contain provisions with respect to indemnification now set forth in the by-laws of the Company and the constating documents of the Company and the Subsidiaries of the Company (or equivalent provisions), such that all rights to indemnification existing in favour of the present and former directors and officers of the Company or of any of the Subsidiaries of the Company and present and former directors and officers of the Company or of any of the Subsidiaries of the Company serving or who served at the request of the Company or any Subsidiaries of the Company as a director, officer, employee, agent or representative of another corporation, partnership joint venture, trust, employee benefit plan or other entity or enterprise in which the Company has a direct or indirect ownership interest or beneficial interest (each such present or former director or officer of the Company or of any Subsidiaries of the Company being herein referred to as an "Indemnified Party" and such persons collectively being referred to as the "Indemnified Parties") as provided in the by-laws of the Company or constating documents of any of the Company or its Subsidiaries, or equivalent rights, shall survive and continue in full force and effect and without modification, with respect to actions or omissions of the Indemnified Parties occurring prior to the Effective Time.

- (b) From and after the Effective Time, without the consent of the Indemnified Party, neither Offeror nor the Company nor any Subsidiary shall settle, compromise or consent to the entry of any judgment in any claim, action, suit, proceeding or investigation or threatened claim, action, suit, proceeding or investigation (i) unless such settlement, compromise or consent includes an unconditional release of the applicable Indemnified Party (which release shall be in form and substance reasonably satisfactory to such Indemnified Party) from all liability arising out of such action, suit, proceeding, investigation or claim or such Indemnified Party otherwise consents or (ii) that includes an admission of fault of such Indemnified Party.
- (c) The Company and Offeror agree that all rights to indemnification and exculpation from liabilities and rights to advancement of expenses relating thereto existing in favour of the Indemnified Parties as provided in the articles of incorporation or by-laws or constating documents of the Company or any Subsidiary or by contracts or agreements between the Indemnified Parties and the Company or its Subsidiaries and identified in the Company Disclosure Letter shall survive the Effective Time and shall continue in full force and effect and without modification, and the Offeror shall cause the Company, and any successor to the Company, and its Subsidiaries (including any successors thereto), to honour such rights of indemnification, exculpation and rights to advancement of expenses with respect to acts or omissions of the Indemnified Parties occurring prior to the Effective Time.
- (d) Without limiting the right of the Company to do so prior to the Effective Time, the Offeror shall cause the Company to secure officers' and directors' liability insurance from a reputable and financially sound insurance carrier containing terms and conditions no less advantageous to the Indemnified Parties than those contained in the Company's policy in effect on the date hereof covering the Indemnified Parties on a six year "trailing" or "run-off" basis with respect to any claim related to any period of time at or prior to Effective Time and the Offeror shall, or cause the Company and any successor to the Company (including any surviving corporation) to, continue in effect such director and officer liability insurance for the benefit of the Indemnified Parties. If for any reason such trailing policy is not available, then the Offeror agrees that for the entire period from the Effective Time until six years after the Effective Time, the Offeror will cause each of the Company and its Subsidiaries or any successor thereof to maintain the current directors' and officers' liability insurance policy of each of the Company and its Subsidiaries or equivalent insurance, in either case from a reputable and financially sound insurance carrier and containing terms and conditions no less advantageous to the directors and officers of each of the Company and its Subsidiaries (with respect to their acting as directors or officers thereof) than those contained in the policy in effect on the date hereof, for all current and former directors and officers of each of the Company and its Subsidiaries covering claims made prior to or within six (6) years after the Effective Time. Further, the Offeror agrees that, after the expiration of that six-year period, if there is no material cost in doing so, the Offeror shall use

reasonable commercial efforts to cause such directors and officers to be covered under the Offeror's then existing directors' and officers' liability insurance policy.

(e) If the Company or any Subsidiary or any of their respective successors or assigns shall (i) amalgamate, consolidate with or merge or wind-up into any other person and such Company or Subsidiary shall not be the continuing or surviving corporation or entity, or (ii) transfer all or substantially all of their respective properties and assets to any person, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Company or any Subsidiary, as applicable, shall assume all of the obligations set forth in this Section 1.6.

If any Indemnified Party makes any claim for indemnification or advancement of expenses under this Section 1.6 that is denied by the Company or any Subsidiary or the Offeror, and a court of competent jurisdiction determines that the Indemnified Party is entitled to such indemnification, then the Company or the Subsidiary, as applicable, or Offeror shall pay such Indemnified Party's costs and expenses, including reasonable legal fees and expenses, incurred in connection with pursuing such claim against the Company, a Subsidiary and/or Offeror.

(f) The provisions of this Section 1.6 are:

(i) intended to be for the benefit of, and shall be enforceable by, each Indemnified Party, his or her heirs, executors, administrators and other legal representatives; and

(ii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by Law, contract, with the articles, by-laws, or other constating documents of the Company or any Subsidiary as applicable or otherwise,

and such rights shall be held by the Company, and any successor to the Company, in trust for such persons, provided however that no approval of any beneficiary of such trust shall be required in connection with an amendment or variation of this Section 1.6 prior to the Effective Time. Furthermore, this Section 1.6 shall survive the termination of this Agreement as a result of the occurrence of the Effective Time.

1.7 Pre-Acquisition Reorganization

Upon request by the Offeror, the Company shall: (i) use its commercially reasonable efforts to effect such reorganizations of its business, operations and assets or such other transactions as the Offeror may request, acting reasonably (each a "Pre-Acquisition Reorganization"); and (ii) co-operate with the Offeror and its advisors in order to determine the nature of any Pre-Acquisition Reorganization that might be undertaken and the manner in which it might most effectively be undertaken; provided that (A) neither any such Pre-Acquisition Reorganization nor such co-operation shall unreasonably interfere with the business, affairs or prospects of the Company and its Subsidiaries or result in any breach by the Company or any of

its Subsidiaries of any contract of the Company or any of its Subsidiaries or any applicable Law; (B) neither any such Pre-Acquisition Reorganization nor such co-operation shall be prejudicial to the Company or the Securityholders in any material respect (including with respect to Tax consequences and political consequences or would otherwise impair the Company's prospects should the Offers not be completed); (C) neither any such Pre-Acquisition Reorganization nor such co-operation shall result in any breach by the Company or any of its Subsidiaries of any of its or their constating documents; (D) the Offeror shall pay the implementation costs and any direct or indirect costs and liabilities thereof, including employment costs, Taxes and liabilities, that may be incurred in connection with such implementation and/or to unwind any such transaction if the Offers are not completed, including in each case actual out-of-pocket costs and expenses for filing fees and external counsel, advisors and auditors which may be incurred; (E) neither any such Pre-Acquisition Reorganization nor such co-operation shall require the directors, officers, employees or agents of the Company or its Subsidiaries to take any action in any capacity other than as a director, officer or employee; (F) neither any such Pre-Acquisition Reorganization nor such co-operation delay or prevent consummation of any of the Offers or any Second-Stage Transaction herein; and (G) no such actions shall be considered to constitute a breach by the Company of its representations, warranties or covenants under this Agreement or any breach by any Locked-Up Shareholders under any Lock-Up Agreement. The completion of any such Pre-Acquisition Reorganizations shall be subject to the satisfaction or waiver by Purchaser of the conditions to the Offer set forth herein. The Offeror shall provide written notice to the Company of any proposed Pre-Acquisition Reorganization at least ten business days prior to the Expiry Time. Subject to the foregoing, upon receipt of such notice, the Offeror and the Company shall co-operate and use their respective commercially reasonable efforts to prepare prior to the Expiry Time all documentation necessary or advisable and do all such other acts and things as are necessary or advisable to give effect to such Pre-Acquisition Reorganizations. The Company shall use its commercially reasonable efforts to effect any such Pre-Acquisition Reorganization immediately prior to any take-up by the Offeror of Aquiline Securities deposited under the Offers.

ARTICLE 2 REPRESENTATIONS AND WARRANTIES

- (d) use its commercially reasonable efforts to maintain its current insurance (or re-insurance) policies and not allow the same to be cancelled or terminated or any other coverage thereunder to lapse, unless simultaneously with such termination, cancellation or lapse, replacement policies underwritten by insurance and re-insurance companies of nationally recognized standing providing coverage equal to or greater than the coverage under the cancelled, terminated or lapsed policies for substantially similar premiums are in full force and effect;

- (g) use its commercially reasonable efforts to promptly comply with the requirements of all applicable Laws and Government Authorizations;
- (h) timely withhold, collect, remit and pay all Taxes which are to be withheld, collected, remitted or paid by it to the extent due and payable, except for any Taxes contested in good faith pursuant to applicable Laws;

(any of the foregoing inquiries, proposals, offers or public announcements in (A) to (E) being referred to herein as an "Acquisition Proposal");

(iii) withdraw the Board of Directors' approval or recommendation of the Offers or change, modify or qualify such approval or recommendation in a manner adverse to the Offeror;

(v) propose publicly to do any of the foregoing in (i) to (iv),

provided, however, that nothing contained in this Section 3.3(a) or any other provision of this Agreement shall (i) prevent the Company, including the Board of Directors, or any Representatives from engaging in discussions or negotiations with, or responding to enquiries from any person that has made a bona fide unsolicited written Acquisition Proposal that the Board of Directors has determined is or may reasonably be expected to result in a Superior Proposal, or providing information pursuant to Section 3.3(d) to any person where the requirements of that Section are satisfied (and, for greater certainty, in each of the foregoing circumstances the Company, including the Board of Directors, and any Representatives shall be permitted to engage in any of the foregoing activities); or

(b) The Company shall immediately cease, cause its Representatives to cease and cause to be terminated any solicitations, discussions or negotiations conducted before the date of this Agreement with any persons (other than the Offeror or any Representative of the Offeror) with respect to any Acquisition Proposal or any potential Acquisition Proposal. The Company shall immediately cease to provide any persons, other than the Offeror and its Representatives, with access to confidential information concerning the Company or its Subsidiaries with respect to any Acquisition Proposal or potential Acquisition Proposal, and discontinue access to any data or information rooms (virtual or otherwise) regarding the Company, its Subsidiaries or any of their respective properties or assets to anyone other than the Offeror and its Representatives. Within five business days from the date hereof, the Company shall request the return or destruction of all confidential information provided to any third parties who have obtained such information in relation to an Acquisition Proposal or a potential Acquisition Proposal and shall use commercially reasonable efforts to ensure that such requests are honoured in accordance with the terms of any applicable confidentiality agreements. Notwithstanding anything contained in this Agreement, the Company agrees not to waive, release any third party from, provide any consent in respect of or fail to enforce on a timely basis upon actual knowledge of a breach of, any confidentiality or standstill agreement to which the Company or any of its Subsidiaries and any person (other than the Offeror) are a party as a disclosing party (provided that the Offeror acknowledges that the automatic release of the standstill provisions of any such agreement as a result of the entering into or announcement of this Agreement or the Offers shall not be in violation of this Section 3.3(b)).

(c) The Company shall notify the Offeror orally and in writing promptly (but in no event later than 24 hours) if:

The Company shall keep the Offeror promptly informed of the status, including any change to the material terms, of any such Acquisition Proposal, other proposal, inquiry, request or contact and will respond promptly to all reasonable inquiries by the Offeror with respect thereto.

(d) In the event that the Board of Directors receives a request for non-public information from a party that has made or proposes to make a bona fide Acquisition Proposal to the Board of Directors that did not result from a breach of Section 3.3 by the Company and the Board of Directors in good faith determines that such Acquisition Proposal, if made, is or may reasonably be expected to result in a Superior Proposal and the Board of Directors, after consultation with outside legal counsel, determines in good faith that the failure to provide such party with access to such information would be inconsistent with their fiduciary duties, then, and only in such case, the Company may, subject to the execution of a confidentiality and standstill agreement which is no less favourable to the Company and no more favourable to the counterparty than the Confidentiality Agreement (provided that the standstill provision shall permit the making and consummation of a Superior Proposal and provided further that the requirement to execute a confidentiality and standstill agreement shall not be apply if the person making or proposing to make the Acquisition Proposal is already party to a confidentiality agreement with the Company), provide such party with access to any information regarding the Company and its Subsidiaries for a period of (i) ten (10) business days from the date access to any non-public information regarding the Company and its Subsidiaries is first granted by the Company to such party, provided that such party did not access the Data Room prior to the date of this Agreement or (ii) five (5) business days from the date access to any non-public information regarding the Company and its Subsidiaries is first granted by the Company to such party pursuant to the provisions hereof, if such party accessed the Data Room prior to the date of this Agreement. The Company shall provide the Offeror immediately with a list of, and in the case of information that was not previously made available to the Offeror, copies of or access to any information that is being provided to such person.

(e) The Company shall notify the Representatives of the Company and its Subsidiaries of the provisions of this Section 3.3, and the Company shall be responsible for any breach of this Section 3.3 by any of such Representatives.

3.4

Access to Information

- (a) From the date hereof until the earlier of the Expiry Time and the time this Agreement is terminated, and subject to the existing confidentiality agreement between the Company and the Offeror dated August 6, 2009, as supplemented by letter agreement dated August 6, 2009 (together the "Confidentiality Agreement"), upon reasonable notice, the Company shall (and shall cause its Subsidiaries to) afford the Offeror and its Representatives during normal business hours access to information, confidential or otherwise, with respect to the Company and its Subsidiaries and their respective businesses, assets and properties, including books, contracts and records as well as reasonable access to management personnel and employees and reasonable access to the properties of the Company and its Subsidiaries, subject in each case to compliance with applicable Laws and to the Company receiving any consents or waivers with respect to the provision of confidential information or with respect to access required under any applicable agreements with third parties, subject to such access not interfering with the ordinary conduct of the business of the Company and its Subsidiaries. The Offeror and its Representatives will not contact or engage in any discussion or correspondence related to the Company or its Subsidiaries with any Government Authority, any employees of the Company or its Subsidiaries, any supplier of the Company or its Subsidiaries, or any third party who is a party to any agreement, arrangement or understanding under which the Company or its Subsidiaries (or any of their assets) is bound or affected, without the prior written consent of the Company, which consent shall not be unreasonably delayed or withheld, and the Company shall (and shall cause its Subsidiaries to) furnish promptly to the Offeror all information concerning its business, assets, properties and personnel as the Offeror may reasonably request, subject to any obligation of confidentiality to which the Company or any of its Subsidiaries is subject, contractual or otherwise.

If any provision of this Agreement conflicts or is inconsistent with any provision of the Confidentiality Agreement, the provisions of this Agreement will supersede those of the Confidentiality Agreement but only to the extent of the conflict or inconsistency and all other provisions of the Confidentiality Agreement will remain in full force and effect.
- (c) The Company hereby waives from the date of this Agreement until the earlier of (i) the Expiry Time and (ii) the date of termination of this Agreement the prohibitions in the Confidentiality Agreement which would prevent: (A) the transactions contemplated hereby; (B) market purchases by the Offeror or its affiliates of Aquiline Shares, so long as such purchases are not in excess, in

and in any of the foregoing circumstances the Offeror terminates this Agreement pursuant to Section 6.1(g);

(b) the Offeror terminates this Agreement pursuant to Section 6.1(d); or

(c) the Company terminates this Agreement pursuant to Section 6.1(h); or

- (d) the Minimum Tender Condition in paragraph (a) of Schedule "B" has not been satisfied or waived at the Expiry Time (other than as a result of a failure by the Offeror to comply with its covenants and obligations under this Agreement or if a Pan American Material Adverse Change has occurred), the Offeror terminates this Agreement, an Acquisition Proposal has been publicly announced by any person

prior to the Expiry Time and not withdrawn at least one (1) business day prior to the Expiry Time, and:

- (i) such Acquisition Proposal is consummated prior to the expiration of six (6) months following the termination of this Agreement; or
- (ii) the Board of Directors approves the entering into of a definitive agreement with respect to such Acquisition Proposal prior to the expiration of six (6) months following the termination of this Agreement;

(each of the above being a "Non-Completion Event"), the Company shall pay or shall cause to be paid to the Offeror (the "Non-Completion Payment") \$18 million dollars in immediately available funds. Any such payment will be paid: (x) in the case of a Non-Completion Event specified in Sections 4.1(a) or 4.1(b) on the second business day following the occurrence of such Non-Completion Event; (y) in the case of a Non-Completion Event specified in Section 4.1(c) prior to the termination of this Agreement by the Company; or (z) in the case of a Non-Completion Event specified in Section 4.1(d), on the consummation of the transaction referred to therein (provided that the Company shall deposit the amount of the Non-Completion Fee in an escrow account in favour of the Offeror with a Canadian law firm or trust company not less than three (3) business days prior to the consummation of the Acquisition Proposal referred to in Section 4.1(d) and an irrevocable direction that such amount shall be released (i) to the Offeror automatically on the business day following consummation of the Acquisition Proposal referred to in Section 4.1(d), or (ii) to the Company if for any reason the Acquisition Proposal referred to in Section 4.1(d) is not consummated). The Company shall not be obligated to make more than one payment pursuant to this Section 4.1.

4.2 Financing of Non-Completion Payment

Nothing in this Agreement shall prevent the Company from:

- (a) engaging in discussions or negotiations with any person during the Right to Match Period with respect to potential transactions to raise the funds necessary to pay the Non-Completion Payment; or
- (b) entering into any agreement with respect to funding payment of the Non-Completion Payment,

provided that no binding agreement or arrangement of any nature shall be entered into by the Company in respect of a transaction to raise such funds (other than a binding agreement or arrangement contingent upon the events in (x) and (y) below) unless and until: (x) the Right to Match Period has expired; and (y) if the Offeror has proposed to amend the terms of the Offers in accordance with Section 4.5(c), the Board of Directors (after receiving advice from its financial advisor and outside legal counsel) shall have determined in good faith that the applicable Acquisition Proposal remains a Superior Proposal in accordance with Section 4.5(c).

4.3 Expense Reimbursement

If this Agreement is terminated by the Offeror pursuant to Section 6.1(c), the Company shall pay or cause to be paid to the Offeror all reasonable and documented out-of-pocket fees and expenses of the Offeror up to a maximum of \$3 million, which were incurred in connection with the transactions which are the subject of this Agreement in immediately available funds by way of bank draft or wire transfer no later than the later of: (a) third business day following the termination of this Agreement and (b) the date that the Offeror provides documentation to evidence all out-of-pocket fees and expenses. The Offeror acknowledges that the only obligation of the Company to reimburse the Offeror for its expenses is pursuant to Section 4.3 and the Company shall not be required to reimburse the Offeror for its expenses except as otherwise provided in Section 4.3 and that Section 4.3 is the sole and exclusive remedy of the Offeror in respect of expenses.

4.4 Effect of Payments

Each Party acknowledges that all of the payment amounts set out in this Article 4 (excluding Section 4.3) are payments of liquidated damages which are genuine pre-estimates of the damages which the Party entitled to such damages will suffer or incur as a result of the event giving rise to such damages and the resultant termination of this Agreement and are not penalties. For greater certainty, the parties agree that the Non-Completion Payment is the sole remedy of the Offeror with respect to the event or events giving rise to the termination of this Agreement; provided, however, that nothing contained in this Section 4.4, and no payment of any Non-Completion Payment or expense reimbursement shall relieve or have the effect of relieving any Party in any way from liability for damages incurred or suffered by a Party as a result of an intentional or wilful breach of this Agreement (except in circumstances where the Board of Directors is acting in accordance with its fiduciary duties), including the intentional or wilful making of a fraudulent misrepresentation in this Agreement. Each Party irrevocably waives any right that it may have to raise as a defence that any such liquidated damages are excessive or punitive.

4.5 Right to Match Superior Proposal

(a) If, before the Expiry Time or termination of the Offers, the Board of Directors determines that an Acquisition Proposal constitutes a Superior Proposal, the Company shall promptly notify the Offeror in writing thereof and provide to the Offeror a notice (the "Notice of Superior Proposal") containing: (i) a copy of the document evidencing such Superior Proposal; (ii) the identity of the person making the Superior Proposal and a copy of such confidentiality agreement and (iii) a written notice from the Board of Directors regarding the value in financial terms and the underlying material assumptions that the Board of Directors has, in consultation with the Company's financial advisor, determined should be ascribed to any non-cash consideration offered under such Superior Proposal). The Company shall provide additional details of the material terms of the Superior Proposal as the Offeror may reasonably request. The Company shall keep the Offeror promptly informed of the status, including of any change to the material

terms of, the Superior Proposal and will respond promptly to all reasonable inquiries by the Offeror with respect thereto.

- (b) Until the expiration of the Right to Match Period, the Board of Directors shall not take any action to withdraw, modify, qualify or change its recommendation with respect to the Offers as a result of the Superior Proposal or to approve or implement or enter into, or resolve to enter into, any agreement related to such Superior Proposal, other than a confidentiality and standstill agreement permitted by Section 3.3(d).
- (c) The Company acknowledges and agrees that during the period (the "Right to Match Period") ending on the 5th business day following the date of receipt of the Notice of Superior Proposal by the Offeror, the Offeror shall have the opportunity, but not the obligation, to propose written amendments to the terms of the Offers and this Agreement, and the Company shall co-operate with the Offeror with respect thereto, including negotiating in good faith with the Offeror with respect to the proposed written amendments until the expiry of the Right to Match Period. The Board of Directors shall review any such written offer by the Offeror to amend the terms of the Offers and this Agreement in order to determine, in good faith and in accordance with its fiduciary duties, whether the Offers and this Agreement, as amended by the proposed written amendments, would result in the Acquisition Proposal not being a Superior Proposal compared to Offers and this Agreement, as so amended. If the Board of Directors so determines, the Company and the Offeror shall amend this Agreement to reflect such proposed written amendments and only to reflect such proposed written amendments and the Company shall not take any action to withdraw, modify, qualify or change its recommendation with respect to the Offers, as amended, or to approve or implement or enter into any agreement related to such Acquisition Proposal, other than a confidentiality and standstill agreement permitted by Section 3.3(d). If the Offeror does not propose written amendments to the terms of the Offers and this Agreement or the Board of Directors does not make the determination referred to above, the Company shall be entitled to terminate this Agreement and enter into an agreement in respect of the Superior Proposal and/or withdraw, modify, qualify or change its recommendation concerning the Offers and recommend the Superior Proposal, as applicable, provided that it shall have prior thereto paid to the Offeror the Non-Completion Payment contemplated by Section 4.1 and further provided that the Company is not in breach in any material respect of any of its covenants or obligations under Section 3.3 and Section 1.2(d).
- (d) Each successive modification to the material terms of any Acquisition Proposal shall constitute a new Acquisition Proposal for the purposes of Section 4.5.

4.6 Reconfirmation of Approval

The Board of Directors shall promptly reaffirm its recommendation of the Offers by press release after: (i) any determination by the Board of Directors that an Acquisition

Proposal which is publicly announced or publicly made is not and would not reasonably be expected to result in a Superior Proposal; or (ii) the Board of Directors determines that a proposed amendment to the terms of the Offers would result in a publicly announced Acquisition Proposal no longer being a Superior Proposal.

4.7 Additional Board Communications

Nothing in this Agreement shall prevent the Board of Directors or any director of the Company from responding through a directors' circular, director's circular or otherwise as required or permitted by applicable Securities Laws to an Acquisition Proposal that is determined not to be a Superior Proposal or from withdrawing, modifying or changing a recommendation as a result of Pan American having suffered a Pan American Material Adverse Change. Further, nothing in this Agreement shall prevent the Board of Directors or any director from making any disclosure to the securityholders of the Company if the Board of Directors or any director, acting in good faith and upon the advice of legal counsel, shall have first determined that the failure to make such disclosure would be inconsistent with the fiduciary duties of the Board of Directors or such director.

ARTICLE 5
MUTUAL COVENANTS

5.1 Consultation

Thereafter, the Parties agree to consult with each other in issuing any subsequent press releases or otherwise making public statements with respect to the Offers and in making any filings with any Government Authority with respect thereto. Subject to the requirements of applicable Laws, each Party shall use its commercially reasonable efforts to enable the other Party to review and consent to all such press releases prior to release thereof.
- (b) The Company shall co-operate with the Offeror and take all reasonable actions to support and facilitate the Offeror's announcement strategy and public relations efforts relating to the transactions contemplated hereby.

supplement to the Offer Documents, the Directors' Circular, application or filing, as required.

5.2 Further Assurances

7.4 Entire Agreement

This Agreement, together with the Confidentiality Agreement, supersede all prior agreements, commitments, arrangements or understandings between the Parties hereto with respect to the subject matter hereof and constitute the entire agreement between the Parties with respect to the subject matters hereof.

7.5 Severability

If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated and the parties shall negotiate in good faith to modify the Agreement to preserve each Party's anticipated benefits hereunder.

7.6 Assignment

Except as expressly permitted by the terms hereof, neither this Agreement nor the rights, interests and obligations hereunder shall be assignable by either Party without the prior written consent of the other Party, provided, however, that the Offeror may assign all or any part of its rights or obligations under this Agreement to a corporation whose shares are wholly owned directly or indirectly by the Offeror, provided that if such assignment takes place, the Offeror shall continue to be fully liable as primary obligor and not merely as surety and, on a joint and several basis with any such entity, to the Company for any default in performance by the assignee of any of the Offeror's obligations hereunder.

Accordingly, the Parties hereto acknowledge and hereby agree that in the event of any breach or threatened breach by the Company, on the one hand, or the Offeror, on the other hand, of any of their respective covenants or obligations set forth in this Agreement, the Company, on the one hand, and Offeror, on the other hand, shall be entitled to an injunction or injunctions to prevent or restrain breaches or threatened breaches of this Agreement by the other, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of the other under this Agreement. Encumbrances and Defects in Title

First and Second mortgages were registered in favour of Newmont Mining Corporation and subsequently assigned to Franco Nevada Corporation, encumbering mines NABEL, NABEL 4 and REBECA. The first mortgage was partially discharged on October 20, 2006; a collateral charge remains only to secure payment of a 2.5% net smelter return royalty over the Calcatreu Gold Project in favour of Franco Nevada Corporation. The second mortgage was fully discharged on August 7, 2007.

Navidad Project

Description

Navidad Silver Project is an advanced stage silver-lead mineral exploration project located in Chubut Province, Argentina, as more particularly described in the technical report dated May 2009, prepared by the Snowden Group in accordance with NI-43-101.

Please see attached a list of Concessions and Lands listed as Exhibit "B".

The Company obtained operational control over the Navidad Silver Project under the terms of an interim project development agreement (the "IPDA") among the Company, MAA, IMA Exploration Inc. ("IMA") and IMA subsidiaries, dated October 18, 2006,

giving effect to the judgement of the Supreme Court of British Columbia (Vancouver Registry Action NO. S041353) with respect to the Navidad Silver Project. The final IMA appeal against the ruling in favour of the Company was dismissed by the Supreme Court of Canada with costs in December 2007. On January 18, 2008, the Company announced that it and IMA agreed to amend the terms of the IPDA to allow the Company an extension until February 11, 2008 to pay the sum of \$11 million owing to IMA thereunder. Upon the final payment that was made in February 2008, the ownership and control of the Navidad Silver Project was transferred to the Company.

Encumbrances and Defects in Title

[certain information regarding the property]

Pico Machay Project

The Pico Machay gold property (the "Pico Machay Project") is a high sulphidation gold system within the Calipuy volcanics that consists of 16 concessions covering 5,422 hectares located in South Central Peru in Huancavelica Province, Peru, approximately 450 kms south east of Lima, as more particularly described in the technical report dated October 27, 2006.

Please see attached a list of Concessions listed as Exhibit "C".

The Pico Machay Project was optioned to Calipuy from Compañía Minera IRI Peru S.A. Absolut acquired the option to earn 75% of the Pico Machay Project from Monterrico by purchasing 100% of Calipuy, a private Peruvian based company.

On April 1, 2008, the Company acquired 100% of the issued and outstanding shares of Absolut Resources Corp. by way of an amalgamation of Absolut Resources Corp. and 41310 Yukon Inc., a wholly-owned subsidiary of Aquiline.

On October 2, 2009, the Company and Absolut entered into the Monterrico Agreement, pursuant to which Absolut purchased from Intercontinental all of the issued and outstanding shares in PMCL. PMCL held all but one share in Minera Pico. Calipuy, an indirect subsidiary of the Company, purchased from Minera Coripacha, an indirect subsidiary of Monterrico, the remaining one share of Minera Pico. Minera Pico holds the registered title to the mining concessions comprising of the Pico Machay Project. As a result of these purchases, the Company now holds all of the issued and outstanding shares in Minera Pico.

Encumbrances

1. The Pico Machay Project is subject to a 2% net smelter return.
2. Mining Mortgage granted by Minera Pico to Intercontinental encumbering all of the concessions comprising the Pico Machay Project.

Chaparra Project

The Chaparra project is a high-grade gold mesothermal vein system that consists of 12 exploration concessions within the Chaparra District of the Nazca Ocona gold belt covering 4,730 hectares located 45 km east of the coastal town of Chala, in the department of Arequipa, Peru . The option to develop the Chaparra Projects was owned 100% by Absolut through its subsidiary, Calipuy.

Please see attached a list of existing four Concessions listed as Exhibit "D".

Eight of the Chaparra mining concessions (the "8 Chaparra Concessions") are held through an option agreement (the "8 Concessions Option Agreement") with the Chaparra concession holders, pursuant to which the Company is required to make a payment of US\$ 850,000 by October 24, 2009 in order to complete the purchase of the 8 Chaparra Concessions (the "Option"). Calipuy has received notification from the owners of the 8 Chaparra Concessions that unless full payment of the Option is received by October 24, 2009, the Option will expire and terminate. The Company and Calipuy have no intention at this time of making this payment and have elected to let the Option expire.

The Option to acquire the 8 Chaparra Concessions was owned by Compania Minera Colorado S.A.C. ("CMC"). CMC and Calipuy had entered into an option purchase agreement (the "CMC Option Agreement") with the owners of CMC to purchase the shares of CMC and thereby acquire the Option on the 8 Chaparra Concessions (the "CMC Option"). The cost of the CMC Option was US\$ 375,000 (CND\$523,350), arose on June 8, 2005, it bears no interest, and is unsecured. Subsequently, CMC was merged with Calipuy, with the concurrence by the owners of CMC that the CMC Option was not exercised as a result of the merger. \$87,225 (US \$75,000) of the debt under the CMC Option was due in September 2008 and \$436,125 (US \$375,000) was due in September 2009. [certain information regarding the Chaparra Project]

Encumbrances

The Chaparra project is subject to a 1% NSR to a privately held Peruvian company that is capped at US\$1 million.

Regalo Project

In March 2008, the Company and Consolidated Pacific Bay ("PacBay") signed a definitive option and joint venture agreement (the "JV Agreement") concerning the Regalo gold property (the "Regalo Project"). The Regalo Project is located approximately 70 kilometres southwest of the Navidad Project. PacBay had previously been earning an interest in the Regalo Project from IMA that was assigned to the Company. The JV Agreement reversed the terms of the original agreement between IMA and PacBay dated August 27, 2003 as amended by letter agreement dated December 16, 2005 (the "Original Agreement"), with the Company becoming the operator and earning an interest from Pacific Bay.

Under the JV Agreement, the Company can earn a 70% interest in the Regalo Project by paying PacBay US\$100,000 on signing of the Agreement (paid), reimbursing (within 30 days) PacBay US\$169,000 for an airborne survey already underway (subsequently reimbursed), returning to PacBay 900,000 of PacBay's common shares issued to the Company under the Original Agreement (within 30 days) (returned), and completing a 3,000 metres of drilling work on the Regalo Project within two years. There have not been any drilling to date. Once the Company has completed the forgoing, it will have earned a 70% interest in the Regalo Project, and the parties will thereafter form a joint venture whereby each company will participate in programs according to their respective interests. If either party's interest is diluted through non-participation in programs to 15% or less, that party's interest automatically converts to a 2% NSR, which either party can purchase from the other for \$2 million.
