Item 3.03 Material Modification to Rights of Security Holders.

To the extent required by Item 3.03 of Form 8-K, the information contained in Item 5.03 of this Current Report on Form 8-K is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 19, 2018, Ascent Solar Technologies, Inc., a Delaware corporation (the "Company"), filed a Certificate of Amendment to the Amended and Restated Certificate of Incorporation of the Company (the "Certificate of Amendment") with the Secretary of State of the State of Delaware to effect a reverse stock split of the Company's common stock, par value \$0.0001 per share (the "Common Stock") at a ratio of one-for-one thousand (the "Reverse Stock Split").

The Certificate of Amendment provides that the Reverse Stock Split became effective as of 5:00 p.m. Eastern Time on July 20, 2018 (the "Effective Time"), at which time every thousand shares of the Company's issued and outstanding Common Stock were automatically combined into one issued and outstanding share of Common Stock, without any change in the par value per share. The Certificate of Amendment provides that in the event a stockholder would otherwise be entitled to receive a fraction of a share of Common Stock, such stockholder shall receive one whole share of Common Stock in lieu of such fractional share and no fractional shares shall be issued.

Following the Reverse Stock Split, the Company has approximately 19 million shares of Common Stock issued and outstanding. The number of authorized shares of the Company's Common Stock remains at 20 billion. The number of shares of the Company's Series A preferred stock outstanding was not affected by the Reverse Stock Split. However, the number of shares of Common Stock into which each outstanding share of Series A preferred stock is convertible will be adjusted proportionately as a result of the Reverse Stock Split. All outstanding RSUs, stock options, warrants and rights to purchase shares of Common Stock will be adjusted proportionately.

Trading of the Company's Common Stock continued on the OTC Marketplace on a split-adjusted basis on July 23, 2018. The Company's Common Stock will temporarily trade under the symbol "ASTID," with a "D" added for 20 trading days to signify that the Reverse Stock Split has occurred. After 20 trading days, the trading symbol will revert back to ASTI. The new CUSIP number for the Common Stock following the Reverse Stock Split is 043635507.

A copy of the Certificate of Amendment is filed as Exhibit 3.1 hereto and is incorporated herein by reference.

At the Company's 2018 Annual Meeting of Stockholders, the Company's stockholders approved a reverse stock split of the Common Stock at a ratio ranging from one-for-one hundred to one-for-one thousand, with such ratio to be determined by the Company's Board of Directors in its discretion without further approval from the Company's stockholders. The Board of Directors of the Company subsequently authorized proceeding with the Reverse Stock Split at a ratio of one-for-one thousand.

Item 9.01 Financial Statements and Exhibits.

(d) The following exhibits are filed with this report:

Exhibit Number	Description
3.1	<u>Certificate of Amendment to the Amended and Restated Certificate of Incorporation of the Company, dated July 19, 2018.</u>
