Item 8.01 Other Events.

Healthcare Trust of America, Inc. (NYSE: HTA) (“HTA”) announced today that it has revised the record and pay dates for the previously declared cash dividend that was approved by the board of directors for the first quarter ending March 31, 2017. The dividend will now be paid on April 13, 2017 (previously April 11, 2017) to stockholders of record on April 10, 2017 (previously April 3, 2017). This represents an annualized rate of \$1.20 per common share and an annualized yield of 3.8% based on HTA’s closing share price as of March 28, 2017.

The amount of dividends HTA pays to its stockholders is determined by HTA’s board of directors, at its discretion, and is dependent on a number of factors, including funds available for the payment of distributions, HTA’s financial condition, capital expenditure requirements and annual distribution requirements needed to maintain HTA’s status as a real estate investment trust under the Internal Revenue Code. HTA’s board of directors may reduce its dividend rate and HTA cannot guarantee the amount of dividends paid in the future, if any.
