**Item 1.01 Entry into a Material Definitive Agreement.**

On June 26, 2015, CareView Communications, Inc. (the “Company”) and certain of its subsidiaries entered into a Credit Agreement (the “Credit Agreement”) with PDL BioPharma, Inc., as administrative agent and lender (the “Lender”). Under the Credit Agreement, the Lender made available to the Company up to \$40 million in two tranches of \$20 million each.

In the event that a specified milestone relating to the placement of the Company’s products (the “Tranche One Milestone”) occurs on or before October 31, 2015, the Lender will fund the Company \$20 million (“Tranche One”). In the event that additional specified milestones relating to the placement of the Company’s products and revenue occur on or before June 30, 2017, the Lender will fund the Company an additional \$20 million (“Tranche Two” and, together with Tranche One, the “Loans”). Outstanding borrowings under Tranche One bear interest at the rate of 13.5% per annum, payable quarterly in arrears. Outstanding borrowings under Tranche Two bear interest at the rate of 13.0% per annum, payable quarterly in arrears.

Principal repayment under each of Tranche One and Tranche Two will commence on the ninth interest payment date. The Company may elect to pay a portion of the interest due in the form of additional Loans during the first eight interest payment dates. Each tranche will mature on the fifth anniversary of the date borrowed. The Company may elect to prepay the Loans at any time without any premium or penalty, subject to certain conditions.

The obligations under the Credit Agreement are secured by a pledge of substantially all of the assets of the Company and certain of its domestic subsidiaries.

The Credit Agreement contains customary affirmative covenants for transactions of this type and other affirmative covenants agreed to by the parties, including, among others, the provision of annual and quarterly reports, maintenance of property, insurance, compliance with laws and contractual obligations and payment of taxes.
