PROXY STATEMENT

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors at our expense for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 9:00 a.m. on Thursday, April 25, 2013 at the SpringHill Suites, Mall of America, 2870 Metro Drive, Bloomington, Minnesota, 55425.

Only stockholders of record as of February 28, 2013 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 46,271,756 shares of our Common Stock, par value \$.01 per share, were issued and outstanding, and 741.25 shares of our 10% Convertible Preferred Stock, par value \$1.00 per share, were issued and outstanding. The holders of our Common Stock are entitled to one vote per share, and the holders of our 10% Convertible Preferred Stock are entitled to 25,000 votes per share. Therefore, the holders of our outstanding shares of 10% Convertible Preferred Stock have 18,531,250 votes on matters to come before the Meeting on which such holders are entitled to vote, which represents 29% of our outstanding voting securities. Holders of record of our Common Stock, exclusively and as a separate class, are entitled to elect the three directors nominated for re-election at the Meeting. Holders of record of our 10% Convertible Preferred Stock will vote together as a single class with the holders of Common Stock on all other matters to come before the Meeting. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of the three nominees to our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition to the election of Directors, the stockholders will consider and vote upon proposals (i) to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors, (ii) to approve, on an advisory basis, the compensation of the Company's named executive officers, and (iii) to approve, on an advisory basis, a shareholder vote to be held annually on the compensation of the named executive officers, all as further described in this proxy statement. Where a choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted in accordance with the specification. Where no choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted FOR such matter.

The representation in person or by proxy of a majority of the votes entitled to be cast by the holders of Common Stock is necessary to establish a quorum for the purpose of the election of the three nominees to our Board of Directors. The representation in person or by proxy of a majority of the votes entitled to be cast by the stockholders entitled to vote on all other matters to be considered at the Meeting is necessary to establish a quorum for the transaction of all other business to come before the Meeting. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence of a quorum. A "broker non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

Directors are elected by a plurality of the votes cast by stockholders entitled to vote on such proposal at the Meeting. Abstentions and broker non-votes with respect to this election do not count as votes for or against such election.

For the advisory vote on the frequency of holding future say-on-pay votes, the frequency that receives the highest number of affirmative votes cast on the matter shall be deemed approved. Abstentions and broker non-votes will have no effect on the outcome of voting on this matter.

All of the other proposals at the meeting require the favorable vote of a majority of the votes cast on the matter. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

Our Annual Report, containing financial statements for the fiscal year ended September 30, 2012 is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy are intended to be first mailed to stockholders on or about March 25, 2013.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors has proposed that the three nominees listed below will be nominated to be elected by the holders of our Common Stock to serve as directors until the next Annual Meeting of Stockholders or until their successors are elected. Our three other current members of the Board of Directors, Messrs. Braverman and Weston and Dr. Faliks, have each been elected by the holders of the 10% Convertible Preferred Stock pursuant to the terms of the 10% Convertible Preferred Stock and a voting agreement entered into upon the issuance of our 10% Convertible Preferred Stock. These three directors will continue to hold office until the next annual meeting and until their respective successors are elected, or until their earlier resignation or removal.

Shares represented by all proxies received by the Board of Directors and not so marked to withhold authority to vote for any individual nominee will be voted (unless one or more nominees are unable or unwilling to serve) FOR the election of all nominees. The Board of Directors knows of no reason why any such nominees should be unable or unwilling to serve, but if such should be the case, proxies may be voted for the election of some other person or for fixing the number of directors at a lesser number.

The following information is set forth with respect to each nominee for election as a director.

Nominee's Name	Position(s) Held	Year Term will Expire
Maurice E. Needham	Chairman of the Board of Directors	2014
Lyle Jensen	Chief Executive Officer, President and Director	2014
Lew F. Boyd	Director	2014

The Board of Directors recommends a vote FOR each of the nominees listed above.

Occupations of Directors, Director Nominees and Executive Officers

Our directors and executive officers are as follows:

Name	Age	Position
Maurice E. Needham	72	Chairman of the Board of Directors
Lyle Jensen	62	Chief Executive Officer; President; Director
Charles E. Coppa	50	Chief Financial Officer; Treasurer; Secretary
Lew F. Boyd	67	Director
Neil Braverman	74	Director
Dr. Aviel Faliks	38	Director
Jamie Weston	48	Director

Each director is elected for a period of one year at the annual meeting of stockholders and serves until his or her successor is duly elected by the stockholders. On and after March 31, 2013, and therefore effective at this Meeting, (i) the holders of our Common Stock, voting as a separate class, are entitled to elect three members of the Board of Directors, (ii) the holders of our 10% Convertible Preferred Stock, voting as a separate class, have the right to elect three members of the Board of Directors, and (iii) the holders of our Common Stock and our 10% Convertible Preferred Stock, voting together as a single class, have the right to elect the balance of the total number of directors. The officers are appointed by and serve at the discretion of the Board of Directors. All outside directors receive \$5,000 per quarter as board compensation. Mr. Weston and Dr. Faliks have agreed to forgo their quarterly retainers.

We have established an Audit Committee consisting of Mr. Weston (Chair), effective February 5, 2013, and Dr. Faliks and a Compensation Committee consisting of Messrs. Boyd (Chair), Needham and, effective May 29, 2012, Messrs. Weston and Braverman. LYLE JENSEN has been a Director since May 2002. On April 12, 2006, Mr. Jensen became our Chief Executive Officer. Mr. Jensen previously was Executive Vice President/Chief Operations Officer of Auto Life Acquisition Corporation, an automotive aftermarket dealer of fluid maintenance equipment. The Board of Directors believes Mr. Jensen has the necessary qualifications and skills to serve as Chief Executive Officer and as a director based on his financial and operational background and the management expertise he has cultivated during his nearly eight year tenure with our company.

In February 2011 and again in October 2011, Messrs. Tierney and Galvin (former directors) agreed to accept an aggregate of 101,668 shares of unregistered Common Stock (valued at \$46,667) in lieu of cash for certain director's fees due the individuals.

Related Party Transactions

On November 18, 2008, we entered into a month-to-month consulting agreement at a rate of \$7,500 per month with a company owned by Mr. Boyd who also serves as the Chairman of our Compensation committee. The consulting firm is currently providing assistance in the areas of due diligence support as well as market opportunity identification and evaluation, Board of Director candidate identification and evaluation and other services as our Board may determine. During the fiscal years ended September 30, 2012 and 2011 we paid \$97,978 and \$97,508, respectively relating to this

contract. The agreement was terminated in December 2012.

On June 17, 2009 we entered into an Exclusive Patent License Agreement between our company and M & R Development Inc. ("M&R"), formerly known as American Power Group, Inc. and currently co-owned by one of our American Power Group employees. Pursuant to the license, we acquired the exclusive worldwide right to commercialize M&R's patented dual fuel alternative energy technology. During the fiscal years ended September 30, 2012 and 2011 we incurred license fees to M&R of \$120,404 and \$173,637, respectively.

On April 27, 2012, we entered into amendment to the patent license agreement. The amendment amends the royalty provisions in the license to modify the calculation of the royalty payments and to amend the timing of the royalty payments. Under the provisions of this amendment, effective April 1, 2012 the monthly royalty amount due to M&R will be the lesser of 10% of net sales or 30% of pre-royalty EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization). No royalties will be

due if cumulative EBITDA is less than zero. M&R also agreed to waive any prior defaults under the license. In addition, we amended the amended and restated promissory note dated December 1, 2009 to extend the maturity of the note until February 15, 2015 and to defer all interest and principal payments due under the note during calendar 2012. Thereafter, the aggregate principal amount due under the note will be paid in eight equal quarterly payments plus interest.

In conjunction with the July 2009 acquisition of substantially all the American Power Group operating assets we acquired a promissory note from the previous owners of M&R, payable to American Power Group Corporation, in the principal amount of \$800,000. Per our agreement, 25% of any royalties due from time to time to M&R under a technology license agreement will be applied against outstanding interest and principal due under the terms of the note rather than be paid to M&R. In conjunction with the 10% Convertible Preferred Stock financing, on April 27, 2012, we amended the note to extend the maturity of the note from July 2013 to February 2015 and defer all interest and principal payments due under the note during calendar 2012. Thereafter, the aggregate principal amount due under the note will be paid in eight equal quarterly payments plus interest. During the fiscal year ended September 30, 2012 we applied \$31,923 of license fees due against accrued interest due under the note. As of September 30, 2012, accrued interest due under the note was \$19,146.

Our dual fuel conversion subsidiary leases office and warehousing space in Iowa from M&R. On October 1, 2010, we signed a one-year lease with M&R with monthly rental payments of \$8,914 on a triple net basis. On October 1, 2011, we executed a new 2 year lease agreement requiring monthly rental payments of \$10,000 on a triple net basis. On May 1, 2012, we executed a new 3 year lease with M&R. Under the terms of the lease, monthly rental payments of \$10,000 on a triple net basis are required for the first year and then increasing in years two and three by the percentage growth in the Greater Des Moines Consumer Price Index (or equivalent index) for the latest available twelve months prior to the date of the increase. We have the option to renew this lease for an additional two year term at a mutually agreed upon rate. For the fiscal years ended September 30, 2012 and 2011, total related party rental expense in connection with non-cancellable real estate leases amounted to \$143,248 and \$145,460, respectively.

In February and March 2011, in connection with a private placement of additional promissory notes, Mr. Boyd loaned us \$20,000. We issued 0.5 shares of unregistered Common Stock for each dollar invested in the offering, or 10,000 shares of Common Stock to Mr. Boyd. We repaid this note in full in May 2012.

On October 12, 2011 Mr. Jensen loaned us \$150,000 pursuant to the terms of a 10% promissory note due November 27, 2011 (and subsequently extended to April 30, 2014).

On April 27, 2012, we entered into amendments to promissory notes in the aggregate principal amount of \$473,500 held by Mr. Coppa, our Chief Financial Officer; Mr. Jensen, a member of our Board of Directors and our President and Chief Executive Officer; and Dr. Kahn, a former member of our Board of Directors. These amendments reduced the interest rates of the promissory notes to 8% per annum and extended the maturity dates of the notes to April 30, 2014.

All transactions, including loans, between us and our officers, directors, principal stockholders, and their affiliates are approved by a majority of the independent and disinterested outside directors on the Board of Directors. Management believes these transactions were consummated on terms no less favorable to us than could be obtained from unaffiliated third parties.

Code of Business Conduct and Ethics

We have adopted a code of business conduct that applies to officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions,

as well as to members of our Board of Directors. We have posted our code of ethics on our corporate website, www.americanpowergroupinc.com.

Board Leadership Structure

Currently, the positions of Chairman of the Board of Directors and Chief Executive Officer are held by separate persons, with the position of Chairman filled by Mr. Needham, an independent, non-executive director. The Board believes that the separation of the roles of Chairman of the Board of Directors and Chief Executive Officer is appropriate as it allows the Chief Executive Officer to focus primarily on management and strategy responsibilities, while allowing the independent Chairman to focus on leadership of the Board of Directors, providing feedback and advice to the Chief Executive Officer and providing a channel of communication between the Board members and the Chief Executive Officer and other members of senior management. The Chairman of the Board presides over all Board meetings and works with senior management to develop agendas for Board meetings. The Chairman advises the Chief Executive Officer and other members of senior management on business strategy and leadership development. He also works with the Board to drive decisions about particular strategies and policies and,

in concert with the independent Board committees, facilitates a performance evaluation process of the Board and its committees. Our Board recognizes that future circumstances may lead it to change the leadership structure depending on our needs at the time, and as such, believes that it is important to retain flexibility.

Role of Board of Directors in Risk Oversight

One of the responsibilities of our Board is to review and evaluate the process used to assess major risks facing the Company and to periodically review assessments prepared by our senior management of such risks, as well as options for their mitigation. Our Board leadership structure, together with the frequent interaction between our directors and members of senior management, assist in this effort. Communications between our Board and senior management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board of Directors also plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The entire Board of Directors is formally apprised at least annually of the Company's enterprise risk management efforts. The Board reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed through committee reports.

Independence of the Board of Directors

The Board of Directors has adopted director independence guidelines that are consistent with the definitions of "independence" as set forth in Section 301 of the Sarbanes-Oxley Act of 2002 and Rule 10A-3 under the Securities Exchange Act of 1934. In accordance with these guidelines, the Board of Directors has reviewed and considered facts and circumstances relevant to the independence of each of our directors and has determined that, each of Messrs. Needham, Boyd, Braverman, Weston and Faliks qualifies as "independent."

The Board of Directors has determined that each of Messrs. Needham, Boyd, Braverman, Weston and Faliks are independent as defined under the NYSE Alternext US Rules, including, in the case of members of the Audit Committee, the independence requirements contemplated by Rule 10A-3, under the Exchange Act.

Our Board of Directors met 10 times, in person or by telephone, during the fiscal year ended September 30, 2012. None of the directors attended fewer than 75% of the meetings held during the period. The Audit Committee met four times during the fiscal year ended September 30, 2012. None of the members of the Audit Committee attended fewer than 75% of the meetings held during the period.

A copy of the Audit Committee charter is available at www.americanpowergroupinc.com. The Board of Directors has determined that the two members of the Audit Committee, Messrs. Weston and Faliks, are “independent” within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Report of the Audit Committee

The Audit Committee has reviewed and discussed our audited consolidated balance sheets and statements of operations, cash flows and stockholders' equity for the fiscal years ended September 30, 2012 and 2011 with management. The Audit Committee has discussed with our independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61.

The Audit Committee has also received and reviewed written disclosures and the letter from Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as required by Independent Standards Board No. 1 and has discussed with Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. their independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2012 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

Jamie Weston, Chairman

Dr. Aviel Faliks

Compensation Committee: The Compensation Committee of the Board of Directors sets the compensation of the Chief Executive Officer and reviews and approves the compensation arrangements proposed by the Chief Executive Officer for all other officers. Boyd, Needham, Braverman and Weston are "independent" within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Our Board of Directors has not established a nominating committee. Our Board believes that each of our current members should, and does, participate in the consideration of director nominees. The policy of our Board is to consider director candidates recommended by our stockholders. Stockholders wishing to nominate director candidates must comply with certain procedures and notice requirements set forth in our By-Laws. Nominations must be submitted in writing to our principal executive office on a timely basis and must contain certain information set forth in our By-Laws. See "Advance Notice Procedures" below. Our Board has not established a formal charter regarding the nomination and consideration of director candidates. We intend to evaluate the formation of a Nominating and Governance Committee, and a charter governing its operations, in fiscal 2013. When and if adopted, the charter will be posted on our corporate website.

Stockholders may communicate directly with members of our Board of Directors by sending a letter or other written communication to The Chairman of the Board (or, if applicable to an individual director by name), in care of the Corporate Secretary, American Power Group Corporation, 7 Kimball Lane, Building A, Lynnfield, MA 01940. Our current policy is to forward all communications to the Chairman of the Board or the individually named director, if applicable, but we reserve the right to modify that policy in the future.

It is also expected that such representative will be available to respond to appropriate questions.

Type of Service	Amount of Fee for	
	Fiscal 2012	Fiscal 2011
Audit Fees	\$147,715	\$155,915
Audit-Related Fees	—	12,171
Tax Fees	22,500	34,363
All Other Fees	—	—
	\$170,215	\$202,449

Audit Fees: These fees are for professional services rendered in connection with the audit of our annual financial statements, review of financial statements included in our Form 10-Q Quarterly Reports and services that are customarily provided by independent auditors in connection with statutory and regulatory filings or engagements for the relevant fiscal years.

Audit-Related Fees: These fees are for various accounting consultations.

Tax Fees: These fees are for professional services rendered for tax compliance, tax planning and tax advice. The services for the fees disclosed under this category include tax return preparation, research and technical tax advice.

Pre-Approval Policies and Procedures: The Audit Committee has adopted policies which provide that our independent auditors may only provide those audit and non-audit services that have been pre-approved by the Audit Committee, subject, with respect to non-audit services, to a de minimis exception (discussed below) and to the following

additional requirements: (i) such services must not be prohibited under applicable federal securities rules and regulations, and (ii) the Audit Committee must make a determination that such services would be consistent with the principles that the independent auditor should not audit its own work, function as part of management, act as an advocate of our Company, or be a promoter of our Company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2012 and 2011, all of the non-audit services provided by Schechter, Dokken, Kanter, Andrews & Selcer, Ltd., were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the de minimis exception noted above. This exception waives the pre-approval requirements for non-audit services if certain conditions are satisfied, including, among others, that such services are promptly brought to the attention of and approved by the Audit Committee prior to the completion of the audit.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we provide our shareholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success, and to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total shareholder return. We seek to closely align the interests of our named executive officers with the interests of our shareholders, and our Compensation Committee regularly reviews named executive officer compensation to ensure such compensation is consistent with our goals.

Required Vote

This vote is advisory, which means that the vote on executive compensation is not binding on the Company, our Board of Directors, or the Compensation Committee of the Board of Directors. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission. To the extent there is a significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address our shareholders' concerns.

Accordingly, we ask our shareholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table, and the other related tables and disclosure.”

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement.

PROPOSAL NO. 4

ADVISORY VOTE ON THE FREQUENCY OF FUTURE SAY-ON-PAY VOTES

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we provide our shareholders with the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently to hold future say-on-pay votes. Shareholders may indicate whether they would prefer that we conduct future say-on-pay votes once every one, two, or three years. Shareholders also may abstain from casting a vote on this proposal.

The Board of Directors has determined that an annual advisory vote on executive compensation will permit our shareholders to provide direct input on the Company's executive compensation philosophy, policies, and practices as disclosed in the Company's proxy statement, which is consistent with our efforts to engage in an ongoing dialogue with our shareholders on executive compensation and corporate governance matters.

Required Vote

This vote is advisory, which means that the vote on executive compensation is not binding on the company, our Board of Directors, or the Compensation Committee of the Board of Directors. The Company recognizes that the shareholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our shareholders as to their preferences on the frequency of an advisory vote on executive compensation. The Board of Directors and the Compensation Committee will take into account the outcome of the vote; however, when considering the frequency of future say-on-pay votes, the Board of Directors may decide that it is in the best interests of our shareholders and the Company to hold future say-on-pay votes more or less frequently than the frequency receiving the most votes cast by our shareholders.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two, or three years, or abstain from voting) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

The Board of Directors recommends a vote FOR the option of an annual vote as the preferred frequency for future say-on-pay votes.

TRANSACTION OF OTHER BUSINESS

Our Board of Directors knows of no other matters which may be brought before the Meeting. If any other matters properly come before the Meeting, or any adjournment thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.

ADVANCE NOTICE PROCEDURES

Under our By-Laws, nominations for a director may be made only by the Board of Directors, a committee appointed by the Board of Directors, or by a stockholder of record entitled to vote on the election of directors, who is also a stockholder at the record date of the meeting and also on the date of the meeting at which directors are to be elected, who has delivered notice to our principal executive offices (containing certain information specified in the By-laws) (i) not fewer than 60 days nor more than 90 days prior to the anniversary date of the preceding year's annual meeting, or (ii) if the meeting is called for a date not within 30 days before or after such anniversary date, not later than the close of business on the 10th day following the date notice of such meeting is mailed or made public, whichever is earlier.

Our By-laws also provide that no business may be brought before an annual meeting of stockholders except as specified in the notice of the meeting or as otherwise brought before the meeting by or at the direction of the Board of Directors, the presiding officer or by a stockholder who shall have been a stockholder of record on the record date for such meeting and who shall continue to be entitled to vote thereafter, who has delivered notice to our principal executive offices (containing certain information specified in the By-Laws) (i) not fewer than 60 days nor more than 90 days prior to the anniversary date of the preceding year's annual meeting, or (ii) for a special meeting or an annual meeting called for a date not within 30 days before or after such anniversary date, not later than the close of business on the 10th day following the date notice of such meeting is mailed or made public, whichever is earlier.

These requirements are separate and apart from and in addition to the requirements that a stockholder must meet in order to have a stockholder proposal included in our Proxy Statement under Rule 14a-8 of the Securities Exchange Act of 1934. A copy of the full text of the By-Law provisions discussed above may be obtained by writing to the Corporate Secretary, American Power Group Corporation, 7 Kimball Lane, Building A, Lynnfield, MA 01940.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended for inclusion in the proxy statement to be mailed to all stockholders entitled to vote at our next annual meeting of stockholders must be received at our principal executive offices not later than November 25, 2013. In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by Certified Mail Return Receipt Requested.

EXPENSES AND SOLICITATION

The cost of solicitation by proxies will be borne by us, in addition to directly soliciting stockholders by mail, we may request banks and brokers to solicit their customers who have our stock registered in the name of the nominee and, if so, will reimburse such banks and brokers for their reasonable out-of-pocket costs. Solicitation by our officers and employees may be made of some stockholders in person or by mail or telephone.

INFORMATION INCORPORATED BY REFERENCE

Our Annual Report, containing financial statements and management's discussion and analysis of our financial condition and results of operations for the year ended September 30, 2012 is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote, and is incorporated herein by this reference.
