ITEM 10. DIRECTORS AND EXECUTIVE OFFICERS OF THE COMPANY

The Board of Directors of Dixon - Structure/Independence

In addition, as further required by the American Stock Exchange listing standards, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Present members of the committee are Messrs. Scovanner (Chairman), Berzin, and Kramer, all independent (as defined in the American Stock Exchange listing standards) members of the Board. A copy of the current charter of the Audit Committee is attached as an exhibit to Dixon's annual report on Form 10-K for the fiscal year ended September 30, 2004.

Dixon's Board has determined that Dixon has at least one audit committee financial expert serving on its audit committee. That person is Mr. Scovanner and he has been determined by the Board to be independent, as that term is defined in the American Stock Exchange listing standards. Stockholders should understand that this designation is a disclosure requirement of the Securities and Exchange Commission related to Mr. Scovanner's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Scovanner any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and Board, and his designation as an audit committee financial expert pursuant to

Based solely upon a review of our records, during the past fiscal year, all reports required to be filed pursuant to Section 16(a) of the Securities Exchange Act of 1934 during the 2004 fiscal year were filed on a timely basis.

Director Compensation

Of Dixon's current Board members, Messrs. Pala, Joyce, Asta and Cespedes are salaried employees of Dixon. Board members who are not salaried employees of Dixon receive separate compensation for Board services. That compensation includes an annual retainer of \$7,500 and attendance fees of \$400 for each Board meeting and \$450 for each Board committee meeting. Salaried employee Board members receive attendance fees of \$350 for each Board meeting. We also reimburse the non-employee Board members for expenses related to their attendance. In the past, Board members were granted options to purchase Company common stock. No options were granted to Board members in fiscal 2002 or 2003. During fiscal year 2004, an option was granted to Mr. Scovanner to purchase 5,000 Shares at an exercise price of \$3.41 per Share because the Company had neglected to grant him an option when his Board service commenced.

Employment Agreements

Dixon entered into an employment agreement with Mr. Pala in 1995 which, until amended effective January 1, 2004, had a rolling one-year term until Dixon or Mr. Pala terminates it. Currently, Mr. Pala is paid a base salary at a rate of \$278,800 per annum, subject to increase from time to time in accordance with Dixon's normal business practices and, if so increased, the salary may not be decreased. Under the agreement, Mr. Pala is also entitled to participate in other Dixon compensation programs and other benefits.

Dixon may terminate Mr. Pala's employment for cause (as defined in the Agreement), in which case Dixon is obligated to pay him his full salary through the date of termination. If Dixon terminates the agreement other than for cause or other than for his disability or if he terminates the agreement for good reason (as defined in the agreement, including if the successor to all or substantially all of Dixon's business and/or assets does not expressly assume

Edgar Filing: DIXON TICONDEROGA CO - Form 10-K/A

and agree to perform the agreement), he will:

- o Continue to receive his full salary through the date of termination;
- o Receive an amount equal to the product of (i) his annual salary, multiplied by (ii) the greater of the number of years remaining in the term of employment under the agreement or the number two, such payment to be made (a) if resulting from a termination based on a change of control of Dixon, in a lump sum on or before the fifth day following the date of termination, or (b) if resulting from any other cause, in substantially equal semi-monthly installments; and
- o Receive a bonus in an amount determined by multiplying his base salary by a percentage that is the average percentage of base salary that was paid (or payable) to him as a bonus under any Dixon bonus plan or arrangement, for the three full fiscal years immediately preceding the termination.

Dixon has entered into employment agreements with Messrs. Joyce, Asta and Dahlberg which are similar in their terms to the agreement the Company entered into with Mr. Pala, except that Mr. Joyce's, Mr. Asta's and Mr. Dahlberg's current salaries, are \$225,802, \$196,370 and \$123,690 per annum, respectively.

Amendments to the employment agreements described above were approved by Dixon's compensation committee on July 7, 2004, signed on December 15, 2004, and effective as of January 1, 2004 (each, an "Amendment", and together, the "Amendments"). The Amendments establish a three year term of employment commencing as of January 1, 2004, with annual renewals thereafter, update salaries and titles, change the definition of a change in control as defined in the Employment Agreements so that a change in control approved by Dixon's board of directors is within the definition of that term, and add a provision that during a disability period and after termination for cause or for Dixon's breach of the Employment Agreement or for good reason as defined in the Employment Agreement, benefits and other compensation will be paid as provided for under the Employment Agreements. The amount of the severance payments as provided for

5

in the employment agreements upon a change in control was not changed.

On December 15, 2004, Dixon entered into a Second Amendment to Employment Agreement (each, a "Second Amendment", and together, the "Second Amendments") with each of Messrs Pala, Joyce, Asta, and Dahlberg, (each, an "Executive", and together, the "Executives"). Each Second Amendment amends the Employment Agreement previously entered into between the applicable Executive and Dixon, as previously amended by the Amendment. All of the Second Amendments are conditioned on the closing of the offer by Pencil Acquisition Corp. to purchase all of Dixon's outstanding common stock (the "Offer") described under "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS - Possible Change in Control", below.

The Second Amendments for Messrs. Pala and Joyce provide that Messrs. Pala and Joyce are not entitled to terminate their respective Employment Agreements because of a change in control until the expiration of the six month period immediately following the payment by the Purchaser for Shares of Dixon pursuant to the Offer, (the "Transition Period") and that the payment by the Purchaser for Shares pursuant to the Offer will constitute a change in control giving rise to the right of the Executive to terminate his employment for good reason under the employment agreement and the Executive has the right to terminate his employment for good reason as a result of a change in control only during the

Edgar Filing: DIXON TICONDEROGA CO - Form 10-K/A

three month period immediately following the end of the Transition Period. The Second Amendments for Messrs. Asta and Dahlberg are the same as those for Messrs. Pala and Joyce, except that the Transition Period referred to above is twelve months.

Success Bonus Plan

In July, 2004, Dixon's compensation committee approved in concept and in late November approved the terms of a written Success Bonus Plan to encourage certain of Dixon's executives to remain with Dixon and to support the sale of Dixon on terms approved by the independent members of Dixon's Board. The success bonuses will be paid six months after a closing of the sale of Dixon and will be forfeited if the executive does not honor his employment agreement through that six month period unless Dixon agrees to allow the executive to voluntarily terminate his employment before that time. The bonuses are in the following amounts: Pala and Joyce -- \$46,000 each, Asta -- \$34,000, and Dahlberg -- \$22,500, and will be payable upon the closing of the Offer.

Certain Relationships and Related Transactions

Dixon has loans outstanding to Messrs. Pala, Joyce and Asta in the principal amounts of \$204,000, \$127,000 and \$125,000, respectively. The proceeds of the loans were used by the borrowers to purchase Shares from Dixon at the time that they exercised stock options. At the time, the shares of common stock are sold pursuant to a Stock Purchase Agreement between them and Pencil Acquisition Corp., the loans must be repaid. Interest on a portion of the loans accrues at the rate of 8% per annum. The loans were made prior to the enactment of the Sarbanes-Oxley Act of 2002. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS - Possible Change in Control", below.

Compensation Committee Interlocks and Insider Participation.

No compensation committee members are or have been officers or employees of Dixon and none had interlocking relationships with any other entities, including any of the type that would be required to be disclosed in this Report.

Report of the Compensation Committee on Executive Compensation

The compensation committee reviews and recommends to the Board any changes in the compensation of all of Dixon's executive officers except for Diego Cespedes Creixell, whose compensation is determined by the board of directors of Dixon's Mexican subsidiary and approved by Dixon's Chairman of the Board. Compensation for other company employees is determined by Dixon's executive officers.

The salaries of the executive officers were not increased in fiscal 2004. Bonuses were paid to the executive officers in fiscal 2004 in accordance with Dixon's existing Management Incentive Program; however, Diego Cespedes Creixell's bonus was paid as required by his employment agreement.

During fiscal 2004, the compensation committee approved the amendments to the employment agreements with Dixon's executive officers described under "Employment Agreements", above, and the Success Bonus Plan described under

Edgar Filing: DIXON TICONDEROGA CO - Form 10-K/A

"Success Bonus Plan," above.

Possible Change in Control

On December 16, 2004, Dixon, Fila - Fabbrica Italiana Lapis ed Affini S.p.A., an Italian corporation ("Fila"), and Pencil Acquisition Corp, a Delaware corporation and a wholly-owned subsidiary of Fila (the "Purchaser"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which, among other things, on January 7, 2005, the Purchaser commenced an offer (the "Offer") to purchase for cash all of Dixon's issued and outstanding shares of common stock, par value \$1.00 per share, at \$7.00 per share. The Purchaser's obligation to accept the tendered shares for purchase is subject to, among other conditions set forth in Annex I of the Merger Agreement, there being validly tendered and not withdrawn prior to the expiration of the tender offer, at least 66 2/3% of the outstanding shares of Dixon common stock.

The Merger Agreement provides that, promptly upon the payment for shares pursuant to the Offer and the Stock Purchase Agreement (described below), which represent at least 66 2/3% of the outstanding Shares, the Purchaser will be entitled to designate such number of directors, rounded to the closest whole number, of Dixon's Board of Directors, as will give the Purchaser representation on the Board equal to its proportionate ownership of the Shares and Dixon must, either increase the size of the Board or secure the resignation of such number of directors as is necessary to enable the Purchaser's designees to be elected or appointed to the Board and will use its reasonable best efforts to cause the Purchaser's designees to be so elected or appointed. Dixon's obligations relating to the its Board are subject to Section 14(f) of the Exchange Act and Rule 14f-1 under the Exchange Act.

The merger is subject to the satisfaction or waiver of certain conditions, including, if required, the approval and adoption of the Merger Agreement by the affirmative vote of the holders of 66 2/3% of the outstanding Shares. If the minimum condition is satisfied, the Purchaser would have sufficient voting power to approve the merger without the affirmative vote of any other stockholder of Dixon. Dixon has agreed, if required, to cause a meeting of its stockholders to be held as promptly as practicable following consummation of the Offer for the purposes of considering and taking action upon the approval and adoption of the Merger Agreement. Additionally, under the Delaware General Corporation Law, if the Purchaser acquires, pursuant to the Offer or otherwise, at least 90% of the outstanding Shares, the Purchaser would be able to complete the Merger without a vote of Dixon's stockholders. The Purchaser has agreed to vote its shares in favor of the approval and adoption of the Merger Agreement.

Concurrently with the execution and delivery of the Merger Agreement, Gino N. Pala and Richard F. Joyce, Dixon's Co-Chief Executive Officers, Richard A. Asta, Dixon's Executive Vice President of Finance and Chief Financial Officer, Leonard D.
