Item 5.07 Submission of Matters to a Vote of Security Holders

On May 13, 2015, E. I. du Pont de Nemours and Company (the “Company”) held its Annual Meeting of Stockholders (the “Annual Meeting”). Set forth below are the proposals voted upon at the Annual Meeting, and the preliminary voting results reported by the Company’s proxy solicitor, Innisfree M&A Incorporated (“Innisfree”) based on the information available to Innisfree. These results do not include (i) shares voted on the gold card distributed by Trian Partners, L.P. and certain of its affiliates (together, “Trian”) outside of the system maintained by Broadridge Financial Solutions, Inc. (“Broadridge”), (ii) shares which (A) did not return a white proxy card to the Company, (B) are not otherwise known to have voted at the meeting and (C) either (I) for which legal proxies were issued (approximately 25.4 million shares (which number excludes shares represented by legal proxies which are known to have been voted at the Annual Meeting), of which approximately 24.5 million shares are believed to be held by Trian and voted for Trian’s nominees) or (II) are held in registered name (approximately 8.8 million shares, not including registered shares for which a white proxy card was returned) or (iii) shares voted that Innisfree could not definitively match with a shareholder identified as being a record or beneficial holder of shares of the Company’s common stock, par value \$.30 per share (“Common Stock”) as of the record date for the Annual Meeting. Further, these preliminary results do not reflect the impact of any revocations of votes previously submitted on the white card either through in-person voting at the Annual Meeting or through the submission of a later-dated gold card outside of the Broadridge system.

In addition to being incomplete for the reasons described above, these results are preliminary only and are subject to change based on the certification of the voting results by the independent inspector of elections, IVS Associates, Inc. (“IVS”). The Company will file an amendment to this Current Report on Form 8-K to disclose preliminary results based on IVS’s preliminary report, which the Company currently expects to receive during the week of May 25, 2015, and will file a further amendment to this Current Report on Form 8-K to disclose the final voting results after receiving IVS’s final certified report.

As of the close of business on March 17, 2015, the record date for the Annual Meeting, 905,946,751 shares of Common Stock, were outstanding and entitled to vote. Based on the preliminary results from Innisfree and subject to the qualifications set forth above, at least 675,300,395 shares of Common Stock were voted in person or by proxy at the Annual Meeting, representing more than 74.54 percent of the shares entitled to be voted.
