Item 2.02. Results of Operations and Financial Condition.

Ford Motor Company ("Ford") hereby incorporates by reference its news release dated January 23, 2006, which is herewith furnished as Exhibit 99.

Ford will conduct two conference calls on January 23, 2006 to review financial results for fourth-quarter and full-year 2005. Don Leclair, Ford's Executive Vice President and Chief Financial Officer, will host a presentation for the investment community and news media beginning at 9:30 a.m. to review financial results for fourth-quarter and full-year 2005. Investors may access this presentation by dialing 800-706-7741 (or 1-617-614-3471 if dialing from outside the United States). The passcode for either telephone number is a verbal response of "Ford Business Review." At 10:30 a.m., members of Ford's executive management team will join the discussion to present the 2006 business review. We will also broadcast the question and answer session with members of the investment community and news media following the business review.

Ford's Vice President and Treasurer, Ann Marie Petach, and Ford Motor Credit Company's Vice Chairman and Chief Financial Officer, David Cosper, will host a second presentation for fixed income analysts and investors beginning at 2:00 p.m. Investors may access this presentation using the same dial-in information as above, with the passcode a verbal response of "Ford Fixed Income Call."

At the same time, a listen-only webcast and supporting presentation materials for each call will be available on the Internet at [www.shareholder.ford.com](http://www.shareholder.ford.com). Investors may also access replays for one week following these presentations by visiting [www.shareholder.ford.com](http://www.shareholder.ford.com), or by dialing 888-286-8010 (or 1-617-801-6888 if dialing from outside the United States). The passcode for replays of the 9:30 a.m. presentation is 29481628; the passcode for replays of the 2:00 p.m. presentation is 55865600. All times referenced above are listed in Eastern Time.

Please note that Exhibit 99 to this Form 8-K discusses pre-tax profits excluding special items for Ford's Automotive sector and the primary operating segments and business units within the Automotive sector. The most directly comparable financial measure calculated and presented in accordance with GAAP is pre-tax profits including special items. Ford believes that pre-tax profits excluding special items is a useful measure to provide investors, because it excludes those items that Ford does not consider to be indicative of earnings from ongoing operating activities. As a result, pre-tax profits excluding special items provides investors with a more relevant measure of the results generated by our operations.
