Item 7.01 Regulation FD Disclosures.

Edgar Filing: VALHI INC /DE/ - Form 8-K

Pursuant to Items 2.02 and 7.01 of this Current Report on Form 8-K, the Registrant hereby furnishes the information set forth in its press release issued on November 14, 2005, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information, including Exhibit 99.1, the Registrant furnishes in this Current Report is not deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. Registration Statements or other documents filed with the Securities and Exchange Commission shall not incorporate this information by reference, except as otherwise stated in such filing.

As disclosed in the Company's other Current Report on Form 8-K dated November 14, 2005 and filed with the Securities and Exchange Commission, the Company will file an Annual Report on Form 10-K/A for the year ended December 31, 2004 to restate its consolidated financial statements for certain matters more fully described in such Current Report. The Company's results of operations for the 2004 interim periods, as presented in Exhibit 99.1, have been restated for the effect of one of the matters discussed in such Form 8-K, resulting in a \$1.1 million decrease, or \$.01 per diluted share, in net income for the three months ended September 30, 2004 and a \$1.6 million, or \$.01 per diluted share, decrease in net income for the nine months ended September 30, 2004. As more fully described in such Current Report, such amounts relate to certain income taxes which the Company previously accounted for as a direct reduction in its stockholders' equity. The aggregate effect of the restatement, however, will be to increase the Company's stockholders' equity as of December 31, 2004. As a result of the time involved in addressing the matters described in such Current Report, the Company will be delayed in filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005, which Quarterly Report would otherwise be required to be filed on November 14, 2005. While the Company currently believes the financial information contained in Exhibit 99.1 will be consistent with the Company's consolidated financial statements that will be contained in its Quarterly Report when filed, the financial information contained in Exhibit 99.1 is, however, subject to future correction and revision and could differ from the Company's consolidated financial statements that will be contained in its Quarterly Report when filed.

Item 8.01 Other Events.

As disclosed in the Company's other Current Report on Form 8-K dated November 14, 2005 and filed with the Securities and Exchange Commission, the Company will file an Annual Report on Form 10-K/A for the year ended December 31, 2004 to restate its consolidated financial statements for certain matters more fully described in such Current Report. As a result of the time involved in addressing the matters described in such Current Report, the Company will be delayed in filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005, which Quarterly Report would otherwise be required to be filed on November 14, 2005.

Attached hereto is Exhibit 99.2 which contains the Company's unaudited consolidated financial statements of the Registrant as of September 30, 2005, and for the interim periods ended September 30 2004 and 2005, and related financial and other disclosures. While the Company currently believes the consolidated financial statements and related financial and other disclosures contained in Exhibit 99.2 to this Current Report will be consistent with the Company's consolidated financial statements and related financial and other disclosures that will be contained in its Quarterly Report when filed, the consolidated financial statements and related financial and other disclosures contained in Exhibit 99.2 are, however, subject to future correction and

revision and could differ from the Company's consolidated financial statements and related financial and other disclosures that will be contained in its Quarterly Report when filed. PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, has not yet completed their review of the consolidated financial statements included in Exhibit 99.2. Prior to filing such Quarterly Report, the Company's independent registered public accounting firm will have completed their review.
