PROSPECTUS SUPPLEMENT NO. 2
(TO PROSPECTUS DATED AUGUST 9, 2010)

CELSION CORPORATION
Common Stock

This Prospectus Supplement No. 2 supplements and amends the prospectus dated August 9, 2010, which we refer to as the Prospectus, which forms a part of our Registration Statement on Form S-1 (Registration Statement No. 333-168314). The Prospectus relates to the disposition from time to time of up to 2,444,434 shares of our common stock, which are held or may be held by the selling stockholder named in the Prospectus. We are not selling any common stock under the Prospectus and this Prospectus Supplement No. 2, and will not receive any of the proceeds from the sale of shares by the selling stockholder named in the Prospectus.

We are filing this Prospectus Supplement No. 2 to update, amend and supplement the information included or incorporated by reference in the Prospectus with the information contained in the current reports on Form 8-K filed with the Securities and Exchange Commission on December 8, 2010 and December 1, 2010, respectively (collectively, the "Current Reports"). Accordingly, we have attached the Current Reports to this prospectus supplement.

This Prospectus Supplement No. 2 should be read in conjunction with, and delivered with, the Prospectus and is qualified by reference to the Prospectus except to the extent that the information in this Prospectus Supplement No. 2 supersedes the information contained in the Prospectus. All references in the Prospectus to "this prospectus" are hereby amended to read "this prospectus (as supplemented and amended)".

This Prospectus Supplement No. 2 is not complete without, and may not be delivered or utilized except in connection with, the Prospectus, including any amendments or supplements to it.

Our common stock is listed on The NASDAQ Capital Market under the symbol "CLSN." On December 27, 2010, the last reported sale price of our common stock on The NASDAQ Capital Market was \$2.07.

Investing in our common stock involves a high degree of risk. You should review carefully the risks and uncertainties described under the heading "Risk Factors" beginning on page 6 of the accompanying prospectus, and under similar headings included in our recent quarterly and annual reports filed with the Securities and Exchange Commission.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying Prospectus to which this prospectus supplement relates are truthful or complete. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is December 28, 2010.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective December 6, 2010, the Board of Directors of Celsion Corporation (the "Company") appointed Alberto R. Martinez MD, age 60, as a Class II Director. Dr. Martinez, whose career has spanned the product development landscape from clinical operations to successful commercial launch, brings an extensive track record in biopharmaceutical development and commercialization to the Board. Dr. Martinez previously served as the President and CEO of Talecris Biotherapeutics Inc., Executive Vice President of Worldwide Commercial Operations of CSL Behring, Senior Vice President at Aventis Behring, and as General Manager with Sandoz Pharmaceutical Corporation.

Dr. Martinez' Class II term will expire at the Company's Annual Meeting of Shareholders in 2012, at which time he will be eligible for nomination for another term. At the present time, Dr. Martinez has not been appointed to any committees of the Company's Board of Directors. Dr. Martinez will receive standard director fees and benefits, including an initial grant of stock options under the Company's 2007 Stock Incentive Plan to purchase 30,000 shares of the Company's common stock, vesting in three installments over three years, at an exercise price of \$2.81 per share, which is the grant date fair value of the Company's common stock on the NASDAQ Capital Market on December 3, 2010. The outside director compensation plan is described in more detail in the Company's Definitive Proxy Statement for its 2010 Annual Meeting of Shareholders filed with the Securities and Exchange Commission on April 30, 2010.

The Board of Directors has determined that Dr. Martinez is an independent director in accordance with the applicable rules of the Securities and Exchange Commission and The NASDAQ Capital Market.

On December 8, 2010, the Company issued a press release announcing the foregoing matters, a copy of which is attached hereto as Exhibit 99.1 to this Form 8-K.

Celsion Announces New Board Member

Alberto R. Martinez, MD Brings Industry and Commercial Experience to the Company

COLUMBIA, Md., December 8, 2010 /PRNewswire via COMTEX News Network/ -- Celsion Corporation (Nasdaq: CLSN), a biotechnology drug development company that is leveraging its heat sensitive liposomal technology platform to encapsulate and deliver high concentrations of proven chemotherapeutics, announces the appointment of Alberto R. Martinez, MD, to its Board of Directors, effective December 6, 2010.

Dr. Martinez brings an extensive track record of accomplishments in biopharmaceutical development and commercialization. His career has spanned the product development landscape from clinical operations to successful commercial launch. Dr. Martinez previously served as the President and CEO of Talecris Biotherapeutics Inc., as well as Executive Vice President of Worldwide Commercial Operations of CSL Behring, Senior Vice President at Aventis Behring, and as General Manager with Sandoz Pharmaceutical Corporation.

Michael H. Tardugno, Celsion's President and CEO commented, "we are fortunate to have someone of Alberto's talent join our Board of Directors. His insights into emerging markets and executive experience in the biopharmaceutical industry will be enormous assets as Celsion plans both its future strategy and the immediate regulatory and commercial pathway for our lead drug, ThermoDox®, for the treatment of primary liver cancer."

"I am excited to be joining the Board at this juncture in Celsion's history, and I look forward to the opportunity to working with Celsion's Board and executive management team," noted Dr. Martinez. "It's my belief that the Company has an outstanding technology platform and clinical promise, from which a strong and growing oncology drug development company can be built."

Item 8.01 Other Events.

On December 1, 2010, Celsion Corporation (the “Company”) made available to its investors an investor presentation (the “Investor Presentation”) on the “investor’s corner” page of the Company’s website at <http://www.celsion.com/events.cfm>.

A copy of the Investor Presentation is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

Forward-Looking Statements

Statements and terms used in the Investor Presentation such as “expect,” “anticipate,” “estimate,” “plan,” “believe” and words similar import regarding the Company’s expectations as to the development and effectiveness of its technologies, the potential demand for our products, and other aspects of our present and future business operations, constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Although we believe that our expectations are based on reasonable assumptions within the bounds of our knowledge of our industry, business and operations, we cannot guarantee that actual results will not differ materially from our expectations. In evaluating such forward-looking statements, readers should specifically consider the various factors contained in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2009 including, without limitation, unforeseen changes in the course of research and development activities and in clinical trials; possible changes in cost and timing of development and testing, capital structure, and other financial items; changes in approaches to medical treatment; introduction of new products by others; possible acquisitions of other technologies, assets or businesses; and possible actions by customers, suppliers, competitors and regulatory authorities. These and other risks and uncertainties could cause actual results to differ materially from those indicated by such forward-looking statements, including those set forth under the headings “Risk Factors” and “Forward-Looking Statements” in our Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q.

The discussion of risks and uncertainties set forth in reports on Form 10-Q and Form 10-Q as well as in other filings with the Securities and Exchange Commission is not necessarily a complete or exhaustive list of all risks facing the Company at any particular point in time. We operate in a highly competitive, highly regulated and rapidly changing environment and our business is in a state of evolution. Therefore, it is likely that new risks will emerge, and that the nature and elements of existing risks will change, over time. It is not possible for management to predict all such risk factors or changes therein, or to assess either the impact of all such risk factors on our business or the extent to which any individual risk factor, combination of factors, or new or altered factors, may cause results to differ materially from those contained in any forward-looking statement. We disclaim any obligation to revise or update any forward-looking statement that may be made from time to time by us or on our behalf.
