Item 1.01 Entry into a Material Definitive Agreement

CHS Inc., a Minnesota corporation (the “Company”), previously announced that on March 4, 2013 it entered into a Master Agreement (the “Master Agreement”) and related arrangements with ConAgra Foods, Inc., a Delaware corporation (“ConAgra”), Cargill, Incorporated, a Delaware corporation (“Cargill”), and HM Luxembourg, a Luxembourg Société à responsabilité limitée, pursuant to which the Company, ConAgra and Cargill (the “Owners”) agreed to form a joint venture to be known as Ardent Mills. Ardent Mills will combine the North American flour milling operations and related businesses operated through the ConAgra Mills division of ConAgra, on the one hand, and the Horizon Milling joint venture of the Company and Cargill, on the other hand. The Master Agreement included customary termination rights, including a right of the parties to terminate the transaction if it has not closed by March 31, 2014 (which could be extended to June 30, 2014 in certain financing-related circumstances).

On February 10, 2014, the Company reported a revised timeline for completion of the Ardent Mills transaction, which is expected to close in the second quarter of calendar 2014. Consistent with this revised timeline, on March 27, 2014, the Company, ConAgra and Cargill entered into an amendment (the “Amendment”) to the Master Agreement, which, among other matters, amends the outside termination date included in the Master Agreement so that the parties may terminate the transaction if it has not closed by June 30, 2014 (which may be extended to September 30, 2014 in certain financing-related circumstances).

The Owners’ obligations under the Master Agreement to complete the Ardent Mills transaction are conditioned upon the absence of any pending proceeding initiated by any governmental entity seeking to enjoin the closing, the availability of financing to complete the transaction, and certain other customary closing conditions.

As noted above, the Company previously formed the Horizon Milling joint venture with Cargill. In addition, the Company conducts a portion of its grain marketing operations through TEMCO, LLC, a 50% joint venture with Cargill.
