Net investment income increased \$72,000 in the third quarter of 2007 to \$1,216,000 compared to last year and increased for the year to date in 2007 by \$275,000 to \$3,629,000 due to a moderate increase in invested assets and improvements in portfolio yields.

Income from insurance operations was comparable to last year with the most significant change being a reduction in realized capital gains. A loss from discontinued operations was incurred in the third quarter of 2006 from Mobile Attic of \$77,000 compared to \$0 in the third quarter of 2007 due to the completion of the sale of Mobile Attic in the second quarter of 2007.

For the year to date in 2007, the Company has income from continuing operations of \$3,169,000 compared to \$2,858,000 in 2006. The \$1,341,000 decrease in realized capital gains is offset by a reduction in loss and loss adjustment expenses from 65.72% of earned premium in the first nine months of 2006 to 60.95% of earned premium in the first nine months of 2007.

For the year to date in 2007, the Company has net income from discontinued operations of \$1,319,000 primarily associated with a net of tax gain on disposal of Mobile Attic of \$1,460,000. The Company sold its stake in Mobile Attic in the second quarter of 2007. Mobile Attic had a year to date loss from discontinued operations of \$193,000 in 2006.

For the first nine months of 2007, the Company has net income of \$4,488,000 compared to \$2,665,000 for the first nine months of 2006. The most significant item contributing to the increase in net income was the gain on disposal from discontinued operations associated with the disposal of Mobile Attic.
