CALCULATION OF REGISTRATION FEE

<u>Title of securities to be registered</u>	<u>Amount to be registered</u> ⁽¹⁾	<u>Proposed maximum offering price per share</u>	<u>Proposed maximum aggregate offering price</u>	<u>Amount of registration fee</u>
Class A Common Stock, par value \$0.01 per share	300,000 shares ⁽¹⁾	\$11.33 ⁽²⁾	\$3,399,000	\$133.58 ⁽³⁾

(1) Pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), this registration statement also shall cover any additional shares of Class A common stock which become issuable under the plan resulting from any stock dividend, stock split, or similar transaction.

(2) Solely for the purpose of computing the registration fee in accordance with Rule 457(c) and (h) under the Securities Act, the price shown is based upon the price of \$11.33 per share, which is the average of the high and low selling prices for the registrant's Class A common stock as reported on the New York Stock Exchange on June 25, 2008.

(3) Calculated under Section 6(b) of the Securities Act as 0.00003930 of \$3,399,000. Pursuant to General Instruction E to Form S-8, a filing fee is only being paid with respect to the registration of an additional 300,000 shares of Class A common stock under the plan. A Registration Statement on Form S-8 (Registration No. 333-112374) has been previously filed for 100,000 shares of Class A common stock under the plan.

This registration statement relates to the previously filed registration statement discussed below and is being filed under General Instruction E. of Form S-8 in order to register additional shares of the same class as other securities for which a registration statement filed on this form relating to the same employee benefit plan is effective.

On January 30, 2004, the registrant filed a registration statement on Form S-8 (File No. 333-112374) to register 2,100,000 shares of Class A common stock, which included 100,000 shares of Class A common stock issuable under the Nelnet, Inc. Directors Stock Compensation Plan (the "Plan"). The contents of that registration statement are incorporated by reference into this registration statement. The registrant is now filing this separate registration statement to register an additional 300,000 shares of Class A common stock which, as a result of an amendment to the Plan, may be issued thereunder.

Edgar Filing: NELNET INC - Form S-8
