**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
May 25, 2006**

The accompanying proxy is solicited by the Board of Directors to be voted at the Annual Meeting of Stockholders to be held at the Holiday Inn Select, Baltimore-North, 2004 Greenspring Drive, Timonium, Maryland at 10:00 A.M. EDT on Thursday, May 25, 2006, and any adjournments of the meeting. It is anticipated that this proxy material will be mailed on or about April 27, 2006, to our common stockholders of record on April 21, 2006.

A copy of our Annual Report for the year ended December 31, 2005, including financial statements, is enclosed.

A stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked by filing with our Secretary (i) a signed instrument revoking the proxy or (ii) a duly executed proxy bearing a later date. A proxy also may be revoked if the person executing the proxy is present at the meeting and elects to vote in person. If the proxy is not revoked, it will be voted by those named in the proxy.

VOTING SECURITIES

As of April 21, 2006, the record date, there were 57,992,789 of outstanding shares of common stock, par value \$.10 per share. Each holder of shares of common stock is entitled to one vote per share on all matters properly brought before the Annual Meeting.

VOTING

The presence at the Annual Meeting of shares representing a majority of the voting power associated with our issued and outstanding common stock will be necessary to establish a quorum for the conduct of business at the Annual Meeting. Under our Bylaws, directors are elected by a plurality of the votes cast at the Annual Meeting. The affirmative vote of a majority of the shares of common stock in person or by proxy at the Annual Meeting will be necessary to approve the proposal to ratify our independent auditors. The affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote will be necessary to approve all other proposals and matters that may come before the Annual Meeting for stockholder consideration.

Brokers holding shares in "street name" may vote the shares only if the beneficial owner provides instructions on how to vote. Brokers will provide beneficial owners instructions on how to direct the brokers to vote the shares. The New York Stock Exchange treats "for" votes, "against" votes and abstentions as votes cast, but does not treat "broker non-votes" as votes cast. A so-called "broker non-vote" occurs when a broker, holding stock as nominee, does not receive voting instructions from the beneficial owner. With respect to all of the matters to be voted upon at the Annual Meeting, broker non-votes and the decision to withhold authority to vote for any, or all, of the director nominees named above or for the proposal to ratify our independent auditors will have no impact on the outcome of the voting.

As of the record date, our directors and executive officers beneficially owned 1,710,650 shares of our common stock (representing 2.9% of the votes entitled to be cast at the meeting).

There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this proxy statement.

We urge stockholders to vote promptly either by signing, dating and returning the enclosed proxy card in the enclosed envelope, or for stockholders who own their shares in street name through a broker, in accordance with the telephone or internet voting instructions your broker may include with this mailing.

PROPOSAL 1 — ELECTION OF DIRECTORS

Director Nominees and Voting Requirements

There are currently six members of the Board of Directors. Pursuant to our Articles of Incorporation, the directors have been divided into three groups. At this year's Annual Meeting, two directors will be elected by the holders of our common stock to hold office for a term of three years or, in each case, until their respective successors have been duly elected and qualified.

Our Nominating and Corporate Governance Committee of the Board of Directors has nominated Thomas F. Franke and Bernard J. Korman for election as directors.

Unless authority to vote for the election of directors has been specifically withheld, the persons named in the accompanying proxy card intend to vote **FOR** the election of the nominees named above to hold office for the term indicated above or until their respective successors have been duly elected and qualified.

If any nominee becomes unavailable for any reason (which event is not anticipated), the shares represented by the enclosed proxy may (unless the proxy contains instructions to the contrary) be voted for such other person or persons as may be determined by the holders of the proxies. In no event would the proxy be voted for more than two nominees.

The Board of Directors held 11 meetings during 2005. All members of the Board of Directors attended more than 75% of the Board of Directors or Committee meetings held during 2005. Mr. Korman, as Chairman of the Board, presides over any meeting, including regularly scheduled executive sessions of the non-management directors. If Mr. Korman is not present at such a session, the presiding director is chosen by a vote of those present at the session. Except for Mr. Pickett, all of the members of the Board of Directors meet the New York Stock Exchange listing standards for independence. While the Board of Directors has not adopted any categorical standards of independence, in making these independence determinations, the Board of Directors noted that no director other than Mr. Pickett (a) received direct compensation from our company other than director annual retainers and meeting fees, (b) had any relationship with our company or a third party that would preclude independence, or (c) had any business relationship with our company and its management, other than as a director of our company. Each of the members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee meets the New York Stock Exchange listing standards for independence. While we encourage our directors to attend our Annual Meeting of Stockholders, we currently do not have a formal policy regarding director attendance. One of our directors, Mr. Korman, attended the 2005 Annual Meeting of Stockholders.

Audit Committee

The Audit Committee met six times in 2005. Its primary function is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: (i) the financial information to be provided to stockholders and the Securities and Exchange Commission ("SEC"); (ii) the system of internal controls that management has established; and (iii) the external independent audit process. In addition, the Audit Committee selects our company's independent auditors and provides an avenue for communication between the independent auditors, financial management and the Board of Directors.

Each of the members of the Audit Committee is financially literate, as required of audit committee members by the New York Stock Exchange. The Board has determined that Mr. Plavin is qualified to serve as an “audit committee financial expert” as such term is defined in Item 401 (h) of Regulation S-K promulgated by the SEC. The Board made a qualitative assessment of Mr. Plavin’s level of knowledge and experience based on a number of factors, including his formal education and his experience as Chief Operating Officer of Capital Trust, Inc., a New York City-based mortgage REIT and investment management company, where he is responsible for all lending and portfolio management activities. Mr. Plavin holds an M.B.A. from J.L. Kellogg Graduate School of Management at Northwestern University.

Compensation Committee

The Compensation Committee met one time during 2005 and has responsibility for the compensation of our key management personnel and administration of our 2004 Stock Incentive Plan, our 2000 Stock Incentive Plan and our 1993 Deferred Compensation Plan. The responsibilities of the Compensation Committee are more fully described in its charter, which is available on our website.

Investment Committee

The Investment Committee met six times during 2005 and has responsibility for developing strategies in growing our portfolio.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee met one time during 2005 and has responsibility for identifying potential nominees to the Board of Directors and reviewing their qualifications and experience. The process for identifying and evaluating nominees to the Board is initiated by identifying candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. Nominees for director are selected based on their depth and breadth of experience, industry experience, financial background, integrity, ability to make independent analytical inquiries and willingness to devote adequate time to director duties, among other criteria. The Committee also develops and implements policies and practices relating to corporate governance.

The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees as director. Any such nomination should be submitted to the Nominating and Corporate Governance Committee through our Secretary in accordance with the procedures and time frame described in our Bylaws and as set forth under "Stockholder Proposals" below.

Communicating with the Board of Directors and the Audit Committee

The Board of Directors and our Audit Committee have established procedures to enable anyone who has a concern about Omega's conduct, or any employee who has a concern about Omega's accounting, internal controls or auditing matters, to communicate that concern directly to the non-management members of the Board of Directors or the Audit Committee, as applicable. These communications may be confidential or anonymous, and may be submitted in writing or through the Internet. The employees have been provided with direct and anonymous access to each of the members of the Audit Committee. Our company's Code of Business Conduct prohibits any employee of our company from retaliating or taking adverse action against anyone raising or helping resolve a concern about our company.

Interested stockholders may contact our non-management directors by writing to them at our headquarters: Omega Healthcare Investors, Inc., 9690 Deereco Road, Suite 100, Timonium, Maryland 21093, or by contacting them through our website at www.omegahealthcare.com. Communications addressed to the non-management members of the Board of Directors will be reviewed by our corporate communications liaison, which is our outside legal counsel, and will be directed to the appropriate director or directors for their consideration. The corporate communications liaison may not "filter out" any direct communications from being presented to the non-management members of the Board of Directors and Audit Committee members without instruction from the directors or committee members. The corporate communications liaison is required to maintain a record of all communications received that were addressed to one or more directors, including those determined to be inappropriate communications. Such record will include the name of the addressee, the disposition by the corporate communications liaison and, in the case of communications determined

to be inappropriate, a brief description of the nature of the communication. The corporate communications liaison is required to provide a copy of any additions to the record upon request of any member of the Board of Directors.

Corporate Governance Materials

The Corporate Governance Guidelines, Code of Business Conduct and the charters of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are available free of charge through our website at www.omegahealthcare.com and are available in print to any shareholder who requests them.

Compensation of Directors

For the year ended December 31, 2005, each non-employee director received a cash payment equal to \$20,000 per year, payable in quarterly installments of \$5,000. Each non-employee director also received a quarterly grant of shares of common stock equal to the number of shares determined by dividing the sum of \$5,000 by the fair market value of the common stock on the date of each quarterly grant, currently set at February 15, May 15, August 15, and November 15. At the director's option, the quarterly cash payment of director's fees may be payable in shares of common stock. In addition, each non-employee director was entitled to receive fees equal to \$1,500 per meeting for attendance at each regularly scheduled meeting of the Board of Directors. For each teleconference or called special meeting of the Board of Directors, each non-employee director received \$1,500 for meeting. The Chairman of the Board received an annual payment of \$25,000 for being Chairman and each Committee Chair received an annual payment of \$5,000. In addition, we reimbursed the directors for travel expenses incurred in connection with their duties as directors. Employee directors received no compensation for service as directors.

Each non-employee director was awarded options with respect to 10,000 shares at the date the plan was adopted or upon their initial election as a director. Prior to January 1, 2005, each non-employee director was awarded an additional option grant with respect to 1,000 shares on January 1 of each year they served as a director. Effective January 1, 2005, each non-employee director will be awarded restricted stock with respect to 1,000 shares on January 1 of each year they serve as a director. Effective January 1, 2005, the Chairman of the Board will be awarded an additional 2,000 restricted shares on January 1 of each year he serves as Chairman. All grants have been and will be at an exercise price equal to 100% of the fair market value of our common stock on the date of the grant. Non-employee director options and restricted stock vest ratably over a three-year period beginning the date of grant.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee (the "Committee") administers our 2004 Stock Incentive Plan, our 2000 Stock Incentive Plan and 1993 Deferred Compensation Plan, and has responsibility for other incentive and benefit plans. The Committee determines the compensation of our executive officers and reviews with the Board of Directors all aspects of compensation for our executive officers. The Committee's function is more fully described in its charter, which the Board of Directors has adopted and a copy of which is available at our website.

Historically, our policy and the guidelines followed by the Committee have been directed toward providing compensation to our executive officers in order to achieve the following objectives:

- 1) Assist in attracting and retaining talented and well-qualified executives;
- 2) Reward performance and initiative;
- 3) Be competitive with other healthcare real estate investment trusts;
- 4) Be significantly related to accomplishments and our short-term and long-term successes, particularly measured in terms of growth in funds from operations on a per share basis; and
- 5) Encourage executives to achieve meaningful levels of ownership of our stock.

The following is a discussion of each element of our executive compensation:

Annual Base Salary

Our approach to base compensation levels has been to offer competitive salaries in comparison with prevailing market practices. The Committee examined market compensation levels and trends in connection with the issuance of the executive employment contracts during 2004. Additionally, the Committee hired a consulting firm which provided the Committee with executive base salaries of individuals who currently are employed in similar positions in public companies, with emphasis on salaries paid by healthcare real estate investment trusts.

The Committee has evaluated executive officer salary decisions in connection with an annual review and based on input from our Chairman of the Board of Directors and our Chief Executive Officer. In undertaking the annual review, the Committee considered the decision-making responsibilities of each position and the experience, work performance and team-building skills of each incumbent officer. The Committee has viewed work performance as the single most important measurement factor, followed by team-building skills and decision-making responsibilities.

Annual Cash Bonus

Our historical compensation practices have embodied the principle that annual cash bonuses should be based primarily on achieving objectives that enhance long-term stockholder value and that meaningful stock ownership by management, including the grant of stock options or restricted stock in connection with their hiring or contract renewals, is desirable in aligning stockholder and management interests.

The Committee has considered overall company performance and the performance of the specific areas of our company under each incumbent officer's direct control. It was the Committee's view that this balance supported the accomplishment of overall objectives and rewarded individual contributions by executive officers. Individual annual bonuses for each named executive have been consistent with market practices for positions with comparable decision-making responsibilities.

In 2005, Mr. Pickett was eligible for an annual cash bonus of up to 100% of his annual base salary and the other executive officers were eligible for a cash bonus of up to 50% of their annual base salaries. The annual contractual bonus excludes any special bonus that may be paid at the discretion of the Board. In determining the amount of the annual cash bonuses, the Committee considered a variety of factors, including sustained levels of recurring Funds from Operations, the successful implementation of asset management initiatives, control of expenses and satisfaction of Omega's strategic objectives. Considering these factors, the Committee paid each of the senior executives, including Mr. Pickett, an annual cash bonus equal to 100% of such employee's maximum potential contractual bonus as well as a special bonus.

Restricted Stock Incentives

In 2004, we entered into restricted stock agreements with four executive officers under the Omega Healthcare Investors, Inc. 2004 Stock Incentive Plan. A total of 317,500 shares of restricted stock were granted, which equated to approximately \$3.3 million of deferred compensation. The shares vest thirty-three and one-third percent (33 ⅓ %) on each of January 1, 2005, January 1, 2006 and January 1, 2007 so long as the executive officer remains employed on the vesting date, with vesting accelerating upon a qualifying termination of employment, upon the occurrence of a change of control (as defined in the restricted stock agreements), death or disability. In addition, we also entered into performance restricted stock unit agreements with our four executive officers. A total of 317,500 performance restricted stock units were granted under the Omega Healthcare Investors, Inc. 2004 Stock Incentive Plan. The performance restricted stock units vest upon our attaining \$0.30 per share of common stock per fiscal quarter in "Adjusted Funds from Operations" (as defined in the agreement) for two (2) consecutive quarters. Dividend equivalents (plus an interest factor based on our company's cost of borrowing) accrue on unvested shares and are paid if the performance restricted stock units vest. Dividend equivalents on vested performance restricted stock units are paid currently. Performance restricted stock units that have not become vested as of December 31, 2007 are forfeited.

In 2005, the Committee did not make any grants under the 2004 Stock Incentive Plan, 2000 Stock Incentive Plan or 1993 Deferred Compensation Plan.

2005 Chief Executive Officer Compensation

In connection with retaining the services of Mr. Pickett to act as our Chief Executive Officer, we entered into an Employment Agreement dated September 1, 2004 with Mr. Pickett. The Committee believes that the terms of the Employment Agreement are consistent with the duties and scope of responsibilities assigned to Mr. Pickett as Chief Executive Officer. In order to align Mr. Pickett's interests with the long-term interests of Omega, Mr. Pickett's compensation package includes significant equity-based compensation, including stock options and restricted stock. For a detailed description of the terms of the Employment Agreement, see "Compensation and Severance Agreements - C. Taylor Pickett Employment Agreement" below.

For the fiscal year ended December 31, 2005, the Committee awarded Mr. Pickett an annual cash bonus of \$555,000. This bonus was determined by the Committee substantially in accordance with the policies described above relating to all of our executive officers.

Tax Deductibility of Executive Compensation

The SEC requires that this report comment upon our policy with respect to Section 162(m) of the Internal Revenue Code. Section 162(m) disallows a federal income tax deduction for compensation over \$1.0 million to any of the named executive officers unless the compensation is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by our stockholders. We did not pay any compensation during 2005 that would be subject to Section 162(m). We believe that, because we qualify as a REIT under the Internal Revenue Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of Section 162(m) will not generally affect our net income, although to the extent that compensation does not qualify for deduction under Section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that Section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, Section 162(m) does not directly govern the Compensation Committee's compensation policy and practices.

C. Taylor Pickett Employment Agreement

We entered into an employment agreement with C. Taylor Pickett, dated as of September 1, 2004, to be our Chief Executive Officer. The term of the agreement expires on December 31, 2007.

Mr. Pickett's current base salary is \$515,000 per year, subject to increase by us and provides that he will be eligible for an annual bonus of up to 100% of his base salary based on criteria determined by the Compensation Committee of our Board of Directors.

In connection with this employment agreement, we issued Mr. Pickett 125,000 shares of our restricted common stock on September 10, 2004, which vest 33 1/3% on each of January 1, 2005, January 1, 2006, and January 1, 2007, provided Mr. Pickett continues to work for us on the applicable vesting date. Dividends are paid currently on unvested shares and a dividend equivalent per share was paid in an amount equal to the dividend per share payable to shareholders of record as of July 30, 2004. Also in connection with this employment agreement, we issued Mr. Pickett 125,000 performance restricted stock units on September 10, 2004, which vest upon our attaining \$0.30 per share of common stock per fiscal quarter in "Adjusted Funds from Operations" (as defined in the agreement) for two (2) consecutive quarters. Dividend equivalents accrue on unvested shares and are paid if the performance restricted stock units vest. Dividend equivalents on vested performance restricted stock units are paid currently. Performance restricted stock units that have not become vested as of December 31, 2007 are forfeited.

If we terminate Mr. Pickett's employment without "cause" or if he resigns for "good reason," he will be entitled to payment of his cash compensation (the sum of his then current annual base salary plus average annual bonus payable based on the three completed fiscal years prior to termination of employment) for a period of three (3) years. "Cause" is defined in the employment agreement to include events such as willful refusal to perform duties, willful misconduct in performance of duties, unauthorized disclosure of confidential company information, or fraud or dishonesty against us. "Good reason" is defined in the employment agreement to include events such as our material breach of the employment agreement or our relocation of Mr. Pickett's employment to more than 50 miles away without his consent.

Mr. Pickett is required to execute a release of claims against us as a condition to the payment of severance benefits. Severance is not paid if the term of the employment agreement expires. Mr. Pickett's restricted common stock and performance restricted stock units will become fully vested upon the occurrence of Mr. Pickett's death, disability, termination of employment without cause or resignation for good reason, or a "change in control" (as defined in the agreement). In the event of a change in control, severance and other change in control, benefits are grossed up to cover federal excise taxes and taxes on the gross up. If Mr. Pickett dies during the term of the employment agreement, his estate is entitled to a prorated bonus for the year of his death.

Mr. Pickett is restricted from using any of our confidential information during his employment and for two years thereafter or from using any trade secrets during his employment and for as long thereafter as permitted by applicable law. During the period of employment and for one year thereafter, Mr. Pickett is obligated not to provide managerial

THE REPORTS OF THE COMPENSATION COMMITTEE AND THE AUDIT COMMITTEE AND THE PERFORMANCE GRAPH THAT APPEARS ABOVE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

AUDIT COMMITTEE MATTERS

The Audit Committee's purpose is to oversee the accounting and financial reporting processes of Omega, the audits of our financial statements, the qualifications of the public accounting firm engaged as Omega's independent auditor to prepare and issue an audit report on our financial statements and the related internal control over financial reporting, and the performance of our independent auditors. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our company's independent auditors. The Audit Committee's function is more fully described in its revised charter, which the Board of Directors adopted on April 20, 2004, and reviewed and ratified on January 17, 2006, a copy of which is available on our website. The Board of Directors reviews the Audit Committee Charter annually.

The Audit Committee has three independent directors, and the Board of Directors has determined that each Audit Committee member is independent under the standards of director independence established under our corporate governance policies and the New York Stock Exchange listing requirements and is also "independent" for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934. In addition, the Board of Directors has determined that Stephen Plavin is an "audit committee financial expert," as defined by SEC rules.

Management is responsible for the preparation, presentation, and integrity of Omega's financial statements, accounting and financial reporting principles, internal control over financial reporting, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. Our company's independent auditor, Ernst & Young LLP, is responsible for auditing and expressing opinions on the conformity of our company's consolidated financial statements to accounting principles generally accepted in the United States, management's assessment of our company's internal control over financial reporting, and the effectiveness of our company's internal control over financial reporting.

Audit Committee Report

The Audit Committee, with respect to the audit of Omega's 2005 audited consolidated financial statements, reports as follows:

- 1) The Audit Committee has reviewed and discussed Omega's 2005 audited consolidated financial statements with Omega's management;
- 2) The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and SEC Regulation S-X, Rule 2-07, which include, among other items, matters related to the conduct of the audit of Omega's consolidated financial statements, and the PCAOB Auditing Standard No. 2, ("An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements");
- 3) The Audit Committee has received written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," (which relates to the auditor's independence from Omega and its related entities) and has discussed with Ernst & Young LLP its independence from Omega;
- 4) Based on reviews and discussions of Omega's 2005 audited consolidated financial statements with management and discussions with Ernst & Young LLP, the Audit Committee recommended to the Board of Directors that Omega's 2005 audited consolidated financial statements be included in our company's Annual Report on Form 10-K;
- 5)

The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee of all fees paid to, and all service performed by, our company's independent auditor. At the beginning of each year, the Audit Committee approves the proposed services, including the nature, type and scope of service contemplated and the related fees, to be rendered by the firm during the year. In addition, Audit Committee pre-approval is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees approved by the Audit Committee. For each category of proposed service, the independent accounting firm is required to confirm that the provision of such services does not impair its independence. Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided as noted in the table below were authorized and approved by the Audit Committee in compliance with the pre-approval policies and procedures described herein.

- 6) The Committee has also reviewed the services provided by Ernst & Young LLP discussed below and has considered whether provision of such services is compatible with maintaining auditor independence.

Determination of Auditor Independence

The Audit Committee considered the provision of non-audit services by our principal accountants and has determined that the provision of such services was consistent with maintaining the independence of Ernst & Young LLP.

Audit Committee's Pre-Approval Policies

The Audit Committee's current practice is to pre-approve all audit services and all permitted non-audit services to be provided to our company by our independent auditor; provided, however pre-approval requirements for non-audit services are not required if all such services: (1) do not aggregate to more than five percent of total revenues paid by us to our accountant in the fiscal year when services are provided; (2) were not recognized as non-audit services at the time of the engagement; and (3) are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

PROPOSAL 2 — PROPOSAL TO RATIFY THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITOR FOR THE FISCAL YEAR 2006

The Audit Committee has selected Ernst & Young LLP as our company's independent auditor for the current fiscal year, and the Board is asking stockholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require our company's independent auditor to be engaged, retained, and supervised by the Audit Committee, the Board considers the selection of the independent auditor to be an important matter of stockholder concern and is submitting the selection of Ernst & Young LLP for ratification by stockholders as a matter of good corporate practice. However, if the stockholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether or not to retain Ernst & Young, LLP but may retain such independent auditors. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interest of Omega and its stockholders.

Information concerning Ernst & Young's services for Omega can be found beginning on page 19. The affirmative vote of holders of a majority of the shares of common stock represented at the meeting is required to approve the ratification of the selection of Ernst & Young LLP as our company's independent auditor for the current fiscal year. The Board of Directors and the members of the Audit Committee recommend a vote **FOR** this proposal.
