Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Fund a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Broker-dealer firms holding Shares in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on the proposal before the Annual Meeting. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The proposal is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the proposal may be deemed an instruction to vote such Shares in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

- What vote is required to elect a Trustee nominee?

The affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee.

- How many Shares of the Fund were outstanding as of the Record Date?

At the close of business on the Record Date, the Fund had 4,993,991 Shares outstanding.

THE PROPOSAL: ELECTION OF TRUSTEES

The rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Shareholders of the Fund are being asked to elect Mr. Roman Friedrich III and Mr. Ronald A. Nyberg, as Class II Trustees.

Composition of the Board of Trustees

The Trustees of the Fund are classified into three classes of Trustees, as follows:

Class I Trustee	Class II Trustees	Class III Trustees
Randall C. Barnes	Roman Friedrich III Ronald A. Nyberg	Robert B. Karn III Ronald E. Toupin, Jr.

Each Trustee nominee, if elected at the Annual Meeting, will hold office for a term in accordance with his respective Class or until his respective successor shall have been elected and qualified or until he resigns or is otherwise removed. The other Trustees of the Fund will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

Generally, the Trustees of only one class are elected at each annual meeting of shareholders, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each three year period.

Unless authority is withheld or other instructions are provided, it is the intention of the persons named in the proxy card to vote “FOR” the election of the Trustee nominees named above. Each Trustee nominee has consented to serve as a Trustee of the Fund if elected at the Annual Meeting. If a designated Trustee nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute Trustee nominee or nominees.

Trustees

Certain information concerning the Trustees and officers of the Fund is set forth in the tables below. Independent Trustees are those who are not interested persons of the Fund, the Fund’s investment adviser, Guggenheim Funds Investment Advisors, LLC (the “Adviser”) or the Fund’s sub-adviser, Guggenheim Partners Asset Management, LLC (the “Sub-Adviser”), and comply with the definition of “independent” (as defined in Rule 10A-3 of the Securities Exchange Act of 1934, as amended) (the “Independent Trustees”).

The Fund is part of a fund complex that consists of U.S. registered investment companies advised or serviced by the Adviser or its affiliates (referred to herein as the “Fund Complex”). The Fund Complex is composed of 15 closed-end funds, including the Fund, and 43 exchange-traded funds. The Fund Complex is overseen by multiple boards of trustees. Each Trustee also serve as trustees of other funds in the Fund Complex.

 - (2) Officers serve at the pleasure of the Board and until his or her successor is appointed and qualified or until his or her earlier resignation or removal.

Board Leadership Structure

The primary responsibility of the Board is to represent the interests of the Fund and to provide oversight of the management of the Fund. The Fund's day-to-day operations are managed by the Adviser, the Sub-Adviser and other service providers who have been approved by the Board. The Board is currently comprised of five Trustees, all of whom (including the chairperson) are Independent Trustees. Generally, the Board acts by majority vote of all the Trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has appointed an Independent Trustee as chairperson, who presides at Board meetings and who is responsible for, among other things, participating in the planning of Board meetings, setting the tone of Board meetings and seeking to encourage open dialogue and independent inquiry among the trustees and management. The Board has established certain committees (as described below) and has delegated certain responsibilities to those committees, each of which is comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, review the Fund's financial statements, oversee compliance with regulatory requirements, and review performance. The Independent Trustees are represented by independent legal counsel at Board and committee meetings. The Board has determined that this leadership structure is appropriate in light of the characteristics and circumstances of the Fund.

Board Committees

The Trustees have determined that the efficient conduct of the Fund's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The committees of the Board are the Executive Committee, the Audit Committee, the Nominating and Governance Committee, and the Contracts Review Committee.

Executive Committee

Ronald A. Nyberg and Ronald E. Toupin, Jr., who are not "interested persons" of the Fund, as defined in the 1940 Act, serve on the Fund's Executive Committee. The Executive Committee is authorized to act on behalf of and with the full authority of the Board of Trustees when necessary in the intervals between meetings of the Board of Trustees.

Audit Committee.

The Board has an Audit Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Karn serves as chairperson of the Audit Committee.

The Audit Committee is charged with selecting an independent registered public accounting firm for the Fund and reviewing accounting matters with the Fund's independent registered public accounting firm. Each member of the Audit Committee is an Independent Trustee as defined above and also meets the additional independence requirements for audit committee members as defined by the NYSE listing standards.

The Audit Committee is governed by a written charter (the "Audit Committee Charter"). The Audit Committee Charter is not available on the Fund's websites. In accordance with proxy rules promulgated by the SEC, a fund's audit committee

charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Audit Committee Charter is attached hereto as Appendix I.

The Audit Committee presents the following report on behalf of the Fund:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Fund with management of the Fund, (ii) the Audit Committee discussed with the Fund's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance), (iii) the Audit Committee received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Public Company Accounting Oversight Board's Ethics & Independence Rule 3526 and has discussed with the Fund's independent registered public accounting firm the independence of the Fund's independent registered public accounting firm and (iv) the Audit Committee recommended to the Board of Trustees of the Fund that the financial statements be included in the Fund's Annual Reports for the past fiscal year.

Nominating and Governance Committee

The Board has a Nominating and Governance Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Nyberg serves as chairperson of the Nominating and Governance Committee.

The Nominating and Governance Committee is governed by a written charter, the most recent version of which was (the "Nominating and Governance Committee Charter"). The Nominating and Governance Committee Charter is not available on the Fund's websites. In accordance with proxy rules promulgated by the SEC, a fund's nominating committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Nominating and Governance Committee Charter is attached hereto as Appendix II.

The Nominating and Governance Committee (i) evaluates and recommends all candidates for election or appointment as members of the Board and recommends the appointment of members and chairs of each committee of the Board, (ii) reviews policy matters affecting the operation of the Board and committees of the Board, and (iii) periodically evaluates the effectiveness of the Board and committees of the Board.

In considering Trustee nominee candidates, the Nominating and Governance Committee requires that Trustee candidates have a college degree or equivalent business experience and may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): availability and commitment of a candidate to attend meetings and perform the responsibilities of a

Trustee, relevant experience, educational background, financial expertise, the candidate's ability, judgment and expertise and overall diversity of the Board's composition. The Nominating and Governance Committee may consider candidates recommended by various sources, including (but not limited to): such Fund's Trustees, officers, investment advisers and shareholders. The Nominating and Governance Committee will not nominate a person for election to the Board as a Trustee after such person has reached the age of seventy-two (72), unless such person is an "interested person" of such Fund as defined in the 1940 Act. The Nominating and Governance Committee may, but is not required to, retain a third party search firm to identify potential candidates.

A Trustee candidate must (i) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the Nominating and Governance Committee to evaluate the candidate and to determine, among other matters, whether the candidate would qualify as a Trustee who is not an "interested person" of the Fund as such term is defined under the 1940 Act; (ii) be prepared to submit character references and agree to appropriate background checks; and (iii) be prepared to meet with one or more members of the Nominating and Governance Committee at a time and location convenient to those Nominating and Governance Committee members in order to discuss the nominee's qualifications.

The Nominating and Governance Committee will consider Trustee candidates recommended by the Fund's shareholders. The Nominating and Governance Committee will consider and evaluate trustee nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.

In considering Trustee nominee candidates, the Nominating and Governance Committee takes into account a wide variety of factors, including the overall diversity of the Board's composition. The Nominating and Governance Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

To have a candidate considered by the Nominating and Governance Committee, a shareholder must submit the recommendation in writing and must include the information required by the "Procedures for Shareholders to Submit Nominee Candidates" that are set forth as Appendix A to the Nominating and Governance Committee Charter, which is attached as Appendix II hereto. Shareholder recommendations must be sent to the Fund's Secretary, c/o Guggenheim Funds Investment Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532.

The nominees for election at the Annual Meeting currently serve as Trustees and were unanimously nominated by the Board of Trustees and the Nominating and Governance Committee.

Contracts Review Committee

The Board has a Contracts Review Committee, which oversees the contract review process, including review of the Fund's advisory agreements and other contracts with affiliated service providers. The Contracts Review Committee is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee. Mr. Friedrich serves as chairperson of the Contracts Review Committee.

Board and Committee Meetings

During the Fund's fiscal year ended October 31, 2011, the Board held four meetings, the Audit Committee held two meetings and the Nominating and Governance Committee held four meetings. The Contracts Review Committee was established by the Board as of November 29, 2011. Therefore no meetings of the Contracts Review Committee were held during the fiscal year ended October 31, 2011.

Each Trustee attended at least 75% of the meetings of the Board (and any committee thereof on which he serves) held during the portion of the Fund's fiscal year ended October 31, 2011, during which he was a trustee of the Fund. It is the Fund's policy to encourage Trustees to attend annual shareholders' meetings.

Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Fund, the Board, among other things, oversees risk management of the Fund's investment program and business affairs directly and through the committee structure it has established. The Board has established the Audit Committee, the Nominating and Governance Committee, and the Contracts Review Committee to assist in its oversight functions, including its oversight of the risks the Fund faces. Each committee reports its activities to the Board on a regular basis. Risks to the Fund include, among others, investment risk, credit risk, liquidity risk, valuation risk and operational risk, as well as the overall business risk relating to the Fund. The Board has adopted, and periodically reviews, policies, procedures and controls designed to address these different types of risks. Under the Board's supervision, the officers of the Fund, the Adviser, the Sub-Adviser and other service providers to the Fund also have implemented a variety of processes, procedures and controls to address various risks. In addition, as part of the Board's periodic review of the Fund's advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of the service providers' operations and the functions for which they are responsible.

The Board requires officers of the Fund to report to the Board and its committees on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Fund's independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Board meets with the Fund's Chief Compliance Officer, including separate meetings with the Independent Trustees in executive session, to

discuss compliance matters and, on at least an annual basis, receives a report from the Chief Compliance Officer regarding the effectiveness of the Fund's compliance program. The Board, with the assistance of Fund management, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, the Board receives reports from the Adviser and Sub-Adviser on the investments and securities trading of the Fund. With respect to valuation, the Board oversees a pricing committee comprised of Fund officers and Adviser personnel and has approved Fair Valuation procedures applicable to valuing the Fund's securities, which the Board and the Audit Committee periodically review. The Board also requires the Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Trustee Communications

Shareholders and other interested parties may contact the Board or any Trustee by mail. To communicate with the Board or any Trustee, correspondence should be addressed to the Board of Trustees or the Trustee with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Fund's Secretary, 2455 Corporate West Drive, Lisle, Illinois 60532.

Shareholder Approval

The affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee. Abstentions will have the same effect as votes against the proposal. "Broker non-votes" (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will have no effect on the outcome of the vote on the proposal.

Board Recommendation

The Board of the Fund unanimously recommends that shareholders vote "FOR" each of the nominees of the Board.

ADDITIONAL INFORMATION

Further Information About Voting and the Annual Meeting

Quorum

The holders of a majority of the Shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum at such meeting of the shareholders for purposes of conducting business on such matter. Abstentions and broker non-votes will be counted as Shares present at the Annual Meeting for quorum purposes.

Record Date

The Board has fixed the close of business on February 17, 2012, as the Record Date for the determination of shareholders of the Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Fund as of the close of business on the Record Date will be entitled to one vote on each matter to be voted on by the Fund for each Share held and a fractional vote with respect to fractional Shares with no cumulative voting rights.

How to Vote Your Shares

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Fund a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Attending the Annual Meeting

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder

of the Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Fund at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

Additional Information Regarding Voting

Broker-dealer firms holding Shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the proposal before the Annual Meeting. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The proposal is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the proposal may be deemed an instruction to vote such Shares in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

The Fund will update certain data regarding the Fund, including performance data, on a monthly basis on its website at www.guggenheimfunds.com/gge. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the Fund.

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act require the Fund's officers and Trustees, certain officers of the Fund's investment adviser, affiliated persons of the Fund's investment Adviser, and persons who beneficially own more than ten percent of the Fund's Shares to file certain reports of ownership ("Section 16 filings") with the SEC and the NYSE. Based upon the Fund's review of the copies of such forms effecting the Section 16 filings received by it, the Fund believes that for the Fund's fiscal year ended October 31, 2011, all filings applicable to such persons were completed and filed in a timely manner, except as follows: a Form 3 for Mr. B. Scott Miner.

Privacy Principles of the Fund

The Fund is committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Fund collects, how the Fund protects that information and why, in certain cases, the Fund may share information with select other parties.

Generally, the Fund does not receive any non-public personal information relating to its shareholders, although certain non-public personal information of its shareholders may become available to the Fund. The Fund does not disclose any non-public personal information about its shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Fund restricts access to non-public personal information about its shareholders to employees of the Adviser with a legitimate business need for the information. The Fund maintains physical, electronic and procedural safeguards designed to protect the non-public personal information of its shareholders.

Deadline for Shareholder Proposals

The Fund's Amended and Restated By-Laws (the "By-Laws") require compliance with certain procedures for a shareholder to properly make a nomination for election as a Trustee or to propose other business for the Fund. If a shareholder who is entitled to do so under the Fund's By-Laws wishes to nominate a person or persons for election as a Trustee or propose other business for the Fund, that shareholder must provide a written notice to the Secretary of the Fund at the Fund's principal executive offices. Such notice must include certain information about the proponent and the proposal, or in the case of a nomination, the nominee. A copy of the By-Laws, which includes the provisions regarding the requirements for shareholder nominations and proposals, may be obtained by writing to the Secretary of the Fund at 2455 Corporate West Drive, Lisle, Illinois 60532. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's By-Laws.

Shareholder proposals intended for inclusion in the Fund's proxy statement in connection with the 2013 annual meeting of shareholders pursuant to Rule 14a-8

under the Exchange Act must be received by the Fund at the Fund's principal executive offices by November 23, 2012 in order to be considered for inclusion in the Fund's proxy statement. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement.

A proposal, other than a proposal submitted pursuant to Rule 14a-8, must be received by the Fund's Secretary at the Fund's principal executive offices not earlier than December 27, 2012 and not later than January 25, 2013 (which is also the date after which shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would not be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act). If a proposal is not "timely" within the meaning of Rule 14a-4(c), then the persons named as proxies in the proxies solicited by the Board for the 2013 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

Expenses of Proxy Solicitation

The cost of soliciting proxies will be borne by the Fund. Certain officers of the Fund and certain officers and employees of the Adviser or its affiliates (none of whom will receive additional compensation therefore), may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Fund for such out-of-pocket expenses.

Other Matters

The management of the Fund knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Failure of a quorum to be present at the Annual Meeting may result in an adjournment. The persons named in the enclosed proxy card may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to the proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. The chairman of the Annual Meeting may also adjourn the Annual Meeting. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy card will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of each Fund's shareholders. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the enclosed instructions to vote by telephone or over the Internet.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on April 26, 2012

GUGGENHEIM FUNDS

AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee is a committee of the Board of the Trust (see Appendix A for a list of funds that have approved this Audit Committee Charter). Its primary function is to assist the Board in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Trust's accounting policies, financial reporting and internal control system, as well as the work of the independent auditors. The Audit Committee assists Board oversight of (1) the integrity of the Trust's financial statements; (2) the Trust's compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of the Trust's independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, Trust management, the personnel responsible for internal audit functions (if any) and the Board.

- Trust management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.
- The independent auditors have the primary responsibility to plan and implement a proper audit, including consideration of the Trust's accounting, reporting and internal control practices.

The Audit Committee may have additional functions and responsibilities as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Trust's financial statements are complete and accurate and have been prepared in accordance with generally accepted accounting principles.

II. COMPOSITION

The Audit Committee shall be comprised of three or more board members as determined by the Board, each of whom shall be an independent board member, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. For purposes of the Audit Committee, a board member is independent if:

- he or she is not an "interested person" of the Trust as that term is defined in the Investment Company Act of 1940; and

- he or she does not accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Trust (except in the capacity as a Board or committee member).

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment (or must become financially literate within a reasonable time after his or her appointment to the Audit Committee). The Audit Committee will review the qualifications of its members and determine whether any of its members qualify as an “audit committee financial expert” as defined in Form N-CSR. The Audit Committee will submit such determination to the Board for its final determination.

The members and Chairman of the Audit Committee shall be elected by the Board annually and serve until their successors shall be duly elected and qualified.

No member of the Audit Committee shall serve on the audit committee of more than three public companies with shares registered under the Securities Exchange Act of 1934, as amended, unless the Board determines that such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the Audit Committee. For purposes of counting an Audit Committee member’s audit committee service, service on the Trust’s Audit Committee, together with other audit committees within the Guggenheim fund complex, shall count as one public company.

III. MEETINGS

The Audit Committee shall meet two times annually, or more frequently as circumstances dictate. Special meetings (including telephone meetings) may be called by the Chairman or a majority of the members of the Audit Committee upon reasonable notice to the other members of the Audit Committee.

As part of its job to foster open communication, the Audit Committee shall meet annually with senior Trust management responsible for accounting and financial reporting and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee, or any of such other persons, believes should be discussed privately.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

- A. Charter
 - Review this Charter, annually, and recommend changes, if any, to the Board.

2. Review, with Trust management and the independent auditors:

(a) the Trust's plan related to the Trust's systems for accounting, reporting and internal controls;

(b) the responsibilities, resources and staffing with respect to the activities in IV.B.2.(a) above; and

(c) any significant audit findings or recommendations related to the Trust's systems for accounting, reporting and internal controls and Trust management's response.

3. Monitor procedures for the receipt, retention and treatment of complaints received by the Trust and/or the Audit Committee regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by officers and trustees of the Trust or employees of the Adviser, underwriter and any provider of accounting-related services to the Trust of concerns regarding questionable accounting or auditing matters.

4. Review, annually, with Trust management and the independent auditors, policies for valuation of Trust portfolio securities, and the frequency and magnitude of pricing errors.

BACKGROUND AND DEFINITIONS
FOR
AUDIT COMMITTEE CHARTER

The following is supplemental information regarding the Audit Committee Charter designed to provide the Audit Committee background information and definitions to assist the Committee in fulfilling its responsibilities under the Charter.

I. COMPOSITION

An audit committee financial expert must have acquired such attributes through any one or more of the following: (1) education and experience as a principal financial officer, principal accounting officer, controller, public accountant or auditor or experience in one or more positions that involve the performance of similar functions (or active supervision of such persons); or (2) experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements; or (3) other relevant experience.

If the Trust is listed on the New York Stock Exchange, at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

II. RESPONSIBILITIES AND DUTIES

A. Pre-Approval Not Required

Under Section 10A(h)(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(7)), pre-approval of non-audit services for the Trust pursuant to Section IV.C. 2 is not required, if:

1. the aggregate amount of all non-audit services provided to the Trust is no more than 5% of the total fees paid by the Trust to the independent auditors during the fiscal year in which the non-audit services are provided;
2. the services were not recognized by Trust management at the time of the engagement as non-audit services; and

3. such services are promptly brought to the attention of the Audit Committee by Trust management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.

Under Section 10A(h)(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(7)), pre-approval of non-audit services for the Adviser (or any affiliate of the Adviser providing ongoing services to the Trust) pursuant to Section IV.C.3 is not required, if:

1. the aggregate amount of all non-audit services provided is no more than 5% of the total fees paid to the Trust's independent auditors by the Trust, the Adviser and any "control affiliate" of the Adviser providing ongoing services to the Trust during the fiscal year in which the non-audit services are provided;

2. the services were not recognized by Trust management at the time of the engagement as non-audit services; and

3. such services are promptly brought to the attention of the Audit Committee by Trust management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.

B. Control Affiliate

As used in Section IV.C.3, "control affiliate" means any entity controlling, controlled by, or under common control with the Adviser.

C. Prohibited Non-Audit Services

Under Section 10A(g) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(4)), an auditor is not independent if, at any point during the audit and professional engagement period, the auditor provides certain non-audit services to an audit client. As referred to in Section IV.C.2, these prohibited non-audit services would include:

1. bookkeeping or other services related to the accounting records or financial statements of the Trust;
2. financial information systems design and implementation;
3. appraisal or valuation services, fairness opinions, or contribution- in-kind reports;
4. actuarial services;
5. internal audit outsourcing services;
6. management functions or human resources;
7. broker or dealer, investment adviser, or investment banking services;

8. legal services and expert services unrelated to the audit; and

I-10

9. any other services that the Public Company Accounting Oversight Board determines are impermissible.

D. Other Definitions

“Investment company complex” includes: (1) an investment company and its investment adviser or sponsor; (2) any entity controlled by or controlling an investment adviser or sponsor in (1) above, or any entity under common control with any investment adviser or sponsor in (1) above if the entity: (A) is an investment adviser or sponsor or (B) is engaged in the business of providing administrative, custodian, underwriter, or transfer agent services to any investment company, investment adviser, or sponsor; and (3) an investment company or entity that would be an investment company but for the exclusions provided by Section 3(c) of the 1940 Act that has an investment adviser or sponsor included in (1) and (2) above. Investment adviser does not include a sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser. Sponsor is an entity that establishes a unit investment trust.

“Disclosure controls and procedures” means controls and other procedures of a registered management investment company that are designed to ensure that information required to be disclosed by the investment company on Form N-CSR and Form N-Q is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an investment company in the reports that it files or submits on Form N-CSR and Form N-Q is accumulated and communicated to the investment company’s management, including its principal executive officer or officers and principal financial officer or officers, or person performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

“Internal control over financial reporting” is a process designed by, or under the supervision of, the Trust’s principal executive and principal financial officers, or persons performing similar functions, and effected by the Trust’s Board, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes those policies and procedures that:

1. Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Trust;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of the Trust are being made only in accordance with authorization of management and directors of the Trust; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Trust's assets that could have a material effect on the financial statements.

The report to be prepared by the Audit Committee to be included in the annual proxy statement is governed by Item 407(d)(3)(i) of Regulation S-K, which requires each proxy statement relating to a shareholder meeting at which directors are to be elected to include a report, followed by the name of each Audit Committee member, stating whether: (1) the Committee has reviewed and discussed the audited financial statements with management, (2) the Committee has discussed with the independent auditors the matters required to be discussed by PCAOB UA Section 380, (3) the Committee has received the written disclosures and the letter from the independent auditors required by Public Company Accounting Oversight Board Rule 3526, and has discussed with the independent auditors their independence, and (4) based on the review and discussions referred to in paragraphs (1) through (3), the Audit Committee recommended to the Board that the audited financial statements be included in the Trust's annual report to shareholders required by Section 30(e) of the Investment Company Act of 1940 and Rule 30d-1 thereunder.

Purposes and Organization

The purpose of Nominating and Governance Committee (the “Committee”) of the Board of Trustees (the “Board”) of each of the registered investment companies listed in Appendix A hereto (the “Trust(s)”) is to review matters pertaining to the composition, committees, and operations of the Board. Members of the Committee may not be “interested persons” of the Trust, as such term is defined in the Investment Company Act of 1940, as amended (“Interested Persons”).¹ The Committee shall have the following duties and powers:

- (1) To evaluate and recommend all candidates for election or appointment as members of the Board and recommend the appointment of members and chairs of each Board Committee.
- (2) To review policy matters affecting the operation of the Board and Board committees and make such recommendations to the Board as deemed appropriate by the Committee.
- (3) To evaluate periodically the effectiveness of the Board and Board Committees and make such recommendations to the Board as deemed appropriate by the Committee.
- (4) To oversee the contract review process, including the review of the Trust’s investment advisory agreements and contracts with other affiliated service providers.

The Committee shall receive appropriate funding as determined by the Committee to carry out its responsibilities and shall have the authority to retain experts, consultants or legal counsel as the Committee deems appropriate.

The Committee shall meet annually (or more frequently, if needed) and be empowered to hold special meetings, as circumstances require. Any action of the Committee shall be taken by the affirmative vote of a majority of the members. Any action of the Committee may be taken without a meeting if at least a majority of the members of the Committee consent thereto in writing.

¹ As contemplated by certain rules under the Investment Company Act of 1940, as amended, the selection and nomination of candidates for election as members of the Board who are not Interested Persons shall be made by the incumbent members of the Board who are not Interested Persons.

Qualifications for Trustee Nominees

The Committee requires that Trustee candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (v) overall diversity of the Board's composition.

Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Trust's current Trustees, (ii) the Trust's officers, (iii) the Trust's investment adviser(s), (iv) the Trust's shareholders (see below) and (v) any other source the Committee deems to be appropriate. The Committee may, but is not required to, retain a third party search firm at the expense of the Trust to identify potential candidates. The Committee will not nominate a person for election to the Board as a Trustee (unless such person is an "interested person," as defined by the Investment Company Act of 1940) after such person has reached the age of seventy-two (72).

Consideration of Candidates Recommended By Shareholders

The Committee will consider and evaluate nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources. Appendix B to this Charter, as it may be amended from time to time by the Committee, sets forth procedures that must be followed by shareholders to properly submit a nominee candidate to the Committee (recommendations not properly submitted in accordance with Appendix B will not be considered by the Committee).
