Item 8.01 Other Events

Rule 10b5-1 promulgated under the Securities Exchange Act of 1934 permits an individual who is not then in possession of material nonpublic information to establish a prearranged plan to buy or sell stock. The rule allows an individual to buy or sell shares of stock at a specific price in the future, regardless of any subsequent material nonpublic information.

On February 28, 2006, Robert P. Lilleness, President and Chief Operating Officer of Universal Electronics Inc., cancelled the Rule 10b5-1 trading plan he established on November 30, 2005 and he established a new trading plan in accordance with Rule 10b5-1. Under this new plan, Mr. Lilleness intends to sell no more than 272,500 shares of Universal Electronics common stock until February 28, 2007 from time to time, subject to certain specified price limits. These shares include shares issued upon the exercise of employee stock options. This process will facilitate the orderly exercise of employee stock options and the sale of common stock for Mr. Lilleness personal financial planning purposes with the goal of minimizing any market impact and avoiding any concerns about the timing of the transactions.
