Form PREC14A

PROXY STATEMENT IN OPPOSITION TO THE SOLICITATION BY THE BOARD OF DIRECTORS OF THE ZWEIG TOTAL RETURN FUND, INC.

ANNUAL MEETING OF STOCKHOLDERS (To be held on May 12, 2004)

Our names are Phillip Goldstein and Arthur Lipson. We are shareholders of The Zweig total Return Fund, Inc. (the "Fund"). We are sending this proxy statement and the enclosed GREEN proxy card to stockholders of record on February 13, 2004 (the "Record Date") of the Fund. We are soliciting a proxy to vote your shares at the 2004 Annual Meeting of Stockholders of the Fund (the "Meeting") and at any and all adjournments or postponements of the Meeting. Please refer to the Fund's proxy soliciting material for additional information concerning the Meeting and the matters to be considered by the shareholders including the election of directors.

This proxy statement and the enclosed GREEN proxy card are first being sent to shareholders of the Fund on or about April --, 2004.

INTRODUCTION

There are two matters that the Fund has scheduled to be voted upon at the meeting:

1. The election of three persons to serve as directors of the Fund.
- 2.A proposal to convert the Fund to an open-end investment Fund.

In addition, we intend to introduce the following proposal at the meeting.

3. A proposal to reinstate the annual 10% distribution policy which was eliminated in 2003.

With respect to these matters, we are soliciting a proxy to vote your shares FOR the election of our nominees and FOR Proposals 2 and 3.

How Proxies Will Be Voted

All of the proposals scheduled by the Fund to be voted upon at the meeting are included on the enclosed GREEN proxy card. If you wish to vote FOR the election of our nominees and/or FOR our proposal to reinstate the Fund's 10% distribution policy, you may do so by completing and returning a GREEN proxy card.

If you return a GREEN proxy card to us or to our agent, your shares will be voted on each matter as you indicate unless the board of directors determines not to permit us to vote our proxies, in which case your shares may not be voted at the Meeting and we may consider other options including filing a lawsuit to order the Fund to count your votes and/or declining to attend the Meeting which may prevent a quorum from being reached.

Edgar Filing: ZWEIG TOTAL RETURN FUND INC - Form PREC14A

If you do not indicate how your shares are to be voted on a matter, they will be voted FOR the election of our nominees to the Board and FOR Proposals 2 and 3. If you return a GREEN proxy card, you will be granting the proxy holder(s) discretionary authority to vote on any other matters of which they are not now aware that may come before the meeting including matters relating to the conduct of the meeting.

Voting Requirements

We do not intend to propose an adjournment of the meeting. If an adjournment is proposed, we will vote for or against such adjournment in our discretion. Please refer to the Fund's proxy statement for the quorum requirements and the voting requirements for each proposal it will present. Proposal 3 requires a majority of the votes cast for approval.

Revocation of Proxies

You may revoke any proxy prior to its exercise by (i) delivering a written revocation of your proxy at the meeting; (ii) executing and delivering a later dated proxy to me or to the Fund or to our respective agents; or (iii) voting in person at the meeting. (Attendance at the meeting will not in and of itself revoke a proxy.) There is no limit on the number of times you may revoke your proxy prior to the meeting. Only the latest dated, properly signed proxy card will be counted

Information Concerning the Soliciting Shareholders

Phillip Goldstein and Arthur Lipson are the Soliciting Shareholders. Mr. Goldstein's address is 60 Heritage Drive, Pleasantville, NY 10570 and Mr. Lipson's address is 2594 E Bengal Boulevard, Salt Lake City, UT 84121. Mr. Goldstein and Mr. Lipson are investment managers.

Since December 1, 1992, Mr. Goldstein has been the president and 50% shareholder of Kimball & Winthrop, Inc., the general partner of Opportunity Partners L.P., a private investment partnership. Mr. Goldstein is also the portfolio manager of Opportunity Partners. Since 1996, Mr. Goldstein has taken an active role in urging the management of various companies to take actions that he believed would benefit those companies and their shareholders. His actions have included discussions with management, submitting a shareholder proposal, conducting a proxy contest and filing a lawsuit alleging breach of fiduciary duty.

Mr. Lipson is the sole owner of Western Investment LLC (WILLC). WILLC is the investment manager of certain private investment entities.

As of March 4, 2004, Mr. Goldstein and Mr. Lipson are respectively deemed to be the beneficial owners of 646,300 and 1,876,230 shares of Common Stock owned by his clients and him. All of their purchases of Common Stock have been made since July 2003.

REASONS FOR THE SOLICITATION

We believe the Fund's board of directors made a serious mistake when they eliminated the Fund's long-standing annual 10% distribution policy because the Fund's shares quickly went from a premium to a discount. We wish to afford shareholders an

Edgar Filing: ZWEIG TOTAL RETURN FUND INC - Form PREC14A

opportunity to vote to reinstate the 10% distribution policy and to elect directors who will abide by the will of the shareholders. In addition, we support open-ending the Fund without any redemption fee so that the discount will be permanently eliminated.

OTHER CONSIDERATIONS

If our nominees are elected, there is no assurance that the entire board will agree to reinstate the 10% distribution policy. We believe that all shareholders of the Fund will benefit by having an opportunity to vote for our proposal and to elect directors who are committed to abiding by their will. We also have personal financial incentives to increase the Fund's stock price because our clients who hold shares of the Fund pay us fees that are based upon the realized and unrealized gains that they earn. These fees may partially depend on the value of the Fund's shares. We will also benefit from an increase in the Fund's share price as we indirectly own shares through our investments in partnerships we manage.

PROPOSAL 1: ELECTION OF DIRECTORS

At the meeting, we intend to nominate the following persons for election as a director for a term expiring in 2007 and 2005 respectively.

Phillip Goldstein (Age 59), 60 Heritage Drive, Pleasantville, NY 10570 (Term to expire in 2007)

Mr. Goldstein has been an investment advisor since 1992; He has been a director of Brantley Capital Corporation since 2002 and of The Mexico Equity and Income Fund since 1999.

Arthur Lipson (Age 61), 2594 E Bengal Boulevard, Salt Lake City, UT 84121 (Term to expire in 2007)

Mr. Lipson has managed private investment partnerships since 1995. Prior to that he was Manager of Fixed Income Research at Lehman Brothers Inc and Paine Webber Group Inc. He was the creator of the Lehman Brothers Bond Index.

Elizabeth Tashjian (Age 47), University of Utah, Department of Finance, 1645 E Campus Center Drive Room 109, Salt Lake City, UT 84112 (Term to expire in 2005).

Professor Tashjian is an Associate Professor of Finance at the University of Utah. She received her Ph.D. in Finance from Purdue University and her B.A. in Mathematics from Boston College. Her research interests include corporate financial distress. As a member of The Center for the Representation of Multi-Dimensional Information, which develops 3D audio-visualization displays that facilitate the rapid and accurate analysis of complex and rapidly changing data, she is currently working on tools to improve trading and investment decisions. She is also a member of the Academic Council for the Turnaround Management Association. None of our nominees has any arrangement or understanding with any person with respect to any future employment by the Fund or by any affiliate of the Fund.

The persons named as proxies on the enclosed GREEN proxy card intend, in the absence of contrary instructions, to vote all proxies they are entitled to vote IN FAVOR of the election of our nominees, each of whom has consented to stand for election and to serve if elected. If any nominee is unable to serve, an event not

Edgar Filing: ZWEIG TOTAL RETURN FUND INC - Form PREC14A

now anticipated, the proxies will be voted for such other person, if any, as is designated by the proxy holder(s). Please refer to management's proxy statement for information regarding the qualifications and background of its nominees. There is no assurance that any of management's nominees will serve as directors if my nominee is elected.

PROPOSAL 2: TO CONVERT THE FUND FROM A CLOSED- END INVESTMENT COMPANY TO AN OPEN-END INVESTMENT COMPANY

Since the board of directors eliminated the Fund's 10% distribution policy, the shares, which had previously traded at a premium to their net asset value ("NAV"), began to trade at a significant discount to NAV. Open-ending the Fund will permit you to sell your shares at any time and realize NAV. We think elimination of the discount outweighs all other arguments against open-ending the Fund. We also think the main reason management opposes open-ending the fund is that its fees may decline if shareholders redeem their shares. In the absence of contrary instructions, the proxy holder(s) will vote your shares FOR this proposal.

PROPOSAL 3: TO REINSTATE THE ANNUAL 10% DISTRIBUTION POLICY WHICH WAS ELIMINATED IN 2003

We believe the board of directors made a serious mistake when it eliminated the Fund's long-standing annual 10% distribution policy after the close of business on July 28, 2003. According to Bloomberg, the market price of the Fund's shares, which were at a 9% premium on July 28, 2003, rapidly fell to a 14% discount on August 14, 2003. Currently, the discount is 9.4%. We think the board should reinstate the annual 10% distribution policy immediately. There is no certainty that the board will implement this proposal if it is approved. In the absence of contrary instructions, the proxies will vote your shares FOR this proposal.

THE SOLICITATION

We are making this solicitation personally. Persons affiliated with or employed by us or our affiliates may assist us in the solicitation of proxies. They will not receive any special compensation for their services. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward this proxy statement and the enclosed GREEN proxy card to the beneficial owners of shares of Common Stock for whom they hold shares of record. We will reimburse these organizations for their reasonable out-of-pocket expenses.

Initially, we will personally bear all of the expenses related to this proxy solicitation. Because we believe that the shareholders will benefit from this solicitation, we intend to seek reimbursement of our expenses from the Fund. Shareholders will not be asked to vote on the reimbursement of solicitation expenses incurred by either the incumbent directors or us. We estimate that my expenses will be about \$ -----. As of April --, 2003, our expenses have been approximately \$ -----.

There is no arrangement or understanding involving us or any of our affiliates that relates to future employment by the Fund or any future transaction with the Fund.

ADDITIONAL PROPOSALS

We know of no business that will be presented for consideration at the Meeting other than that set forth in this proxy statement and in the Fund's proxy statement. Unless instructed otherwise, if any other matters are properly presented for consideration at the meeting, it is the intention of the persons named as proxies in the enclosed GREEN proxy card to vote in accordance with their own best judgment on such matters.
